

AMENDED IN SENATE APRIL 14, 2004  
AMENDED IN ASSEMBLY JULY 14, 2003  
AMENDED IN SENATE APRIL 21, 2003

**SENATE BILL**

**No. 899**

---

---

**Introduced by Senator Poochigian**

February 21, 2003

---

---

~~An act relating to workers' compensation.~~ *An act to amend Sections 62.5, 139.2, 139.48, 2699, 3201.5, 3201.7, 3201.9, 3202.5, 3207, 3823, 4060, 4061, 4062, 4062.1, 4062.5, 4600, 4603.2, 4604.5, 4650, 4656, 4658, 4660, 4706.5, 4903.05, 5402, 5703, and 6401.7 of, to amend, repeal, and add Section 5814 of, to add Sections 138.65, 4062.3, 4062.8, 4658.1, 4664, and 5814.6 to, to add Article 2.3 (commencing with Section 4616) to Chapter 2 of Part 2 of Division 4 of, to repeal Sections 4062.01, 4062.9, 4750, and 4750.5 of, to repeal and add Sections 4062.2 and 4663 of, and to repeal, add, and repeal Section 139.5 of, the Labor Code, relating to workers' compensation, and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

SB 899, as amended, Poochigian. Workers' compensation.

*Existing workers' compensation law generally requires employers to secure the payment of workers' compensation, including medical treatment, for injuries incurred by their employees that arise out of, or in the course of, employment.*

*Existing law establishes the Workers' Compensation Administration Revolving Fund as a special account in the State Treasury and moneys in the fund may be expended by the Department of Industrial Relations,*

*upon appropriation by the Legislature, for the administration of the workers' compensation program.*

*This bill would expand the purposes for which money in the fund may be used to include the Return-to-Work Program.*

*Existing law requires that 80% of the costs of the program be borne by the General Fund and 20% of the costs of the program be borne by the employers through assessments levied by the Director of Industrial Relations.*

*This bill would instead refer to the assessments as surcharges and require that these employer surcharges account for the total costs of the program.*

*Existing law requires the Administrative Director of the Division of Workers' Compensation to conduct a study of medical treatment provided to workers who have sustained industrial injuries and illnesses.*

*This bill would require the administrative director, after consultation with the Insurance Commissioner, to contract with a qualified organization to study the 2003 and 2004 legislative reforms on insurance rates. It would require insurers to submit to the contracting organization information, as established by the contracting organization, at least quarterly and annually. It would require the study to be submitted to the Governor, the Insurance Commissioner, and the Legislature on or before January 1, 2006. The bill would require the Governor and the Insurance Commissioner to review the study, make recommendations, and permit them to submit proposals to the Legislature if they make certain determinations. It would require insurers to bear up to \$1,000,000 of the cost of the study.*

*Existing law requires the administrative director to appoint qualified medical evaluators in each of the respective specialties as required for the evaluation of medical-legal issues. Existing law further requires the administrative director to adopt regulations concerning procedures to be followed by all qualified medical evaluators in evaluating the existence and extent of permanent impairment and limitations resulting from the injury, and specifies the factors upon which these evaluations are to be based.*

*This bill would delete these factors and would require that the evaluations be conducted in a manner consistent with other specified standards.*

*Existing law permits aggrieved employees to bring civil actions to recover penalties for violations of the Labor Code, but does not alter the*

*exclusive remedy provided by the workers' compensation provisions of the code.*

*This bill would provide that the right to recover these penalties does not apply to the recovery of penalties in connection with the workers' compensation provisions of the code.*

*Existing law requires the administrative director to adopt regulations regarding procedures governing the determination of any disputed medical issues.*

*This bill would require that these procedures be consistent with standards used in connection with the medical treatment utilization schedule adopted by the administrative director.*

*Existing law, until January 1, 2009, requires the administrative director to establish the Return-to-Work Program in order to promote the early and sustained return to work of the employee following a work-related injury, and to pay a wage reimbursement, workplace modification expense reimbursement, and premium reimbursement to an employer that employs 100 or fewer employees, if certain conditions are met.*

*This bill would eliminate the payment of wage reimbursement and premium reimbursement from the program. The bill would instead make reimbursements under the program available, to the extent funds are available, for an eligible employer, as defined.*

*Existing law establishes the Workers' Compensation Return-to-Work Fund as a special fund in the State Treasury, moneys from which may be expended by the administrative director, upon appropriation by the Legislature, only for purposes of making the above reimbursements.*

*This bill would provide that the fund shall consist of certain penalties imposed in connection with delayed or refused compensation payments and transfers made by the administrative director from the Workers' Compensation Administration Revolving Fund.*

*Existing law, until January 1, 2004, required the administrative director to establish a vocational rehabilitation unit to perform duties in connection with vocational rehabilitation services, and provided that when an employee was determined to be medically eligible and chose to participate in a vocational rehabilitation program, he or she would continue to receive temporary disability benefits, a maintenance allowance, and additional living expenses. Chapter 639 of the Statutes of 2003, which became effective on January 1, 2004, eliminated vocational rehabilitation as part of the workers' compensation system.*

*This bill, until January 1, 2009, would reenact the above provisions relating to vocational rehabilitation for employees injured prior to January 1, 2004.*

*Existing law requires any insurer, self-insured employer, 3rd-party administrator, workers' compensation administrative law judge, audit unit, attorney, or other person that believes that a fraudulent claim has been made by any person or entity providing medical care to report the apparent fraudulent claim.*

*This bill would prohibit any person making such a report in good faith from being subject to any civil liability.*

*Existing law authorizes collective bargaining agreements between a private employer or groups of employers engaged in construction-related activities and a recognized or certified exclusive bargaining representative that establishes a dispute resolution process for workers' compensation instead of the hearing before the Workers' Compensation Appeals Board and its workers' compensation administrative law judges, or that provides for other alternative workers' compensation programs. Existing law also authorizes similar dispute resolution provisions contained in labor-management agreements.*

*This bill would authorize parties to these agreements to negotiate any aspect of the delivery of medical benefits and the delivery of disability compensation to the employees who are eligible for health care coverage for nonoccupational injuries and illnesses through their employer. It would also require the Commission on Health and Safety and Workers' Compensation, on or before June 30, 2006, and annually thereafter, to prepare and publish a report in connection with these provisions.*

*Existing law requires that workers' compensation provisions be liberally construed by the courts with the purpose of extending their benefits for the protection of persons injured in the course of their employment.*

*Existing law prohibits this provision from being construed as relieving a party or a lien claimant from meeting the evidentiary burden of proof by a preponderance of the evidence.*

*This bill would repeal this provision and instead would require that all parties and lien claimants shall meet the evidentiary burden of proof on all issues by a preponderance of the evidence in order that all parties are considered equal before the law.*

*Existing law establishes procedures for the resolution of disputes regarding the compensability of an injury. Existing law also establishes procedures, including procedures regarding the selection of agreed and qualified medical evaluators, that apply if the parties do not agree to a permanent disability rating based on the treating physician's evaluation and the employee is represented by an attorney, as well as when the employee is not represented by an attorney.*

*This bill would revise and recast these provisions.*

*Existing law provides that regardless of the date of injury, if the employee has been treated by his or her personal physician, no presumption of correctness shall apply to the opinion of that physician on the issue of extent and scope of medical treatment, either prior or subsequent to the issuance of an award, unless the physician or chiropractor was predesignated prior to the date of injury, in which case the opinion of that physician or chiropractor is presumed to be correct.*

*This bill would repeal this presumption. It would also revise provisions in connection with the predesignation of a physician prior to injury.*

*Existing law generally provides for the reimbursement of medical providers for services rendered in connection with the treatment of a worker's injury.*

*This bill would limit the amounts paid for these services to the reasonable maximum amounts in the official medical fee schedule in effect on the date of service.*

*Existing law requires an employer to provide all medical services reasonably required to cure or relieve the injured worker from the effects of the injury.*

*This bill would define medical treatment that is reasonably required to cure or relieve the injured worker from the effects of the injury.*

*Existing law permits an employee, after 30 days from the date the injury is reported, to be treated by a physician of his or her own choice or at a facility of his or her own choice within a reasonable geographic distance.*

*This bill, instead, would authorize the employee to be treated by a physician or at a facility of his or her own choice under these provisions if the employer has not established a medical provider network.*

*This bill would authorize an insurer or employer, as defined, on or after January 1, 2005, to establish a medical provider network for the provision of medical treatment to injured employees, and would require the administrative director to approve the plans for these medical*

provider networks. The bill would require an injured employee to select a physician from the provider network to provide treatment for the injury. The bill would permit an employee to obtain 2nd and 3rd opinions regarding treatment from physicians within the network and would establish an independent medical review process to resolve disputes regarding whether the treatment is medically necessary.

Existing law provides that upon adoption by the administrative director of a medical treatment utilization schedule, the recommended guidelines set forth in the schedule create a rebuttable presumption of correctness on the issue and extent and scope of medical treatment of a worker's injuries.

This bill would provide that the presumption may be controverted by a preponderance of the scientific medical evidence and would provide that the presumption is one affecting the burden of proof.

Existing law further requires that the recommended guidelines set forth in the medical treatment utilization schedule reflect practices as generally accepted by the health care community.

This bill instead would require that the guidelines be evidence and scientifically based, nationally recognized, and peer-reviewed.

Existing law provides that until the medical treatment utilization schedule is adopted by the administrative director, the guidelines set forth in the American College of Occupational and Environmental Medicine's Occupational Medicine Practice Guidelines shall be presumptively correct on the issue of extent and scope of medical treatment.

This bill would provide that this presumption is applicable regardless of the date of injury.

Existing law provides that for injuries occurring on and after January 1, 2004, an employee shall be entitled to no more than 24 chiropractic and 24 physical therapy visits per industrial injury.

This bill would similarly provide that an employee shall be entitled to no more than 24 occupational therapy visits per industrial injury.

Existing law prohibits aggregate disability payments for a single injury occurring on or after January 1, 1979, causing temporary partial disability, from extending for more than 240 compensable weeks within a period of 5 years from the date of injury.

This bill would instead prohibit aggregate disability payments for a single injury occurring on or after the effective date of this bill, causing temporary disability, from extending for more than 104 compensable weeks within a period of 2 years from the date of commencement of

*temporary disability payment, except if an employee suffers from certain injuries or conditions.*

*Existing workers' compensation law authorizes the administrative director to prepare, adopt, and from time to time amend a schedule for the determination of the percentage of permanent disabilities in accordance with specified provisions.*

*This bill would require, rather than authorize, the administrative director to amend the schedule at least once every 5 years. The bill would provide that the schedule as revised pursuant to changes made in legislation enacted during the 2003–04 Regular and Extraordinary Sessions would apply to comparable compensable claims arising before January 1, 2005, under certain circumstances. It also would require the schedule to promote consistency, uniformity, and objectivity.*

*Existing law provides that when determining the percentages of permanent disability, account shall be taken of various factors, including the nature of the physical injury or disfigurement and with consideration being given to the diminished ability of the injured employee to compete in an open labor market.*

*This bill would eliminate the requirement to consider the ability of the injured employee to compete in the open labor market and, instead, would require that consideration be given to an employee's diminished future earning capacity, which would be a numeric formula based on criteria established by the bill. The bill would require the nature of the physical injury or disfigurement to incorporate descriptions and measurements contained in a specific publication of the American Medical Association. It would also require the administrative director to formulate the adjusted rating schedule based on empirical data and findings contained in a specified report, and to adopt regulations, on or before January 1, 2005, to implement the changes made to these provisions by this bill.*

*Existing law provides that when the extent of permanent disability cannot be determined at the date of last payment of temporary disability indemnity, the employer nevertheless shall commence and continue to make the timely payment of permanent disability until the employer's reasonable estimate of permanent disability indemnity due has been paid.*

*This bill would instead require the employer to commence and continue the timely payment of permanent disability indemnity based on a reasonable estimate of the amount due at the end of the period for the payment of temporary disability indemnity specified above, regardless*

*of whether the extent of permanent disability can be determined at that date.*

*Existing law provides a schedule containing the method for the computation of permanent disability benefits.*

*This bill would establish the schedule for the computation of these benefits, for injuries occurring on or after the effective date of the revised permanent disability schedule adopted by the administrative director pursuant to this bill, with the amounts under the schedule to be increased by 15% if, within 60 days of the disability becoming permanent and stationary, the employee is offered regular work, modified work, or alternative work, as defined, that lasts at least 12 months. The bill would provide that this schedule for permanent disability payments also would apply to compensable claims arising before April 30, 2004, under certain circumstances. The bill would exempt employers that employ fewer than 50 employees from the above provisions of the schedule.*

*Existing law contains provisions with respect to the apportionment of permanent disability in connection with an employee's injury or condition.*

*This bill would repeal and recast these provisions. This bill would additionally require any physician who prepares a report addressing the issue of permanent disability due to a claimed industrial injury to address the issue of causation of the disability. It would also require an employee who claims an industrial injury to disclose, upon request, all previous permanent disabilities or physical impairments, and would impose limits on the percentage of permanent disability an employee may receive.*

*Existing law provides for the filing of a claim form by the injured employee with the employer and also provides that if liability is not rejected within 90 days after that form is filed, the injury is presumed compensable.*

*This bill would provide that within one working day after an employee files a claim form, the employer shall authorize the provision of treatment, for the alleged injury and shall continue to provide the treatment until the date that liability for the claim is accepted or rejected. It would, however, limit liability for medical treatment to \$10,000 until the date the claim is accepted or rejected.*

*Existing law provides that when payment has been unreasonably delayed or refused, the full amount of the order, decision, or award shall be increased by 10%.*

*This bill would make these provisions inoperative on June 1, 2004, and repeal them as of January 1, 2005. The bill would, instead, commencing June 1, 2004, prescribe procedures under which, when the payment of compensation has been unreasonably delayed or refused, the amount of the payment unreasonably delayed or refused shall be increased up to 25% or \$10,000, whichever is less. The bill would provide that these provisions shall apply to all injuries, without regard to the date of the injury. It would permit an employer to pay a self-imposed penalty in lieu of the penalty that may be awarded by the appeals board.*

*The bill would provide that any employer or insurer that knowingly delays or refuses to pay compensation with a frequency that indicates a general business practice is liable for administrative penalties of not to exceed \$400,000, which would be deposited in the Return-to-Work Fund.*

*Existing law authorizes the Workers' Compensation Appeals Board to receive as evidence and use as proof of any fact in dispute various reports, statements, publications, and medical treatment protocols. Existing law requires the administrative director to adopt guidelines for use in the medical treatment utilization schedule.*

*This bill would authorize the appeals board to receive as evidence the medical treatment utilization guidelines or the medical treatment utilization guidelines adopted by the administrative director.*

*Existing law requires every employer to establish, implement, and maintain an effective injury prevention program. Existing law also authorizes an employer to adopt the Model Injury and Illness Prevention Program for Non-High-Hazard Employment and the Model Injury and Illness Prevention Program for Employers in Industries with Intermittent Employment, developed by the Division of Occupational Safety and Health. Existing law requires every workers' compensation insurer to conduct a review of these injury and illness prevention programs of each of its insureds within 4 months of the commencement of the initial insurance policy term.*

*This bill would instead require any workers' compensation insurer to conduct a review of these programs of each of its insureds with an experience modification of 2.0 or greater to determine whether the insured has implemented all of the required components within 6 months of the commencement of the initial insurance policy term.*

*The bill would also make various conforming changes.*

*This bill would declare that it would take effect immediately as an urgency statute.*

~~Existing law provides that an injury of an employee arising out of and in the course of employment is generally compensable through the workers' compensation system.~~

~~This bill would state the intent of the Legislature to improve the workers' compensation system by promoting the efficient delivery of high quality appropriate medical care.~~

Vote: ~~majority~~<sup>2/3</sup>. Appropriation: no. Fiscal committee: ~~no~~ yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 ~~SECTION 1.—It is the intent of the Legislature to improve the~~  
2 *SECTION 1. Section 62.5 of the Labor Code is amended to*  
3 *read:*  
4 62.5. (a) The Workers' Compensation Administration  
5 Revolving Fund is hereby created as a special account in the State  
6 Treasury. Money in the fund may be expended by the department,  
7 upon appropriation by the Legislature, for the administration of  
8 the workers' compensation program set forth in this division and  
9 Division 4 (commencing with Section 3200), other than the  
10 activities financed pursuant to Section 3702.5, *and the*  
11 *Return-to-Work Program set forth in Section 139.48, and may not*  
12 *be used or borrowed for any other purpose.*  
13 (b) The fund shall consist of ~~assessments~~ *surcharges* made  
14 pursuant to subdivision (e). ~~Costs to the program shall be shared~~  
15 ~~on a proportional basis between the General Fund and employer~~  
16 ~~assessments. The General Fund appropriation shall account for 80~~  
17 ~~percent and employer assessments shall account for 20 percent of~~  
18 ~~the total costs of the program.~~  
19 (c) (1) The Uninsured Employers Benefits Trust Fund is  
20 hereby created as a special trust fund account in the State Treasury,  
21 of which the director is trustee, and its sources of funds are as  
22 provided in subdivision (e). Notwithstanding Section 13340 of the  
23 Government Code, the fund is continuously appropriated for the  
24 payment of nonadministrative expenses of the workers'  
25 compensation program for workers injured while employed by  
26 uninsured employers in accordance with Article 2 (commencing  
27 with Section 3710) of Chapter 4 of Part 1 of Division 4, and shall

1 not be used for any other purpose. All moneys collected shall be  
2 retained in the trust fund until paid as benefits to workers injured  
3 while employed by uninsured employers. Nonadministrative  
4 expenses include audits and reports of services prepared pursuant  
5 to subdivision (b) of Section 3716.1. ~~The assessment~~ *surcharge*  
6 amount for this fund shall be stated separately.

7 (2) Notwithstanding any other provision of law, all references  
8 to the Uninsured Employers Fund shall mean the Uninsured  
9 Employers Benefits Trust Fund.

10 (3) Notwithstanding paragraph (1), in the event that budgetary  
11 restrictions or impasse prevent the timely payment of  
12 administrative expenses from the Workers' Compensation  
13 Administration Revolving Fund, those expenses shall be advanced  
14 from the Uninsured Employers Benefits Trust Fund. Expense  
15 advances made pursuant to this paragraph shall be reimbursed in  
16 full to the Uninsured Employers Benefits Trust Fund upon  
17 enactment of the annual Budget Act.

18 (d) (1) The Subsequent Injuries Benefits Trust Fund is hereby  
19 created as a special trust fund account in the State Treasury, of  
20 which the director is trustee, and its sources of funds are as  
21 provided in subdivision (e). Notwithstanding Section 13340 of the  
22 Government Code, the fund is continuously appropriated for the  
23 nonadministrative expenses of the workers' compensation  
24 program for workers who have suffered serious injury and who are  
25 suffering from previous and serious permanent disabilities or  
26 physical impairments, in accordance with Article 5 (commencing  
27 with ~~Section 4750~~ 4751) of Chapter 2 of Part 2 of Division 4, and  
28 Section 4 of Article XIV of the California Constitution, and shall  
29 not be used for any other purpose. All moneys collected shall be  
30 retained in the trust fund until paid as benefits to workers who have  
31 suffered serious injury and who are suffering from previous and  
32 serious permanent disabilities or physical impairments.  
33 Nonadministrative expenses include audits and reports of services  
34 pursuant to subdivision (c) of Section 4755. ~~The assessment~~  
35 *surcharge* amount for this fund shall be stated separately.

36 (2) Notwithstanding any other provision of law, all references  
37 to the Subsequent Injuries Fund shall mean the Subsequent  
38 Injuries Benefits Trust Fund.

39 (3) Notwithstanding paragraph (1), in the event that budgetary  
40 restrictions or impasse prevent the timely payment of

1 administrative expenses from the Workers' Compensation  
2 Administration Revolving Fund, those expenses shall be advanced  
3 from the Subsequent Injuries Benefits Trust Fund. Expense  
4 advances made pursuant to this paragraph shall be reimbursed in  
5 full to the Subsequent Injuries Benefits Trust Fund upon  
6 enactment of the annual Budget Act.

7 (e) (1) ~~Separate assessments~~ *surcharges* shall be levied by the  
8 director upon all employers, as defined in Section 3300, for  
9 purposes of deposit in the Workers' Compensation Administration  
10 Revolving Fund, the Uninsured Employers Benefits Trust Fund,  
11 and the Subsequent Injuries Benefits Trust Fund. The total amount  
12 of the ~~assessments~~ *surcharges* shall be allocated between  
13 self-insured employers and insured employers in proportion to  
14 payroll respectively paid in the most recent year for which payroll  
15 information is available. The director shall adopt reasonable  
16 regulations governing the manner of collection of the ~~assessments~~  
17 *surcharges*. The regulations shall require the ~~assessments~~  
18 *surcharges* to be paid by self-insurers to be expressed as a  
19 percentage of indemnity paid during the most recent year for  
20 which information is available, and the ~~assessments~~ *surcharges* to  
21 be paid by insured employers to be expressed as a percentage of  
22 premium. In no event shall the ~~assessments~~ *surcharges* paid by  
23 insured employers be considered a premium for computation of a  
24 gross premium tax or agents' commission. *In no event shall the*  
25 *total amount of the surcharges paid by insured and self-insured*  
26 *employers exceed the amounts reasonably necessary to carry out*  
27 *the purposes of this section.*

28 (2) The regulations adopted pursuant to paragraph (1) shall be  
29 exempt from the rulemaking provisions of the Administrative  
30 Procedure Act (Chapter 3.5 (commencing with Section 11340) of  
31 Part 1 of Division 3 of Title 2 of the Government Code).

32 *SEC. 1.5. Section 138.65 is added to the Labor Code, to read:*

33 *138.65. (a) The administrative director, after consultation*  
34 *with the Insurance Commissioner, shall contract with a qualified*  
35 *organization to study the effects of the 2003 and 2004 legislative*  
36 *reforms on workers' compensation insurance rates. The study*  
37 *shall do, but not be limited to, all of the following:*

38 *(1) Identify and quantify the savings generated by the reforms.*

39 *(2) Review workers' compensation insurance rates to*  
40 *determine the extent to which the reform savings were reflected in*

1 rates. When reviewing the rates, consideration shall be given to an  
2 insurer's premium revenue, claim costs, and surplus levels.

3 (3) Assess the effect of the reform savings on replenishing  
4 surpluses for workers' compensation insurance coverage.

5 (4) Review the effects of the reforms on the workers'  
6 compensation insurance rates, marketplace, and competition.

7 (5) Review the adequacy and accuracy of the pure premium  
8 rate as recommended by the Workers' Compensation Insurance  
9 Bureau and the pure premium rate adopted by the Insurance  
10 Commissioner.

11 (b) Insurers shall submit to the contracting organization  
12 premium revenue, claims costs, and surplus levels in different  
13 timing aggregates as established by the contracting organization,  
14 but at least quarterly and annually. The contracting organization  
15 may also request additional materials when appropriate. The  
16 contracting organization and the commission shall maintain strict  
17 confidentiality of the data. An insurer that fails to comply with the  
18 reporting requirements of this subdivision is subject to Section  
19 11754 of the Insurance Code.

20 (c) The administrative director shall submit to the Governor,  
21 the Insurance Commissioner, and the President pro Tempore of the  
22 Senate, the Speaker of the Assembly, and the chairs of the  
23 appropriate policy committees of the Legislature, a progress report  
24 on the study on January 1, 2005, and July 1, 2005, and the final  
25 study on or before January 1, 2006. The Governor and the  
26 Insurance Commissioner shall review the results of the study and  
27 make recommendations as to the appropriateness of regulating  
28 insurance rates. If, after reviewing the study, the Governor and the  
29 Insurance Commissioner determine that the rates do not  
30 appropriately reflect the savings and the timing of the savings  
31 associated with the 2003 and 2004 reforms, the Governor and the  
32 Insurance Commissioner may submit proposals to the Legislature.  
33 The proposals shall take into consideration how rates should be  
34 regulated, and by whom. In no event shall the proposals unfairly  
35 penalize insurers that have properly reflected the 2003 and 2004  
36 reforms in their rates, or can verify that they have not received any  
37 cost savings as a result of the reforms.

38 (d) The cost of the study shall be borne by the insurers up to one  
39 million dollars (\$1,000,000). The cost of the study shall be

1 *allocated to an insurer based on the insurer's proportionate share*  
2 *of the market.*

3 *SEC. 2. Section 139.2 of the Labor Code is amended to read:*

4 139.2. (a) The administrative director shall appoint qualified  
5 medical evaluators in each of the respective specialties as required  
6 for the evaluation of medical-legal issues. The appointments shall  
7 be for two-year terms.

8 (b) The administrative director shall appoint or reappoint as a  
9 qualified medical evaluator a physician, as defined in Section  
10 3209.3, who is licensed to practice in this state and who  
11 demonstrates that he or she meets the requirements in paragraphs  
12 (1), (2), (6), and (7), and, if the physician is a medical doctor,  
13 doctor of osteopathy, doctor of chiropractic, or a psychologist, that  
14 he or she also meets the applicable requirements in paragraph (3),  
15 (4), or (5).

16 (1) Prior to his or her appointment as a qualified medical  
17 evaluator, passes an examination written and administered by the  
18 administrative director for the purpose of demonstrating  
19 competence in evaluating medical-legal issues in the workers'  
20 compensation system. Physicians shall not be required to pass an  
21 additional examination as a condition of reappointment. A  
22 physician seeking appointment as a qualified medical evaluator on  
23 or after January 1, 2001, shall also complete prior to appointment,  
24 a course on disability evaluation report writing approved by the  
25 administrative director. The administrative director shall specify  
26 the curriculum to be covered by disability evaluation report  
27 writing courses, which shall include, but is not limited to, 12 or  
28 more hours of instruction.

29 (2) Devotes at least one-third of total practice time to providing  
30 direct medical treatment, or has served as an agreed medical  
31 evaluator on eight or more occasions in the 12 months prior to  
32 applying to be appointed as a qualified medical evaluator.

33 (3) Is a medical doctor or doctor of osteopathy and meets one  
34 of the following requirements:

35 (A) Is board certified in a specialty by a board recognized by  
36 the administrative director and either the Medical Board of  
37 California or the Osteopathic Medical Board of California.

38 (B) Has successfully completed a residency training program  
39 accredited by the American College of Graduate Medical  
40 Education or the osteopathic equivalent.

1 (C) Was an active qualified medical evaluator on June 30,  
2 2000.

3 (D) Has qualifications that the administrative director and  
4 either the Medical Board of California or the Osteopathic Medical  
5 Board of California, as appropriate, both deem to be equivalent to  
6 board certification in a specialty.

7 (4) Is a doctor of chiropractic and meets either of the following  
8 requirements:

9 (A) Has completed a chiropractic postgraduate specialty  
10 program of a minimum of 300 hours taught by a school or college  
11 recognized by the administrative director, the Board of  
12 Chiropractic Examiners and the Council on Chiropractic  
13 Education.

14 (B) Has been certified in California workers' compensation  
15 evaluation by a provider recognized by the administrative director.  
16 The certification program shall include instruction on disability  
17 evaluation report writing that meets the standards set forth in  
18 paragraph (1).

19 (5) Is a psychologist and meets one of the following  
20 requirements:

21 (A) Is board certified in clinical psychology by a board  
22 recognized by the administrative director.

23 (B) Holds a doctoral degree in psychology, or a doctoral degree  
24 deemed equivalent for licensure by the Board of Psychology  
25 pursuant to Section 2914 of the Business and Professions Code,  
26 from a university or professional school recognized by the  
27 administrative director and has not less than five years'  
28 postdoctoral experience in the diagnosis and treatment of  
29 emotional and mental disorders.

30 (C) Has not less than five years' postdoctoral experience in the  
31 diagnosis and treatment of emotional and mental disorders, and  
32 has served as an agreed medical evaluator on eight or more  
33 occasions prior to January 1, 1990.

34 (6) Does not have a conflict of interest as determined under the  
35 regulations adopted by the administrative director pursuant to  
36 subdivision (o).

37 (7) Meets any additional medical or professional standards  
38 adopted pursuant to paragraph (6) of subdivision (j).

39 (c) The administrative director shall adopt standards for  
40 appointment of physicians who are retired or who hold teaching

1 positions who are exceptionally well qualified to serve as a  
2 qualified medical evaluator even though they do not otherwise  
3 qualify under paragraph (2) of subdivision (b). In no event shall  
4 a physician whose full-time practice is limited to the forensic  
5 evaluation of disability be appointed as a qualified medical  
6 evaluator under this subdivision.

7 (d) The qualified medical evaluator, upon request, shall be  
8 reappointed if he or she meets the qualifications of subdivision (b)  
9 and meets all of the following criteria:

10 (1) Is in compliance with all applicable regulations and  
11 evaluation guidelines adopted by the administrative director.

12 (2) Has not had more than five of his or her evaluations that  
13 were considered by a workers' compensation administrative law  
14 judge at a contested hearing rejected by the workers'  
15 compensation administrative law judge or the appeals board  
16 pursuant to this section during the most recent two-year period  
17 during which the physician served as a qualified medical  
18 evaluator. If the workers' compensation administrative law judge  
19 or the appeals board rejects the qualified medical evaluator's  
20 report on the basis that it fails to meet the minimum standards for  
21 those reports established by the administrative director or the  
22 appeals board, the workers' compensation administrative law  
23 judge or the appeals board, as the case may be, shall make a  
24 specific finding to that effect, and shall give notice to the medical  
25 evaluator and to the administrative director. Any rejection shall not  
26 be counted as one of the five qualifying rejections until the specific  
27 finding has become final and time for appeal has expired.

28 (3) Has completed within the previous 24 months at least 12  
29 hours of continuing education in impairment evaluation or  
30 workers' compensation-related medical dispute evaluation  
31 approved by the administrative director.

32 (4) Has not been terminated, suspended, placed on probation,  
33 or otherwise disciplined by the administrative director during his  
34 or her most recent term as a qualified medical evaluator.

35 If the evaluator does not meet any one of these criteria, the  
36 administrative director may in his or her discretion reappoint or  
37 deny reappointment according to regulations adopted by the  
38 administrative director. In no event may a physician who does not  
39 currently meet the requirements for initial appointment or who has  
40 been terminated under subdivision (e) because his or her license

1 has been revoked or terminated by the licensing authority be  
2 reappointed.

3 (e) The administrative director may, in his or her discretion,  
4 suspend or terminate a qualified medical evaluator during his or  
5 her term of appointment without a hearing as provided under  
6 subdivision (k) or (l) whenever either of the following conditions  
7 occurs:

8 (1) The evaluator's license to practice in California has been  
9 suspended by the relevant licensing authority so as to preclude  
10 practice, or has been revoked or terminated by the licensing  
11 authority.

12 (2) The evaluator has failed to timely pay the fee required by  
13 the administrative director pursuant to subdivision (n).

14 (f) The administrative director shall furnish a physician, upon  
15 request, with a written statement of its reasons for termination of,  
16 or for denying appointment or reappointment as, a qualified  
17 medical evaluator. Upon receipt of a specific response to the  
18 statement of reasons, the administrative director shall review his  
19 or her decision not to appoint or reappoint the physician or to  
20 terminate the physician and shall notify the physician of its final  
21 decision within 60 days after receipt of the physician's response.

22 (g) The administrative director shall establish agreements with  
23 qualified medical evaluators to assure the expeditious evaluation  
24 of cases assigned to them for comprehensive medical evaluations.

25 (h) (1) ~~When the injured worker is not represented by an~~  
26 ~~attorney requested by an employee or employer pursuant to~~  
27 ~~Section 4062.1,~~ the medical director appointed pursuant to Section  
28 122~~7~~, shall assign three-member panels of qualified medical  
29 evaluators within five working days after receiving a request for  
30 a panel. If a panel is not assigned within 15 working days, the  
31 employee shall have the right to obtain a medical evaluation from  
32 any qualified medical evaluator of his or her choice. The medical  
33 director shall use a random selection method for assigning panels  
34 of qualified medical evaluators. The medical director shall select  
35 evaluators who are specialists of the type ~~selected~~ *requested* by the  
36 employee. The medical director shall advise the employee that he  
37 or she should consult with his or her treating physician prior to  
38 deciding which type of specialist to request.

39 (2) The administrative director shall promulgate a form that  
40 shall notify the employee of the physicians selected for his or her

1 panel *after a request has been made pursuant to Section 4062.1 or*  
2 *4062.2.* The form shall include, for each physician on the panel,  
3 the physician's name, address, telephone number, specialty,  
4 number of years in practice, and a brief description of his or her  
5 education and training, and shall advise the employee that he or she  
6 is entitled to receive transportation expenses and temporary  
7 disability for each day necessary for the examination. The form  
8 shall also state in a clear and conspicuous location and type: "You  
9 have the right to consult with an information and assistance officer  
10 at no cost to you prior to selecting the doctor to prepare your  
11 evaluation, or you may consult with an attorney. If your claim  
12 eventually goes to court, the workers' compensation  
13 administrative law judge will consider the evaluation prepared by  
14 the doctor you select to decide your claim."

15 (3) When compiling the list of evaluators from which to select  
16 randomly, the medical director shall include all qualified medical  
17 evaluators who meet all of the following criteria:

18 (A) He or she does not have a conflict of interest in the case, as  
19 defined by regulations adopted pursuant to subdivision (o).

20 (B) He or she is certified by the administrative director to  
21 evaluate in an appropriate specialty and at locations within the  
22 general geographic area of the employee's residence.

23 (C) He or she has not been suspended or terminated as a  
24 qualified medical evaluator for failure to pay the fee required by  
25 the administrative director pursuant to subdivision (n) or for any  
26 other reason.

27 (4) When the medical director determines that an employee has  
28 requested an evaluation by a type of specialist that is appropriate  
29 for the employee's injury, but there are not enough qualified  
30 medical evaluators of that type within the general geographic area  
31 of the employee's residence to establish a three-member panel, the  
32 medical director shall include sufficient qualified medical  
33 evaluators from other geographic areas and the employer shall pay  
34 all necessary travel costs incurred in the event the employee selects  
35 an evaluator from another geographic area.

36 (i) The medical director appointed pursuant to Section 122;  
37 shall continuously review the quality of comprehensive medical  
38 evaluations and reports prepared by agreed and qualified medical  
39 evaluators and the timeliness with which evaluation reports are  
40 prepared and submitted. The review shall include, but not be

1 limited to, a review of a random sample of reports submitted to the  
2 division, and a review of all reports alleged to be inaccurate or  
3 incomplete by a party to a case for which the evaluation was  
4 prepared. The medical director shall submit to the administrative  
5 director an annual report summarizing the results of the  
6 continuous review of medical evaluations and reports prepared by  
7 agreed and qualified medical evaluators and make  
8 recommendations for the improvement of the system of medical  
9 evaluations and determinations.

10 (j) After public hearing pursuant to Section 5307.3, the  
11 administrative director shall adopt regulations concerning the  
12 following issues:

13 (1) (A) Standards governing the timeframes within which  
14 medical evaluations shall be prepared and submitted by agreed and  
15 qualified medical evaluators. Except as provided in this  
16 subdivision, the timeframe for initial medical evaluations to be  
17 prepared and submitted shall be no more than 30 days after the  
18 evaluator has seen the employee or otherwise commenced the  
19 medical evaluation procedure. The administrative director shall  
20 develop regulations governing the provision of extensions of the  
21 30-day period in *both of the following* cases: ~~(A) where~~

22 (i) *When the evaluator has not received test results or*  
23 *consulting physician's evaluations in time to meet the 30-day*  
24 *deadline; and, (B) to deadline.*

25 (ii) *To extend the 30-day period by not more than 15 days when*  
26 *the failure to meet the 30-day deadline was for good cause. For*

27 (B) *For purposes of this subdivision subparagraph (A), "good*  
28 *cause" means any of the following: (i) medical*

29 (i) *Medical emergencies of the evaluator or evaluator's family;*  
30 ~~(ii) death family.~~

31 (ii) *Death in the evaluator's family; or, (iii) natural family.*

32 (iii) *Natural disasters or other community catastrophes that*  
33 *interrupt the operation of the evaluator's business. The*

34 (C) *The administrative director shall develop timeframes*  
35 *governing availability of qualified medical evaluators for*  
36 *unrepresented employees under Sections 4061 and 4062. These*  
37 *timeframes shall give the employee the right to the addition of a*  
38 *new evaluator to his or her panel, selected at random, for each*  
39 *evaluator not available to see the employee within a specified*

1 period of time, but shall also permit the employee to waive this  
2 right for a specified period of time thereafter.

3 (2) Procedures to be followed by all physicians in evaluating  
4 the existence and extent of permanent impairment and limitations  
5 resulting from an injury *in a manner consistent with Section 4660*.  
6 ~~In order to produce complete, accurate, uniform, and replicable~~  
7 ~~evaluations, the procedures shall require that an evaluation of~~  
8 ~~anatomical loss, functional loss, and the presence of physical~~  
9 ~~complaints be supported, to the extent feasible, by medical~~  
10 ~~findings based on standardized examinations and testing~~  
11 ~~techniques generally accepted by the medical community.~~

12 (3) Procedures governing the determination of any disputed  
13 medical *treatment issues in a manner consistent with Section*  
14 *5307.27*.

15 (4) Procedures to be used in determining the compensability of  
16 psychiatric injury. The procedures shall be in accordance with  
17 Section 3208.3 and shall require that the diagnosis of a mental  
18 disorder be expressed using the terminology and criteria of the  
19 American Psychiatric Association's Diagnostic and Statistical  
20 Manual of Mental Disorders, Third Edition-Revised, or the  
21 terminology and diagnostic criteria of other psychiatric diagnostic  
22 manuals generally approved and accepted nationally by  
23 practitioners in the field of psychiatric medicine.

24 (5) Guidelines for the range of time normally required to  
25 perform the following:

26 (A) A medical-legal evaluation that has not been defined and  
27 valued pursuant to Section 5307.6. The guidelines shall establish  
28 minimum times for patient contact in the conduct of the  
29 evaluations, and shall be consistent with regulations adopted  
30 pursuant to Section 5307.6.

31 (B) Any treatment procedures that have not been defined and  
32 valued pursuant to Section 5307.1.

33 (C) Any other evaluation procedure requested by the Insurance  
34 Commissioner, or deemed appropriate by the administrative  
35 director.

36 (6) Any additional medical or professional standards that a  
37 medical evaluator shall meet as a condition of appointment,  
38 reappointment, or maintenance in the status of a medical evaluator.

39 (k) Except as provided in this subdivision, the administrative  
40 director may, in his or her discretion, suspend or terminate the

1 privilege of a physician to serve as a qualified medical evaluator  
2 if the administrative director, after hearing pursuant to subdivision  
3 (l), determines, based on substantial evidence, that a qualified  
4 medical evaluator:

5 (1) Has violated any material statutory or administrative duty.

6 (2) Has failed to follow the medical procedures or  
7 qualifications established pursuant to paragraph (2), (3), (4), or (5)  
8 of subdivision (j).

9 (3) Has failed to comply with the timeframe standards  
10 established pursuant to subdivision (j).

11 (4) Has failed to meet the requirements of subdivision (b) or  
12 (c).

13 (5) Has prepared medical-legal evaluations that fail to meet the  
14 minimum standards for those reports established by the  
15 administrative director or the appeals board.

16 (6) Has made material misrepresentations or false statements in  
17 an application for appointment or reappointment as a qualified  
18 medical evaluator.

19 No hearing shall be required prior to the suspension or  
20 termination of a physician's privilege to serve as a qualified  
21 medical evaluator when the physician has done either of the  
22 following:

23 (A) Failed to timely pay the fee required pursuant to  
24 subdivision (n).

25 (B) Had his or her license to practice in California suspended  
26 by the relevant licensing authority so as to preclude practice, or had  
27 the license revoked or terminated by the licensing authority.

28 (l) The administrative director shall cite the qualified medical  
29 evaluator for a violation listed in subdivision (k) and shall set a  
30 hearing on the alleged violation within 30 days of service of the  
31 citation on the qualified medical evaluator. In addition to the  
32 authority to terminate or suspend the qualified medical evaluator  
33 upon finding a violation listed in subdivision (k), the  
34 administrative director may, in his or her discretion, place a  
35 qualified medical evaluator on probation subject to appropriate  
36 conditions, including ordering continuing education or training.  
37 The administrative director shall report to the appropriate  
38 licensing board the name of any qualified medical evaluator who  
39 is disciplined pursuant to this subdivision.

1 (m) The administrative director shall terminate from the list of  
2 medical evaluators any physician where licensure has been  
3 terminated by the relevant licensing board, or who has been  
4 convicted of a misdemeanor or felony related to the conduct of his  
5 or her medical practice, or of a crime of moral turpitude. The  
6 administrative director shall suspend or terminate as a medical  
7 evaluator any physician who has been suspended or placed on  
8 probation by the relevant licensing board. If a physician is  
9 suspended or terminated as a qualified medical evaluator under  
10 this subdivision, a report prepared by the physician that is not  
11 complete, signed, and furnished to one or more of the parties prior  
12 to the date of conviction or action of the licensing board,  
13 whichever is earlier, shall not be admissible in any proceeding  
14 before the appeals board nor shall there be any liability for  
15 payment for the report and any expense incurred by the physician  
16 in connection with the report.

17 (n) Each qualified medical evaluator shall pay a fee, as  
18 determined by the administrative director, for appointment or  
19 reappointment. These fees shall be based on a sliding scale as  
20 established by the administrative director. All revenues from fees  
21 paid under this subdivision shall be deposited into the Workers'  
22 Compensation Administration Revolving Fund and are available  
23 for expenditure upon appropriation by the Legislature, and shall  
24 not be used by any other department or agency or for any purpose  
25 other than administration of the programs the Division of  
26 Workers' Compensation related to the provision of medical  
27 treatment to injured employees.

28 (o) An evaluator may not request or accept any compensation  
29 or other thing of value from any source that does or could create  
30 a conflict with his or her duties as an evaluator under this code. The  
31 administrative director, after consultation with the Commission on  
32 Health and Safety and Workers' Compensation, shall adopt  
33 regulations to implement this subdivision.

34 *SEC. 3. Section 139.48 of the Labor Code is amended to read:*

35 139.48. (a) (1) The administrative director shall establish  
36 the Return-to-Work Program in order to promote the early and  
37 sustained return to work of the employee following a work-related  
38 injury or illness.

39 (2) *This section shall be implemented to the extent funds are*  
40 *available.*

1 (b) Upon submission by *eligible* employers of documentation  
2 in accordance with regulations adopted pursuant to subdivision  
3 (h), the administrative director shall pay the ~~wage reimbursement,~~  
4 ~~workplace modification expense reimbursement, and premium~~  
5 ~~reimbursement~~ allowed under this section.

6 ~~(c) Any employer, except the state or an employer eligible to~~  
7 ~~secure the payment of compensation pursuant to subdivision (c) of~~  
8 ~~Section 3700, may apply for a reimbursement for wages paid to an~~  
9 ~~employee who has returned to modified or alternative work, as~~  
10 ~~defined in paragraphs (5) and (6) of subdivision (a) of Section~~  
11 ~~4644, with the employer during the period the employee is~~  
12 ~~temporarily disabled from his or her employment in accordance~~  
13 ~~with all of the following:~~

14 ~~(1) The reimbursement shall be allowed for up to 50 percent of~~  
15 ~~wages paid to the employee.~~

16 ~~(2) The reimbursement shall be allowed for a period of no more~~  
17 ~~than 90 days, or until the employee is released to the full duties of~~  
18 ~~his or her usual occupation, or until the employee's condition~~  
19 ~~becomes permanent and stationary, whichever occurs first.~~

20 ~~(3) The modified or alternative work is compatible with the~~  
21 ~~employee's documented work restrictions imposed by the treating~~  
22 ~~physician as a result of the work injury or illness.~~

23 ~~(4) The reimbursement shall be paid from the Workers'~~  
24 ~~Compensation Return-to-Work Fund, created in subdivision (i), as~~  
25 ~~a reimbursement to the employer after submission of~~  
26 ~~documentation of eligibility and wages paid.~~

27 ~~(d) The administrative director shall reimburse an *eligible*~~  
28 ~~employer for expenses incurred to make workplace modifications~~  
29 ~~to accommodate the employee's return to modified or alternative~~  
30 ~~work, as follows:~~

31 (1) The maximum reimbursement to an *eligible* employer for  
32 expenses to accommodate each temporarily disabled injured  
33 worker is one thousand two hundred fifty dollars (\$1,250).

34 (2) The maximum reimbursement to an *eligible* employer for  
35 expenses to accommodate each permanently disabled worker who  
36 is a qualified injured worker is two thousand five hundred dollars  
37 (\$2,500). If the employer received reimbursement under  
38 paragraph (1), the amount of the reimbursement under paragraph  
39 (1) and this paragraph shall not exceed two thousand five hundred  
40 dollars (\$2,500).

1 (3) The modification expenses shall be incurred in order to  
2 allow a temporarily disabled worker to perform modified or  
3 alternative work within physician-imposed temporary work  
4 restrictions, or to allow a permanently disabled worker who is a  
5 ~~qualified~~ *an* injured worker to return to sustained modified or  
6 alternative employment with the employer within  
7 physician-imposed permanent work restrictions.

8 (4) Allowable expenses may include physical modifications to  
9 the worksite, equipment, devices, furniture, tools, or other  
10 necessary costs for accommodation of the employee's restrictions.

11 ~~(e) (1) An insured employer may apply to the administrative~~  
12 ~~director for reimbursement of workers' compensation insurance~~  
13 ~~premiums attributable to the sustained employment of a qualified~~  
14 ~~injured worker following the period for premium rebate provided~~  
15 ~~in subdivision (a) of Section 4638. The reimbursement shall be~~  
16 ~~equal to the standard premium computed on the wages paid by the~~  
17 ~~employer to the qualified injured worker during each 12-month~~  
18 ~~period.~~

19 ~~(2) An employer that employs 100 or fewer employees on the~~  
20 ~~date of injury may be reimbursed for 100 percent of the workers'~~  
21 ~~compensation insurance premium paid for the employee for up to~~  
22 ~~two years. An employer that employs more than 100 employees on~~  
23 ~~the date of injury may be reimbursed for 50 percent of the workers'~~  
24 ~~compensation insurance premium paid for the employee for up to~~  
25 ~~two years. The period subject to premium reimbursement shall~~  
26 ~~begin on the first day after the end of the 12-month period for~~  
27 ~~premium rebate provided in subdivision (a) of Section 4638 and~~  
28 ~~shall continue for a maximum of two years.~~

29 ~~(3) The premium reimbursement shall be paid to the employer~~  
30 ~~annually after each consecutive period of 12 months, provided that~~  
31 ~~the qualified injured worker continues modified or alternative~~  
32 ~~employment with that employer in a regular position that pays at~~  
33 ~~least 85 percent of the employee's pre-injury wages and~~  
34 ~~compensation.~~

35 ~~(f)–~~

36 (d) This section shall not create a preference in employment for  
37 injured employees over noninjured employees. It shall be  
38 unlawful for an employer to discriminatorily terminate, lay off,  
39 demote, or otherwise displace an employee in order to return an  
40 industrially injured employee to employment for the purpose of

1 obtaining the reimbursement set forth in ~~subdivisions~~ *subdivision*  
2 (c), ~~(d), or (e)~~.

3 ~~(g)~~

4 (e) For purposes of this section, ~~“employee”~~ *the following*  
5 *definitions apply:*

6 (1) *“Eligible employer” means any employer, except the state*  
7 *or an employer eligible to secure the payment of compensation*  
8 *pursuant to subdivision (c) of Section 3700, who employs 50 or*  
9 *fewer full-time employees on the date of injury.*

10 (2) *“Employee” means a worker who has suffered a*  
11 *work-related injury or illness on or after July 1, 2004.*

12 ~~(h)~~

13 (f) The administrative director shall adopt regulations to carry  
14 out this section. Regulations allocating budget funds that are  
15 insufficient to implement the ~~maximum wage reimbursement,~~  
16 ~~workplace modification expense reimbursement, and premium~~  
17 ~~reimbursement~~ provided for in this section shall include a  
18 prioritization schema ~~according to which employers with less than~~  
19 ~~100 employees shall be given preference in the allocation of those~~  
20 ~~funds.~~

21 ~~(i)~~

22 (g) The Workers’ Compensation Return-to-Work Fund is  
23 hereby created as a special fund in the State Treasury. *The fund*  
24 *shall consist of all penalties collected pursuant to Section 5814.6*  
25 *and transfers made by the administrative director from the*  
26 *Workers’ Compensation Administration Revolving Fund*  
27 *established pursuant to Section 62.5. The fund shall be*  
28 *administered by the administrative director. Moneys in the fund*  
29 *may be expended by the administrative director, upon*  
30 *appropriation by the Legislature, only for purposes of*  
31 *implementing this section. ~~The unencumbered balance remaining~~*  
32 *in the fund as of January 1, 2009, shall revert to the General Fund.*

33 ~~(j)~~

34 (h) This section shall be operative on July 1, 2004.

35 ~~(k) This section shall not be implemented unless and until funds~~  
36 ~~are appropriated by the Legislature for this purpose in the annual~~  
37 ~~Budget Act or other statute commencing with the 2004–05 fiscal~~  
38 ~~year.~~

39 ~~(l)~~

1 (i) This section shall remain in effect only until January 1,  
2 2009, and as of that date is repealed, unless a later enacted statute,  
3 that is enacted before January 1, 2009, deletes or extends that date.

4 *SEC. 4. Section 139.5 of the Labor Code is repealed.*

5 ~~139.5.—(a) Except as provided in Section 4658.6, if the injury~~  
6 ~~causes permanent partial disability and the injured employee does~~  
7 ~~not return to work for the employer within 60 days of the~~  
8 ~~termination of temporary disability, the injured employee shall be~~  
9 ~~eligible for a supplemental job displacement benefit in the form of~~  
10 ~~a nontransferable voucher for education-related retraining or skill~~  
11 ~~enhancement, or both, at state approved or accredited schools, as~~  
12 ~~follows:~~

13 ~~(1) Up to four thousand dollars (\$4,000) for permanent partial~~  
14 ~~disability awards of less than 15 percent.~~

15 ~~(2) Up to six thousand dollars (\$6,000) for permanent partial~~  
16 ~~disability awards between 15 and 25 percent.~~

17 ~~(3) Up to eight thousand dollars (\$8,000) for permanent partial~~  
18 ~~disability awards between 26 and 49 percent.~~

19 ~~(4) Up to ten thousand dollars (\$10,000) for permanent partial~~  
20 ~~disability awards between 50 and 99 percent.~~

21 ~~(b) The voucher may be used for payment of tuition, fees,~~  
22 ~~books, and other expenses required by the school for retraining or~~  
23 ~~skill enhancement. No more than 10 percent of the voucher~~  
24 ~~moneys may be used for vocational or return to work counseling.~~  
25 ~~The administrative director shall adopt regulations governing the~~  
26 ~~form of payment, direct reimbursement to the injured employee~~  
27 ~~upon presentation to the employer of appropriate documentation~~  
28 ~~and receipts, and any other matters necessary to the proper~~  
29 ~~administration of the supplemental job displacement benefit.~~

30 ~~(c) Within 10 days of the last payment of temporary disability~~  
31 ~~the employer shall provide to the employee in the form and manner~~  
32 ~~prescribed by the administrative director information that~~  
33 ~~provides notice of rights under this section. This notice shall be~~  
34 ~~sent by certified mail.~~

35 ~~(d) This section shall apply to injuries occurring on or after~~  
36 ~~January 1, 2004.~~

37 *SEC. 5. Section 139.5 is added to the Labor Code, to read:*

38 *139.5. (a) The administrative director shall establish a*  
39 *vocational rehabilitation unit, which shall include appropriate*  
40 *professional staff, and which shall have all of the following duties:*

1 (1) To foster, review, and approve vocational rehabilitation  
2 plans developed by a qualified rehabilitation representative of the  
3 employer, insurer, state agency, or employee. Plans agreed to by  
4 the employer and employee do not require approval by the  
5 vocational rehabilitation unit unless the employee is  
6 unrepresented.

7 (2) To develop rules and regulations, to be adopted by the  
8 administrative director, providing for a procedure in which an  
9 employee may waive the services of a qualified rehabilitation  
10 representative where the employee has been enrolled and made  
11 substantial progress toward completion of a degree or certificate  
12 from a community college, California State University, or the  
13 University of California and desires a plan to complete the degree  
14 or certificate. These rules and regulations shall provide that this  
15 waiver, as well as any plan developed without the assistance of a  
16 qualified rehabilitation representative, must be approved by the  
17 rehabilitation unit.

18 (3) To develop rules and regulations, to be adopted by the  
19 administrative director, which would expedite and facilitate the  
20 identification, notification, and referral of industrially injured  
21 employees to vocational rehabilitation services.

22 (4) To coordinate and enforce the implementation of vocational  
23 rehabilitation plans.

24 (5) To develop a fee schedule, to be adopted by the  
25 administrative director, governing reasonable fees for vocational  
26 rehabilitation services provided on and after January 1, 1991. The  
27 initial fee schedule adopted under this paragraph shall be  
28 designed to reduce the cost of vocational rehabilitation services by  
29 10 percent from the level of fees paid during 1989. On or before  
30 July 1, 1994, the administrative director shall establish the  
31 maximum aggregate permissible fees that may be charged for  
32 counseling. Those fees shall not exceed four thousand five hundred  
33 dollars (\$4,500) and shall be included within the sixteen thousand  
34 dollar (\$16,000) cap. The fee schedule shall permit up to (A) three  
35 thousand dollars (\$3,000) for vocational evaluation, evaluation of  
36 vocational feasibility, initial interview, vocational testing,  
37 counseling and research for plan development, and preparation of  
38 the Division of Workers' Compensation Form 102, and (B) three  
39 thousand five hundred dollars (\$3,500) for plan monitoring, job  
40 seeking skills, and job placement research and counseling.

1 *However, in no event shall the aggregate of (A) and (B) exceed four*  
2 *thousand five hundred dollars (\$4,500).*

3 *(6) To develop standards, to be adopted by the administrative*  
4 *director, for governing the timeliness and the quality of vocational*  
5 *rehabilitation services.*

6 *(b) The salaries of the personnel of the vocational*  
7 *rehabilitation unit shall be fixed by the Department of Personnel*  
8 *Administration.*

9 *(c) When an employee is determined to be medically eligible*  
10 *and chooses to participate in a vocational rehabilitation program,*  
11 *he or she shall continue to receive temporary disability indemnity*  
12 *payments only until his or her medical condition becomes*  
13 *permanent and stationary and, thereafter, may receive a*  
14 *maintenance allowance. Rehabilitation maintenance allowance*  
15 *payments shall begin after the employee's medical condition*  
16 *becomes permanent and stationary, upon a request for vocational*  
17 *rehabilitation services. Thereafter, the maintenance allowance*  
18 *shall be paid for a period not to exceed 52 weeks in the aggregate,*  
19 *except where the overall cap on vocational rehabilitation services*  
20 *can be exceeded under this section or former Section 4642 or*  
21 *subdivision (d) or (e) of former Section 4644.*

22 *The employee also shall receive additional living expenses*  
23 *necessitated by the vocational rehabilitation services, together*  
24 *with all reasonable and necessary vocational training, at the*  
25 *expense of the employer, but in no event shall the expenses,*  
26 *counseling fees, training, maintenance allowance, and costs*  
27 *associated with, or arising out of, vocational rehabilitation*  
28 *services incurred after the employee's request for vocational*  
29 *rehabilitation services, except temporary disability payments,*  
30 *exceed sixteen thousand dollars (\$16,000). The administrative*  
31 *director shall adopt regulations to ensure that the continued*  
32 *receipt of vocational rehabilitation maintenance allowance*  
33 *benefits is dependent upon the injured worker's regular and*  
34 *consistent attendance at, and participation in, his or her*  
35 *vocational rehabilitation program.*

36 *(d) The amount of the maintenance allowance due under*  
37 *subdivision (c) shall be two-thirds of the employee's average*  
38 *weekly earnings at the date of injury payable as follows:*

39 *(1) The amount the employee would have received as*  
40 *continuing temporary disability indemnity, but not more than two*

1 hundred forty-six dollars (\$246) a week for injuries occurring on  
2 or after January 1, 1990.

3 (2) At the employee's option, an additional amount from  
4 permanent disability indemnity due or payable, sufficient to  
5 provide the employee with a maintenance allowance equal to  
6 two-thirds of the employee's average weekly earnings at the date  
7 of injury subject to the limits specified in subdivision (a) of Section  
8 4453 and the requirements of Section 4661.5. In no event shall  
9 temporary disability indemnity and maintenance allowance be  
10 payable concurrently.

11 If the employer disputes the treating physician's determination  
12 of medical eligibility, the employee shall continue to receive that  
13 portion of the maintenance allowance payable under paragraph  
14 (1) pending final determination of the dispute. If the employee  
15 disputes the treating physician's determination of medical  
16 eligibility and prevails, the employee shall be entitled to that  
17 portion of the maintenance allowance payable under paragraph  
18 (1) retroactive to the date of the employee's request for vocational  
19 rehabilitation services. These payments shall not be counted  
20 against the maximum expenditures for vocational rehabilitation  
21 services provided by this section.

22 (e) No provision of this section nor of any rule, regulation, or  
23 vocational rehabilitation plan developed or adopted under this  
24 section nor any benefit provided pursuant to this section shall  
25 apply to an injured employee whose injury occurred prior to  
26 January 1, 1975. Nothing in this section shall affect any plan,  
27 benefit, or program authorized by this section as added by Chapter  
28 1513 of the Statutes of 1965 or as amended by Chapter 83 of the  
29 Statutes of 1972.

30 (f) The time within which an employee may request vocational  
31 rehabilitation services is set forth in former Section 5405.5 and  
32 Sections 5410 and 5803.

33 (g) An offer of a job within state service to a state employee in  
34 State Bargaining Unit 1, 4, 15, 18, or 20 at the same or similar  
35 salary and the same or similar geographic location is a prima facie  
36 offer of vocational rehabilitation under this statute.

37 (h) It shall be unlawful for a qualified rehabilitation  
38 representative or rehabilitation counselor to refer any employee to  
39 any work evaluation facility or to any education or training  
40 program if the qualified rehabilitation representative or

1 *rehabilitation counselor, or a spouse, employer, co-employee, or*  
2 *any party with whom he or she has entered into contract, express*  
3 *or implied, has any proprietary interest in or contractual*  
4 *relationship with the work evaluation facility or education or*  
5 *training program. It shall also be unlawful for any insurer to refer*  
6 *any injured worker to any rehabilitation provider or facility if the*  
7 *insurer has a proprietary interest in the rehabilitation provider or*  
8 *facility or for any insurer to charge against any claim for the*  
9 *expenses of employees of the insurer to provide vocational*  
10 *rehabilitation services unless those expenses are disclosed to the*  
11 *insured and agreed to in advance.*

12 *(i) Any charges by an insurer for the activities of an employee*  
13 *who supervises outside vocational rehabilitation services shall not*  
14 *exceed the vocational rehabilitation fee schedule, and shall not be*  
15 *counted against the overall cap for vocational rehabilitation or the*  
16 *limit on counselor's fees provided for in this section. These charges*  
17 *shall be attributed as expenses by the insurer and not losses for*  
18 *purposes of insurance rating pursuant to Article 2 (commencing*  
19 *with Section 11730) of Chapter 3 of Part 3 of Division 2 of the*  
20 *Insurance Code.*

21 *(j) Any costs of an employer of supervising vocational*  
22 *rehabilitation services shall not be counted against the overall cap*  
23 *for vocational rehabilitation or the limit on counselor's fees*  
24 *provided for in this section.*

25 *(k) This section shall apply only to injuries occurring before*  
26 *January 1, 2004.*

27 *(l) This section shall remain in effect only until January 1,*  
28 *2009, and as of that date is repealed, unless a later enacted statute,*  
29 *that is enacted before January 1, 2009, deletes or extends that date.*

30 *SEC. 5.5. Section 2699 of the Labor Code is amended to read:*

31 2699. (a) Notwithstanding any other provision of law, any  
32 provision of this code that provides for a civil penalty to be  
33 assessed and collected by the Labor and Workforce Development  
34 Agency or any of its departments, divisions, commissions, boards,  
35 agencies, or employees, for a violation of this code, may, as an  
36 alternative, be recovered through a civil action brought by an  
37 aggrieved employee on behalf of himself or herself and other  
38 current or former employees.

39 (b) For purposes of this part, "person" has the same meaning  
40 as defined in Section 18.

1 (c) For purposes of this part, “aggrieved employee” means any  
2 person who was employed by the alleged violator and against  
3 whom one or more of the alleged violations was committed.

4 (d) For purposes of this part, whenever the Labor and  
5 Workforce Development Agency, or any of its departments,  
6 divisions, commissions, boards, agencies, or employees has  
7 discretion to assess a civil penalty, a court is authorized to exercise  
8 the same discretion, subject to the same limitations and conditions,  
9 to assess a civil penalty.

10 (e) For all provisions of this code except those for which a civil  
11 penalty is specifically provided, there is established a civil penalty  
12 for a violation of these provisions, as follows:

13 (1) If, at the time of the alleged violation, the person does not  
14 employ one or more employees, the civil penalty is five hundred  
15 dollars (\$500).

16 (2) If, at the time of the alleged violation, the person employs  
17 one or more employees, the civil penalty is one hundred dollars  
18 (\$100) for each aggrieved employee per pay period for the initial  
19 violation and two hundred dollars (\$200) for each aggrieved  
20 employee per pay period for each subsequent violation.

21 (3) If the alleged violation is a failure to act by the Labor and  
22 Workplace Development Agency, or any of its departments,  
23 divisions, commissions, boards, agencies, or employees, there  
24 shall be no civil penalty.

25 (f) An aggrieved employee may recover the civil penalty  
26 described in subdivision (e) in a civil action filed on behalf of  
27 himself or herself and other current or former employees against  
28 whom one or more of the alleged violations was committed. Any  
29 employee who prevails in any action shall be entitled to an award  
30 of reasonable attorney’s fees and costs. Nothing in this section  
31 shall operate to limit an employee’s right to pursue other remedies  
32 available under state or federal law, either separately or  
33 concurrently with an action taken under this section.

34 (g) No action may be maintained under this section by an  
35 aggrieved employee if the agency or any of its departments,  
36 divisions, commissions, boards, agencies, or employees, on the  
37 same facts and theories, cites a person for a violation of the same  
38 section or sections of the Labor Code under which the aggrieved  
39 employee is attempting to recover a civil penalty on behalf of

1 himself or herself or others or initiates a proceeding pursuant to  
2 Section 98.3.

3 (h) Except as provided in subdivision (i), civil penalties  
4 recovered by aggrieved employees shall be distributed as follows:  
5 50 percent to the General Fund, 25 percent to the Labor and  
6 Workforce Development Agency for education of employers and  
7 employees about their rights and responsibilities under this code,  
8 available for expenditure upon appropriation by the Legislature,  
9 and 25 percent to the aggrieved employees.

10 (i) Civil penalties recovered under paragraph (1) of subdivision  
11 (e) shall be distributed as follows: 50 percent to the General Fund  
12 and 50 percent to the Labor and Workforce Development Agency  
13 available for expenditure upon appropriation by the Legislature.

14 (j) Nothing contained in this part is intended to alter or  
15 otherwise affect the exclusive remedy provided by the workers'  
16 compensation provisions of this code for liability against an  
17 employer for the compensation for any injury to or death of an  
18 employee arising out of and in the course of employment.

19 (k) *This section shall not apply to the recovery of administrative*  
20 *and civil penalties in connection with the workers' compensation*  
21 *law as contained in Division 1 (commencing with Section 50) and*  
22 *Division 4 (commencing with Section 3200), including, but not*  
23 *limited to, Sections 129.5 and 132a.*

24 SEC. 6. *Section 3201.5 of the Labor Code is amended to read:*

25 3201.5. (a) Except as provided in subdivisions (b) and (c),  
26 the Department of Industrial Relations and the courts of this state  
27 shall recognize as valid and binding any provision in a collective  
28 bargaining agreement between a private employer or groups of  
29 employers engaged in construction, construction maintenance, or  
30 activities limited to rock, sand, gravel, cement and asphalt  
31 operations, heavy-duty mechanics, surveying, and construction  
32 inspection and a union that is the recognized or certified exclusive  
33 bargaining representative that establishes any of the following:

34 (1) An alternative dispute resolution system governing  
35 disputes between employees and employers or their insurers that  
36 supplements or replaces all or part of those dispute resolution  
37 processes contained in this division, including, but not limited to,  
38 mediation and arbitration. Any system of arbitration shall provide  
39 that the decision of the arbiter or board of arbitration is subject to  
40 review by the appeals board in the same manner as provided for

1 reconsideration of a final order, decision, or award made and filed  
2 by a workers' compensation administrative law judge pursuant to  
3 the procedures set forth in Article 1 (commencing with Section  
4 5900) of Chapter 7 of Part 4 of Division 4, and the court of appeals  
5 pursuant to the procedures set forth in Article 2 (commencing with  
6 Section 5950) of Chapter 7 of Part 4 of Division 4, governing  
7 orders, decisions, or awards of the appeals board. The findings of  
8 fact, award, order, or decision of the arbitrator shall have the same  
9 force and effect as an award, order, or decision of a workers'  
10 compensation administrative law judge. Any provision for  
11 arbitration established pursuant to this section shall not be subject  
12 to Sections 5270, 5270.5, 5271, 5272, 5273, 5275, and 5277.

13 (2) The use of an agreed list of providers of medical treatment  
14 that may be the exclusive source of all medical treatment provided  
15 under this division.

16 (3) The use of an agreed, limited list of qualified medical  
17 evaluators and agreed medical evaluators that may be the  
18 exclusive source of qualified medical evaluators and agreed  
19 medical evaluators under this division.

20 (4) Joint labor management safety committees.

21 (5) A light-duty, modified job or return-to-work program.

22 (6) A vocational rehabilitation or retraining program utilizing  
23 an agreed list of providers of rehabilitation services that may be the  
24 exclusive source of providers of rehabilitation services under this  
25 division.

26 (b) (1) Nothing in this section shall allow a collective  
27 bargaining agreement that diminishes the entitlement of an  
28 employee to compensation payments for total or partial disability,  
29 temporary disability, vocational rehabilitation, or medical  
30 treatment fully paid by the employer as otherwise provided in this  
31 division. The portion of any agreement that violates this  
32 ~~subdivision~~ paragraph shall be declared null and void.

33 (2) *The parties may negotiate any aspect of the delivery of*  
34 *medical benefits and the delivery of disability compensation to*  
35 *employees of the employer or group of employers that are eligible*  
36 *for group health benefits and nonoccupational disability benefits*  
37 *through their employer.*

38 (c) Subdivision (a) shall apply only to the following:

39 (1) An employer developing or projecting an annual workers'  
40 compensation insurance premium, in California, of two hundred

1 fifty thousand dollars (\$250,000) or more, or any employer that  
2 paid an annual workers' compensation insurance premium, in  
3 California, of two hundred fifty thousand dollars (\$250,000) in at  
4 least one of the previous three years.

5 (2) Groups of employers engaged in a workers' compensation  
6 safety group complying with Sections 11656.6 and 11656.7 of the  
7 Insurance Code, and established pursuant to a joint labor  
8 management safety committee or committees, that develops or  
9 projects annual workers' compensation insurance premiums of  
10 two million dollars (\$2,000,000) or more.

11 (3) Employers or groups of employers that are self-insured in  
12 compliance with Section 3700 that would have projected annual  
13 workers' compensation costs that meet the requirements of, and  
14 that meet the other requirements of, paragraph (1) in the case of  
15 employers, or paragraph (2) in the case of groups of employers.

16 (4) Employers covered by an owner or general contractor  
17 provided wrap-up insurance policy applicable to a single  
18 construction site that develops workers' compensation insurance  
19 premiums of two million dollars (\$2,000,000) or more with  
20 respect to those employees covered by that wrap-up insurance  
21 policy.

22 (d) Employers and labor representatives who meet the  
23 eligibility requirements of this section shall be issued a letter by the  
24 administrative director advising each employer and labor  
25 representative that, based upon the review of all documents and  
26 materials submitted as required by the administrative director,  
27 each has met the eligibility requirements of this section.

28 (e) The premium rate for a policy of insurance issued pursuant  
29 to this section shall not be subject to the requirements of Section  
30 11732 or 11732.5 of the Insurance Code.

31 (f) No employer may establish or continue a program  
32 established under this section until it has provided the  
33 administrative director with all of the following:

34 (1) Upon its original application and whenever it is  
35 renegotiated thereafter, a copy of the collective bargaining  
36 agreement and the approximate number of employees who will be  
37 covered thereby.

38 (2) Upon its original application and annually thereafter, a  
39 valid and active license where that license is required by law as a

1 condition of doing business in the state within the industries set  
2 forth in subdivision (a) of Section 3201.5.

3 (3) Upon its original application and annually thereafter, a  
4 statement signed under penalty of perjury, that no action has been  
5 taken by any administrative agency or court of the United States  
6 to invalidate the collective bargaining agreement.

7 (4) The name, address, and telephone number of the contact  
8 person of the employer.

9 (5) Any other information that the administrative director  
10 deems necessary to further the purposes of this section.

11 (g) No collective bargaining representative may establish or  
12 continue to participate in a program established under this section  
13 unless all of the following requirements are met:

14 (1) Upon its original application and annually thereafter, it has  
15 provided to the administrative director a copy of its most recent  
16 LM-2 or LM-3 filing with the United States Department of Labor,  
17 along with a statement, signed under penalty of perjury, that the  
18 document is a true and correct copy.

19 (2) It has provided to the administrative director the name,  
20 address, and telephone number of the contact person or persons of  
21 the collective bargaining representative or representatives.

22 (h) Commencing July 1, 1995, and annually thereafter, the  
23 Division of Workers' Compensation shall report to the Director of  
24 the Department of Industrial Relations the number of collective  
25 bargaining agreements received and the number of employees  
26 covered by these agreements.

27 (i) By June 30, 1996, and annually thereafter, the  
28 Administrative Director of the Division of Workers'  
29 Compensation shall prepare and notify Members of the  
30 Legislature that a report authorized by this section is available  
31 upon request. The report based upon aggregate data shall include  
32 the following:

33 (1) Person hours and payroll covered by agreements filed.

34 (2) The number of claims filed.

35 (3) The average cost per claim shall be reported by cost  
36 components whenever practicable.

37 (4) The number of litigated claims, including the number of  
38 claims submitted to mediation, the appeals board, or the court of  
39 appeal.

1 (5) The number of contested claims resolved prior to  
2 arbitration.

3 (6) The projected incurred costs and actual costs of claims.

4 (7) Safety history.

5 (8) The number of workers participating in vocational  
6 rehabilitation.

7 (9) The number of workers participating in light-duty  
8 programs.

9 The division shall have the authority to require those employers  
10 and groups of employers listed in subdivision (c) to provide the  
11 data listed above.

12 (j) The data obtained by the administrative director pursuant to  
13 this section shall be confidential and not subject to public  
14 disclosure under any law of this state. However, the Division of  
15 Workers' Compensation shall create derivative works pursuant to  
16 subdivisions (h) and (i) based on the collective bargaining  
17 agreements and data. Those derivative works shall not be  
18 confidential, but shall be public. On a monthly basis the  
19 administrative director shall make available an updated list of  
20 employers and unions entering into collective bargaining  
21 agreements containing provisions authorized by this section.

22 *SEC. 7. Section 3201.7 of the Labor Code is amended to read:*

23 3201.7. (a) Except as provided in subdivision (b), the  
24 Department of Industrial Relations and the courts of this state shall  
25 recognize as valid and binding any labor-management agreement  
26 that meets all of the following requirements:

27 (1) The labor-management agreement has been negotiated  
28 separate and apart from any collective bargaining agreement  
29 covering affected employees.

30 (2) The labor-management agreement is restricted to the  
31 establishment of the terms and conditions necessary to implement  
32 this section.

33 (3) The labor-management agreement has been negotiated in  
34 accordance with the authorization of the administrative director  
35 pursuant to subdivision (d), between an employer or groups of  
36 employers and a union that is the recognized or certified exclusive  
37 bargaining representative that establishes any of the following:

38 (A) An alternative dispute resolution system governing  
39 disputes between employees and employers or their insurers that  
40 supplements or replaces all or part of those dispute resolution

1 processes contained in this division, including, but not limited to,  
2 mediation and arbitration. Any system of arbitration shall provide  
3 that the decision of the arbiter or board of arbitration is subject to  
4 review by the appeals board in the same manner as provided for  
5 reconsideration of a final order, decision, or award made and filed  
6 by a workers' compensation administrative law judge pursuant to  
7 the procedures set forth in Article 1 (commencing with Section  
8 5900) of Chapter 7 of Part 4 of Division 4, and the court of appeals  
9 pursuant to the procedures set forth in Article 2 (commencing with  
10 Section 5950) of Chapter 7 of Part 4 of Division 4, governing  
11 orders, decisions, or awards of the appeals board. The findings of  
12 fact, award, order, or decision of the arbitrator shall have the same  
13 force and effect as an award, order, or decision of a workers'  
14 compensation administrative law judge. Any provision for  
15 arbitration established pursuant to this section shall not be subject  
16 to Sections 5270, 5270.5, 5271, 5272, 5273, 5275, and 5277.

17 (B) The use of an agreed list of providers of medical treatment  
18 that may be the exclusive source of all medical treatment provided  
19 under this division.

20 (C) The use of an agreed, limited list of qualified medical  
21 evaluators and agreed medical evaluators that may be the  
22 exclusive source of qualified medical evaluators and agreed  
23 medical evaluators under this division.

24 (D) Joint labor management safety committees.

25 (E) A light-duty, modified job, or return-to-work program.

26 (F) A vocational rehabilitation or retraining program utilizing  
27 an agreed list of providers of rehabilitation services that may be the  
28 exclusive source of providers of rehabilitation services under this  
29 division.

30 (b) (1) Nothing in this section shall allow a labor-management  
31 agreement that diminishes the entitlement of an employee to  
32 compensation payments for total or partial disability, temporary  
33 disability, vocational rehabilitation, or medical treatment fully  
34 paid by the employer as otherwise provided in this division; nor  
35 shall any agreement authorized by this section deny to any  
36 employee the right to representation by counsel at all stages during  
37 the alternative dispute resolution process. The portion of any  
38 agreement that violates this ~~subdivision~~ *paragraph* shall be  
39 declared null and void.

1 (2) *The parties may negotiate any aspect of the delivery of*  
2 *medical benefits and the delivery of disability compensation to*  
3 *employees of the employer or group of employers that are eligible*  
4 *for group health benefits and nonoccupational disability benefits*  
5 *through their employer.*

6 (c) Subdivision (a) shall apply only to the following:

7 (1) An employer developing or projecting an annual workers'  
8 compensation insurance premium, in California, of fifty thousand  
9 dollars (\$50,000) or more, and employing at least 50 employees,  
10 or any employer that paid an annual workers' compensation  
11 insurance premium, in California, of fifty thousand dollars  
12 (\$50,000), and employing at least 50 employees in at least one of  
13 the previous three years.

14 (2) Groups of employers engaged in a workers' compensation  
15 safety group complying with Sections 11656.6 and 11656.7 of the  
16 Insurance Code, and established pursuant to a joint labor  
17 management safety committee or committees, that develops or  
18 projects annual workers' compensation insurance premiums of  
19 five hundred thousand dollars (\$500,000) or more.

20 (3) Employers or groups of employers, including cities and  
21 counties, that are self-insured in compliance with Section 3700  
22 that would have projected annual workers' compensation costs  
23 that meet the requirements of, and that meet the other requirements  
24 of, paragraph (1) in the case of employers, or paragraph (2) in the  
25 case of groups of employers.

26 (d) Any recognized or certified exclusive bargaining  
27 representative in an industry not covered by Section 3201.5, may  
28 file a petition with the administrative director seeking permission  
29 to negotiate with an employer or group of employers to enter into  
30 a labor-management agreement pursuant to this section. The  
31 petition shall specify the bargaining unit or units to be included,  
32 the names of the employers or groups of employers, and shall be  
33 accompanied by proof of the labor union's status as the exclusive  
34 bargaining representative. The current collective bargaining  
35 agreement or agreements shall be attached to the petition. The  
36 petition shall be in the form designated by the administrative  
37 director. Upon receipt of the petition, the administrative director  
38 shall promptly verify the petitioner's status as the exclusive  
39 bargaining representative. If the petition satisfies the requirements  
40 set forth in this subdivision, the administrative director shall issue

1 a letter advising each employer and labor representative of their  
2 eligibility to enter into negotiations, for a period not to exceed one  
3 year, for the purpose of reaching agreement on a  
4 labor-management agreement pursuant to this section. The parties  
5 may jointly request, and shall be granted, by the administrative  
6 director, an additional one-year period to negotiate an agreement.

7 (e) No employer may establish or continue a program  
8 established under this section until it has provided the  
9 administrative director with all of the following:

10 (1) Upon its original application and whenever it is  
11 renegotiated thereafter, a copy of the labor-management  
12 agreement and the approximate number of employees who will be  
13 covered thereby.

14 (2) Upon its original application and annually thereafter, a  
15 statement signed under penalty of perjury, that no action has been  
16 taken by any administrative agency or court of the United States  
17 to invalidate the labor-management agreement.

18 (3) The name, address, and telephone number of the contact  
19 person of the employer.

20 (4) Any other information that the administrative director  
21 deems necessary to further the purposes of this section.

22 (f) No collective bargaining representative may establish or  
23 continue to participate in a program established under this section  
24 unless all of the following requirements are met:

25 (1) Upon its original application and annually thereafter, it has  
26 provided to the administrative director a copy of its most recent  
27 LM-2 or LM-3 filing with the United States Department of Labor,  
28 where such filing is required by law, along with a statement, signed  
29 under penalty of perjury, that the document is a true and correct  
30 copy.

31 (2) It has provided to the administrative director the name,  
32 address, and telephone number of the contact person or persons of  
33 the collective bargaining representative or representatives.

34 (g) Commencing July 1, 2005, and annually thereafter, the  
35 Division of Workers' Compensation shall report to the Director of  
36 Industrial Relations the number of labor-management agreements  
37 received and the number of employees covered by these  
38 agreements.

39 (h) By June 30, 2006, and annually thereafter, the  
40 administrative director shall prepare and notify Members of the

1 Legislature that a report authorized by this section is available  
2 upon request. The report based upon aggregate data shall include  
3 the following:

- 4 (1) Person hours and payroll covered by agreements filed.
- 5 (2) The number of claims filed.
- 6 (3) The average cost per claim shall be reported by cost  
7 components whenever practicable.
- 8 (4) The number of litigated claims, including the number of  
9 claims submitted to mediation, the appeals board, or the court of  
10 appeal.
- 11 (5) The number of contested claims resolved prior to  
12 arbitration.
- 13 (6) The projected incurred costs and actual costs of claims.
- 14 (7) Safety history.
- 15 (8) The number of workers participating in vocational  
16 rehabilitation.
- 17 (9) The number of workers participating in light-duty  
18 programs.
- 19 (10) Overall worker satisfaction.

20 The division shall have the authority to require employers and  
21 groups of employers participating in labor-management  
22 agreements pursuant to this section to provide the data listed  
23 above.

24 (i) The data obtained by the administrative director pursuant to  
25 this section shall be confidential and not subject to public  
26 disclosure under any law of this state. However, the Division of  
27 Workers' Compensation shall create derivative works pursuant to  
28 subdivisions (f) and (g) based on the labor-management  
29 agreements and data. Those derivative works shall not be  
30 confidential, but shall be public. On a monthly basis, the  
31 administrative director shall make available an updated list of  
32 employers and unions entering into labor-management  
33 agreements authorized by this section.

34 *SEC. 8. Section 3201.9 of the Labor Code is amended to read:*

35 3201.9. (a) On or before June 30, 2004, and biannually  
36 thereafter, the report required in subdivision (i) of Section 3201.5  
37 and subdivision ~~(i)~~ (h) of Section 3201.7 shall include updated loss  
38 experience for all employers and groups of employers  
39 participating in a program established under those sections. The  
40 report shall include updated data on each item set forth in

1 subdivision (i) of Section 3201.5 and subdivision ~~(i)~~-(h) of Section  
2 3201.7 for the previous year for injuries in 2003 and beyond.  
3 Updates for each program shall be done for the original program  
4 year and for subsequent years. The insurers, the Department of  
5 Insurance, and the rating organization designated by the Insurance  
6 Commissioner pursuant to Article 3 (commencing with Section  
7 11750) of Chapter 3 of Part 3 of Division 2 of the Insurance Code,  
8 shall provide the administrative director with any information that  
9 the administrative director determines is reasonably necessary to  
10 conduct the study.

11 (b) Commencing on and after June 30, 2004, the Insurance  
12 Commissioner, or the commissioner's designee, shall prepare for  
13 inclusion in the report required in subdivision (i) of Section 3201.5  
14 and subdivision ~~(i)~~-(h) of Section 3201.7 a review of both of the  
15 following:

16 (1) The adequacy of rates charged for these programs,  
17 including the impact of scheduled credits and debits.

18 (2) The comparative results for these programs with other  
19 programs not subject to Section 3201.5 or Section 3201.7.

20 (c) Upon completion of the report, the administrative director  
21 shall report the findings to the Legislature, the Department of  
22 Insurance, the designated rating organization, and the programs  
23 and insurers participating in the study.

24 (d) The data obtained by the administrative director pursuant  
25 to this section shall be confidential and not subject to public  
26 disclosure under any law of this state.

27 *SEC. 9. Section 3202.5 of the Labor Code is amended to read:*

28 ~~3202.5. Nothing contained in Section 3202 shall be construed~~  
29 ~~as relieving a party or a lien claimant from meeting the evidentiary~~  
30 ~~burden of proof by a preponderance of the evidence. All parties~~  
31 ~~and lien claimants shall meet the evidentiary burden of proof on~~  
32 ~~all issues by a preponderance of the evidence in order that all~~  
33 ~~parties are considered equal before the law. "Preponderance of the~~  
34 ~~evidence" means such that evidence as that, when weighed with~~  
35 that opposed to it, has more convincing force and the greater  
36 probability of truth. When weighing the evidence, the test is not  
37 the relative number of witnesses, but the relative convincing force  
38 of the evidence.

39 *SEC. 10. Section 3207 of the Labor Code is amended to read:*

1 3207. “Compensation” means compensation under ~~Division~~  
2 ~~4 this division~~ and includes every benefit or payment conferred by  
3 ~~Division 4 this division~~ upon an injured employee, ~~including~~  
4 ~~vocational rehabilitation~~, or in the event of his *or her* death, upon  
5 his *or her* dependents, without regard to negligence.

6 *SEC. 11. Section 3823 of the Labor Code is amended to read:*

7 3823. (a) The administrative director shall, in coordination  
8 with the Bureau of Fraudulent Claims of the Department of  
9 Insurance, the Medi-Cal Fraud Task Force, and the Bureau of  
10 Medi-Cal Fraud and Elder Abuse of the Department of Justice, *or*  
11 *their successor entities*, adopt protocols, to the extent that these  
12 protocols are applicable to achieve the purpose of subdivision (b),  
13 similar to those adopted by the Department of Insurance  
14 concerning medical billing and provider fraud.

15 (b) Any insurer, self-insured employer, third-party  
16 administrator, workers’ compensation administrative law judge,  
17 audit unit, attorney, or other person that believes that a fraudulent  
18 claim has been made by any person or entity providing medical  
19 care, as described in Section 4600, shall report the apparent  
20 fraudulent claim in the manner prescribed by subdivision (a).

21 (c) *No insurer, self-insured employer, third-party*  
22 *administrator, workers’ compensation administrative law judge,*  
23 *audit unit, attorney, or other person that reports any apparent*  
24 *fraudulent claim under this section shall be subject to any civil*  
25 *liability in a cause of action of any kind when the insurer,*  
26 *self-insured employer, third-party administrator, workers’*  
27 *compensation administrative law judge, audit unit, attorney, or*  
28 *other person acts in good faith, without malice, and reasonably*  
29 *believes that the action taken was warranted by the known facts,*  
30 *obtained by reasonable efforts. Nothing in this section is intended*  
31 *to, nor does in any manner, abrogate or lessen the existing common*  
32 *law or statutory privileges and immunities of any insurer,*  
33 *self-insured employer, third-party administrator, workers’*  
34 *compensation administrative law judge, audit unit, attorney, or*  
35 *other person.*

36 *SEC. 12. Section 4060 of the Labor Code is amended to read:*

37 4060. (a) This section shall apply to disputes over the  
38 compensability of any injury. This section shall not apply where  
39 injury to any part or parts of the body is accepted as compensable  
40 by the employer.

1 (b) Neither the employer nor the employee shall be liable for  
2 any comprehensive medical-legal evaluation performed by other  
3 than the treating physician ~~either in whole or in part on behalf of~~  
4 ~~the employee prior to the filing of a claim form and prior to the~~  
5 ~~time the claim is denied or becomes presumptively compensable~~  
6 ~~under Section 5402, except as provided in this section.~~ However,  
7 reports of treating physicians shall be admissible.

8 (c) If a medical evaluation is required to determine  
9 compensability at any time after the ~~period specified in~~  
10 ~~subdivision (b) filing of the claim form,~~ and the employee is  
11 represented by an attorney, ~~each party may select a qualified~~  
12 ~~medical evaluator to conduct a comprehensive medical-legal~~  
13 ~~evaluation. Neither party may obtain more than one~~  
14 ~~comprehensive medical-legal report, provided, however, that any~~  
15 ~~party may obtain additional reports at their own expense. The~~  
16 ~~parties may, at any time, agree on one medical evaluator to~~  
17 ~~evaluate the issues in dispute a medical evaluation to determine~~  
18 ~~compensability shall be obtained only by the procedure provided~~  
19 ~~in Section 4062.2.~~

20 (d) If a medical evaluation is required to determine  
21 compensability at any time after the ~~period specified in~~  
22 ~~subdivision (b) claim form is filed,~~ and the employee is not  
23 represented by an attorney, ~~the employer shall not seek agreement~~  
24 ~~with the employee on a physician to prepare a comprehensive~~  
25 ~~medical-legal evaluation. The employee may select a qualified~~  
26 ~~medical evaluator to prepare a comprehensive medical-legal~~  
27 ~~evaluation. The division shall assist unrepresented employees, and~~  
28 ~~shall make available to them the list of medical evaluators~~  
29 ~~compiled under Section 139.2. Neither party may obtain more than~~  
30 ~~one comprehensive medical-legal report, provided, however, that~~  
31 ~~any party may obtain additional reports at their own expense. If an~~  
32 ~~employee has received a comprehensive medical-legal evaluation~~  
33 ~~under this subdivision, and he or she later becomes represented by~~  
34 ~~an attorney, he or she shall not be entitled to an additional~~  
35 ~~evaluation at the employer's expense~~ *the employer shall provide*  
36 *the employee with notice either that the employer requests a*  
37 *comprehensive medical evaluation to determine compensability or*  
38 *that the employer has not accepted liability and the employee may*  
39 *request a comprehensive medical evaluation to determine*  
40 *compensability. Either party may request a comprehensive*

1 *medical evaluation to determine compensability. The evaluation*  
2 *shall be obtained only by the procedure provided in Section*  
3 *4062.1.*

4 ~~(e) Evaluations performed under this section shall not be~~  
5 ~~limited to the issue of the compensability of the injury, but shall~~  
6 ~~address all medical issues in dispute.~~ (1) *Each notice required by*  
7 *subdivision (d) shall describe the administrative procedures*  
8 *available to the injured employee and advise the employee of his*  
9 *or her right to consult an information and assistance officer or an*  
10 *attorney. It shall contain the following language:*

11 *“Should you decide to be represented by an attorney, you may*  
12 *or may not receive a larger award, but, unless you are determined*  
13 *to be ineligible for an award, the attorney’s fee will be deducted*  
14 *from any award you might receive for disability benefits. The*  
15 *decision to be represented by an attorney is yours to make, but it*  
16 *is voluntary and may not be necessary for you to receive your*  
17 *benefits.”*

18 (2) *The notice required by subdivision (d) shall be*  
19 *accompanied by the form prescribed by the administrative director*  
20 *for requesting the assignment of a panel of qualified medical*  
21 *evaluators.*

22 *SEC. 13. Section 4061 of the Labor Code is amended to read:*

23 4061. (a) Together with the last payment of temporary  
24 disability indemnity, the employer shall, in a form prescribed by  
25 the administrative director pursuant to Section 138.4, provide the  
26 employee one of the following:

27 (1) Notice either that no permanent disability indemnity will be  
28 paid because the employer alleges the employee has no permanent  
29 impairment or limitations resulting from the injury or notice of the  
30 amount of permanent disability indemnity determined by the  
31 employer to be payable. The notice shall include information  
32 concerning how the employee may obtain a formal medical  
33 evaluation pursuant to subdivision (c) *or* (d) if he or she disagrees  
34 with the position taken by the employer. The notice shall be  
35 accompanied by the form prescribed by the administrative director  
36 for requesting assignment of a panel of qualified medical  
37 evaluators, unless the employee is represented by an attorney. If  
38 the employer determines permanent disability indemnity is  
39 payable, the employer shall advise the employee of the amount

1 determined payable and the basis on which the determination was  
2 made and whether there is need for continuing medical care.

3 (2) Notice that permanent disability indemnity may be or is  
4 payable, but that the amount cannot be determined because the  
5 employee's medical condition is not yet permanent and stationary.  
6 The notice shall advise the employee that his or her medical  
7 condition will be monitored until it is permanent and stationary, at  
8 which time the necessary evaluation will be performed to  
9 determine the existence and extent of permanent impairment and  
10 limitations for the purpose of rating permanent disability and to  
11 determine the need for continuing medical care, or at which time  
12 the employer will advise the employee of the amount of permanent  
13 disability indemnity the employer has determined to be payable.  
14 If an employee is provided notice pursuant to this paragraph and  
15 the employer later takes the position that the employee has no  
16 permanent impairment or limitations resulting from the injury, or  
17 later determines permanent disability indemnity is payable, the  
18 employer shall in either event, within 14 days of the determination  
19 to take either position, provide the employee with the notice  
20 specified in paragraph (1).

21 (b) Each notice required by subdivision (a) shall describe the  
22 administrative procedures available to the injured employee and  
23 advise the employee of his or her right to consult an information  
24 and assistance officer or an attorney. It shall contain the following  
25 language:

26 "Should you decide to be represented by an attorney, you may  
27 or may not receive a larger award, but, unless you are determined  
28 to be ineligible for an award, the attorney's fee will be deducted  
29 from any award you might receive for disability benefits. The  
30 decision to be represented by an attorney is yours to make, but it  
31 is voluntary and may not be necessary for you to receive your  
32 benefits."

33 (c) If the parties do not agree to a permanent disability rating  
34 based on the treating physician's evaluation ~~or the assessment of~~  
35 ~~need for continuing medical care~~, and the employee is represented  
36 by an attorney, ~~the employer shall seek agreement with the~~  
37 ~~employee on a physician to prepare a comprehensive medical~~  
38 ~~evaluation of the employee's permanent impairment and~~  
39 ~~limitations and any need for continuing medical care resulting~~  
40 ~~from the injury. If no agreement is reached within 10 days, or any~~

1 additional time not to exceed 20 days agreed to by the parties, the  
2 parties may not later select an agreed medical evaluator.  
3 Evaluations of an employee's permanent impairment and  
4 limitations obtained prior to the period to reach agreement shall  
5 not be admissible in any proceeding before the appeals board.  
6 After the period to reach agreement has expired, either party may  
7 select a qualified medical evaluator to conduct the comprehensive  
8 medical evaluation. Neither party may obtain more than one  
9 comprehensive medical legal report, provided, however, that any  
10 party may obtain additional reports at their own expense *a medical*  
11 *evaluation to determine permanent disability shall be obtained as*  
12 *provided in Section 4062.2.*

13 (d) If the parties do not agree to a permanent disability rating  
14 based on the treating physician's evaluation, and if the employee  
15 is not represented by an attorney, the employer shall ~~not seek~~  
16 ~~agreement with the employee on a physician to prepare an~~  
17 ~~additional medical evaluation. The employer shall immediately~~  
18 provide the employee with a form prescribed by the medical  
19 director with which to request assignment of a panel of three  
20 qualified medical evaluators. ~~The employee shall select a~~  
21 ~~physician from the panel to prepare a medical evaluation of the~~  
22 ~~employee's permanent impairment and limitations and any need~~  
23 ~~for continuing medical care resulting from the injury.~~

24 For injuries occurring on or after January 1, 2003, except as  
25 provided in subdivision (b) of Section 4064, the report of the  
26 qualified medical evaluator and the reports of the treating  
27 physician or physicians shall be the only admissible reports and  
28 shall be the only reports obtained by the employee or the employer  
29 on the issues subject to this section. *Either party may request a*  
30 *comprehensive medical evaluation to determine permanent*  
31 *disability, and the evaluation shall be obtained only by the*  
32 *procedure provided in Section 4062.1.*

33 (e) ~~If an employee obtains a qualified medical evaluator from~~  
34 ~~a panel pursuant to subdivision (d) or pursuant to subdivision (b)~~  
35 ~~of Section 4062, and thereafter becomes represented by an~~  
36 ~~attorney and obtains an additional qualified medical evaluator, the~~  
37 ~~employer shall have a corresponding right to secure an additional~~  
38 ~~qualified medical evaluator.~~

39 (f) ~~The represented employee shall be responsible for making~~  
40 ~~an appointment with an agreed medical evaluator.~~

1 ~~(g) The unrepresented employee shall be responsible for~~  
2 ~~making an appointment with a qualified medical evaluator~~  
3 ~~selected from a panel of three qualified medical evaluators. The~~  
4 ~~evaluator shall give the employee, at the appointment, a brief~~  
5 ~~opportunity to ask questions concerning the evaluation process~~  
6 ~~and the evaluator's background. The unrepresented employee~~  
7 ~~shall then participate in the evaluation as requested by the~~  
8 ~~evaluator unless the employee has good cause to discontinue the~~  
9 ~~evaluation. For purposes of this subdivision, "good cause" shall~~  
10 ~~include evidence that the evaluator is biased against the employee~~  
11 ~~because of his or her race, sex, national origin, religion, or sexual~~  
12 ~~preference or evidence that the evaluator has requested the~~  
13 ~~employee to submit to an unnecessary medical examination or~~  
14 ~~procedure. If the unrepresented employee declines to proceed with~~  
15 ~~the evaluation, he or she shall have the right to a new panel of three~~  
16 ~~qualified medical evaluators from which to select one to prepare~~  
17 ~~a comprehensive medical evaluation. If the appeals board~~  
18 ~~subsequently determines that the employee did not have good~~  
19 ~~cause to not proceed with the evaluation, the cost of the evaluation~~  
20 ~~shall be deducted from any award the employee obtains.~~

21 ~~(h) Upon selection or assignment pursuant to subdivision (e) or~~  
22 ~~(d), the medical evaluator shall perform a comprehensive medical~~  
23 ~~evaluation according to the procedures promulgated by the~~  
24 ~~administrative director under paragraphs (2) and (3) of~~  
25 ~~subdivision (j) of Section 139.2 and summarize the medical~~  
26 ~~findings on a form prescribed by the administrative director. The~~  
27 ~~comprehensive medical evaluation shall address all contested~~  
28 ~~medical issues arising from all injuries reported on one or more~~  
29 ~~claim forms prior to the date of the employee's initial appointment~~  
30 ~~with the medical evaluator. If, after a comprehensive medical~~  
31 ~~evaluation is prepared, the employer or the employee subsequently~~  
32 ~~objects to any new medical issue, the parties, to the extent possible,~~  
33 ~~shall utilize the same medical evaluator who prepared the previous~~  
34 ~~evaluation to resolve the medical dispute.~~

35 ~~(i) Except as provided in Section 139.3, the medical evaluator~~  
36 ~~may obtain consultations from other physicians who have treated~~  
37 ~~the employee for the injury whose expertise is necessary to provide~~  
38 ~~a complete and accurate evaluation.~~

39 ~~(j) The qualified medical evaluator who has evaluated an~~  
40 ~~unrepresented employee shall serve the comprehensive medical~~

1 evaluation and the summary form on the employee, employer, and  
2 the administrative director. The unrepresented employee or the  
3 employer may submit the treating physician's evaluation for the  
4 calculation of a permanent disability rating. Within 20 days of  
5 receipt of the comprehensive medical evaluation, the  
6 administrative director shall calculate the permanent disability  
7 rating according to Section 4660 and serve the rating on the  
8 employee and employer.

9 ~~(k)~~

10 (f) Any comprehensive medical evaluation concerning an  
11 unrepresented employee which indicates that part or all of an  
12 employee's permanent impairment or limitations may be subject  
13 to apportionment pursuant to Sections 4663 ~~or 4750~~ and 4664  
14 shall first be submitted by the administrative director to a workers'  
15 compensation judge who may refer the report back to the qualified  
16 medical evaluator for correction or clarification if the judge  
17 determines the proposed apportionment is inconsistent with the  
18 law.

19 ~~(l)~~

20 (g) Within 30 days of receipt of the rating, if the employee is  
21 unrepresented, the employee or employer may request that the  
22 administrative director reconsider the recommended rating or  
23 obtain additional information from the treating physician or  
24 medical evaluator to address issues not addressed or not  
25 completely addressed in the original comprehensive medical  
26 evaluation or not prepared in accord with the procedures  
27 promulgated under paragraph (2) or (3) of subdivision (j) of  
28 Section 139.2. This request shall be in writing, shall specify the  
29 reasons the rating should be reconsidered, and shall be served on  
30 the other party. If the administrative director finds the  
31 comprehensive medical evaluation is not complete or not in  
32 compliance with the required procedures, the administrative  
33 director shall return the report to the treating physician or qualified  
34 medical evaluator for appropriate action as the administrative  
35 director instructs. Upon receipt of the treating physician's or  
36 qualified medical evaluator's final comprehensive medical  
37 evaluation and summary form, the administrative director shall  
38 recalculate the permanent disability rating according to Section  
39 4660 and serve the rating, the comprehensive medical evaluation,  
40 and the summary form on the employee and employer.

1 ~~(m)~~

2 *(h) (1)* If a comprehensive medical evaluation from the  
3 treating physician or an agreed medical evaluator or a qualified  
4 medical evaluator selected from a three-member panel resolves  
5 any issue so as to require an employer to provide compensation,  
6 the employer shall commence the payment of compensation or  
7 promptly commence proceedings before the appeals board to  
8 resolve the dispute. ~~¶~~

9 *(2)* If the employee and employer agree to a stipulated findings  
10 and award as provided under Section 5702 or to compromise and  
11 release the claim under Chapter 2 (commencing with Section  
12 5000) of Part 3, or if the employee wishes to commute the award  
13 under Chapter 3 (commencing with Section 5100) of Part 3, the  
14 appeals board shall first determine whether the agreement or  
15 commutation is in the best interests of the employee and whether  
16 the proper procedures have been followed in determining the  
17 permanent disability rating. The administrative director shall  
18 promulgate a form to notify the employee, at the time of service  
19 of any rating under this section, of the options specified in this  
20 subdivision, the potential advantages and disadvantages of each  
21 option, and the procedure for disputing the rating.

22 ~~(n)~~

23 *(i)* No issue relating to the existence or extent of permanent  
24 impairment and limitations ~~or the need for continuing medical care~~  
25 resulting from the injury may be the subject of a declaration of  
26 readiness to proceed unless there has first been a medical  
27 evaluation by a treating physician or an agreed or qualified  
28 medical evaluator. With the exception of an evaluation or  
29 evaluations prepared by the treating physician or physicians, no  
30 evaluation of permanent impairment and limitations ~~or need for~~  
31 ~~continuing medical care~~ resulting from the injury shall be obtained  
32 ~~prior to service of the comprehensive medical evaluation on the~~  
33 ~~employee and employer if the employee is unrepresented, or prior~~  
34 ~~to the attempt to select an agreed medical evaluator if the employee~~  
35 ~~is represented, except in accordance with Section 4062.1 or~~  
36 ~~4062.2.~~ Evaluations obtained in violation of this prohibition shall  
37 not be admissible in any proceeding before the appeals board.  
38 ~~However, the testimony, records, and reports offered by the~~  
39 ~~treating physician or physicians who treated the employee for the~~  
40 ~~injury and comprehensive medical evaluations prepared by a~~

1 ~~qualified medical evaluator selected by an unrepresented~~  
2 ~~employee from a three member panel shall be admissible.~~  
3 *SEC. 14. Section 4062 of the Labor Code is amended to read:*  
4 4062. (a) If either the employee or employer objects to a  
5 medical determination made by the treating physician concerning  
6 ~~the permanent and stationary status of the employee's medical~~  
7 ~~condition, the employee's preclusion or likely preclusion to~~  
8 ~~engage in his or her usual occupation, the extent and scope of~~  
9 ~~medical treatment, the existence of new and further disability, or~~  
10 ~~any other medical issues not covered by Section 4060 or 4061 and~~  
11 ~~not subject to Section 4610, the objecting party shall notify the~~  
12 ~~other party in writing of the objection within 20 days of receipt of~~  
13 ~~the report if the employee is represented by an attorney or within~~  
14 ~~30 days of receipt of the report if the employee is not represented~~  
15 ~~by an attorney. Employer objections to the treating physician's~~  
16 ~~recommendation for spinal surgery shall be subject to subdivision~~  
17 ~~(b), and after denial of the physician's recommendation, in~~  
18 ~~accordance with Section 4610. If the employee objects to a~~  
19 ~~decision made pursuant to Section 4610 to modify, delay, or deny~~  
20 ~~a treatment recommendation, the employee shall notify the~~  
21 ~~employer of the objection in writing within 20 days of receipt of~~  
22 ~~that decision. These time limits may be extended for good cause~~  
23 ~~or by mutual agreement. If the employee is represented by an~~  
24 ~~attorney, the parties shall seek agreement with the other party on~~  
25 ~~a physician, who need not be a qualified medical evaluator, to~~  
26 ~~prepare a report resolving the disputed issue. If no agreement is~~  
27 ~~reached within 10 days, or any additional time not to exceed 20~~  
28 ~~days agreed upon by the parties, the parties may not later select an~~  
29 ~~agreed medical evaluator. Evaluations obtained prior to the period~~  
30 ~~to reach agreement shall not be admissible in any proceeding~~  
31 ~~before the appeals board. After the period to reach agreement has~~  
32 ~~expired, the objecting party may select a qualified medical~~  
33 ~~evaluator to conduct the comprehensive medical evaluation.~~  
34 ~~Neither party may obtain more than one comprehensive~~  
35 ~~medical legal report, provided, however, that any party may~~  
36 ~~obtain additional reports at their own expense. The nonobjecting~~  
37 ~~party may continue to rely on the treating physician's report or may~~  
38 ~~select a qualified medical evaluator to conduct an additional~~  
39 ~~evaluation~~ *a medical evaluation to determine the disputed medical*  
40 *issue shall be obtained as provided in Section 4062.2, and no other*

1 *medical evaluation shall be obtained. If the employee is not*  
2 *represented by an attorney, the employer shall immediately*  
3 *provide the employee with a form prescribed by the medical*  
4 *director with which to request assignment of a panel of three*  
5 *qualified medical evaluators, the evaluation shall be obtained as*  
6 *provided in Section 4062.1, and no other medical evaluation shall*  
7 *be obtained.*

8 (b) The employer may object to a report of the treating  
9 physician recommending that spinal surgery be performed within  
10 10 days of the receipt of the report. If the employee is represented  
11 by an attorney, the parties shall seek agreement with the other party  
12 on a California licensed board-certified or board-eligible  
13 orthopedic surgeon or neurosurgeon to prepare a second opinion  
14 report resolving the disputed surgical recommendation. If no  
15 agreement is reached within 10 days, or if the employee is not  
16 represented by an attorney, an orthopedic surgeon or neurosurgeon  
17 shall be randomly selected by the administrative director to  
18 prepare a second opinion report resolving the disputed surgical  
19 recommendation. Examinations shall be scheduled on an  
20 expedited basis. The second opinion report shall be served on the  
21 parties within 45 days of receipt of the treating physician's report.  
22 If the second opinion report recommends surgery, the employer  
23 shall authorize the surgery. If the second opinion report does not  
24 recommend surgery, the employer shall file a declaration of  
25 readiness to proceed. The employer shall not be liable for medical  
26 treatment costs for the disputed surgical procedure, whether  
27 through a lien filed with the appeals board or as a self-procured  
28 medical expense, or for periods of temporary disability resulting  
29 from the surgery, if the disputed surgical procedure is performed  
30 prior to the completion of the second opinion process required by  
31 this subdivision.

32 (c) The second opinion physician shall not have any material  
33 professional, familial, or financial affiliation, as determined by the  
34 administrative director, with any of the following:

35 (1) The employer, his or her workers' compensation insurer,  
36 third-party claims administrator, or other entity contracted to  
37 provide utilization review services pursuant to Section 4610.

38 (2) Any officer, director, or employee of the employer's health  
39 care provider, workers' compensation insurer, or third-party  
40 claims administrator.

1 (3) A physician, the physician's medical group, or the  
2 independent practice association involved in the health care  
3 service in dispute.

4 (4) The facility or institution at which either the proposed  
5 health care service, or the alternative service, if any, recommended  
6 by the employer's health care provider, workers' compensation  
7 insurer, or third-party claims administrator, would be provided.

8 (5) The development or manufacture of the principal drug,  
9 device, procedure, or other therapy proposed by the employee or  
10 his or her treating physician whose treatment is under review, or  
11 the alternative therapy, if any, recommended by the employer or  
12 other entity.

13 (6) The employee or the employee's immediate family.

14 ~~(d) If the employee is not represented by an attorney, the~~  
15 ~~employer shall not seek agreement with the employee on a~~  
16 ~~physician to prepare the comprehensive medical evaluation.~~  
17 ~~Except in cases where the treating physician's recommendation~~  
18 ~~that spinal surgery be performed pursuant to subdivision (b), the~~  
19 ~~employer shall immediately provide the employee with a form~~  
20 ~~prescribed by the medical director with which to request~~  
21 ~~assignment of a panel of three qualified medical evaluators. The~~  
22 ~~employee shall select a physician from the panel to prepare a~~  
23 ~~comprehensive medical evaluation. For injuries occurring on or~~  
24 ~~after January 1, 2003, except as provided in subdivision (b) of~~  
25 ~~Section 4064, the evaluation of the qualified medical evaluator~~  
26 ~~selected from a panel of three and the reports of the treating~~  
27 ~~physician or physicians shall be the only admissible reports and~~  
28 ~~shall be the only reports obtained by the employee or employer on~~  
29 ~~issues subject to this section in a case involving an unrepresented~~  
30 ~~employee.~~

31 ~~(e) Upon completing a determination of the disputed medical~~  
32 ~~issue, the physician selected under subdivision (a) or (d) to~~  
33 ~~perform the medical evaluation shall summarize the medical~~  
34 ~~findings on a form prescribed by the administrative director and~~  
35 ~~shall serve the formal medical evaluation and the summary form~~  
36 ~~on the employee and the employer. The medical evaluation shall~~  
37 ~~address all contested medical issues arising from all injuries~~  
38 ~~reported on one or more claim forms prior to the date of the~~  
39 ~~employee's initial appointment with the medical evaluator. If,~~  
40 ~~after a medical evaluation is prepared, the employer or the~~

1 ~~employee subsequently objects to any new medical issue, the~~  
2 ~~parties, to the extent possible, shall utilize the same medical~~  
3 ~~evaluator who prepared the previous evaluation to resolve the~~  
4 ~~medical dispute.~~

5 ~~(f) No disputed medical issue specified in subdivision (a) may~~  
6 ~~be the subject of a declaration of readiness to proceed unless there~~  
7 ~~has first been an evaluation by the treating physician or an agreed~~  
8 ~~or qualified medical evaluator.~~

9 ~~(g) With the exception of a report or reports prepared by the~~  
10 ~~treating physician or physicians, no report determining disputed~~  
11 ~~medical issues set forth in subdivision (a) shall be obtained prior~~  
12 ~~to the expiration of the period to reach agreement on the selection~~  
13 ~~of an agreed medical evaluator under subdivision (a). Reports~~  
14 ~~obtained in violation of this prohibition shall not be admissible in~~  
15 ~~any proceeding before the appeals board. However, the testimony,~~  
16 ~~records, and reports offered by the treating physician or physicians~~  
17 ~~who treated the employee for the injury shall be admissible.~~

18 ~~(h) This section shall remain in effect only until January 1,~~  
19 ~~2007, and as of that date is repealed, unless a later enacted statute,~~  
20 ~~that is enacted before January 1, 2007, deletes or extends that date.~~

21 *SEC. 15. Section 4062.01 of the Labor Code is repealed.*

22 ~~4062.01. (a) If either the employee or employer objects to a~~  
23 ~~medical determination made by the treating physician concerning~~  
24 ~~the permanent and stationary status of the employee's medical~~  
25 ~~condition, the employee's preclusion or likely preclusion to~~  
26 ~~engage in his or her usual occupation, the extent and scope of~~  
27 ~~medical treatment, the existence of new and further disability, or~~  
28 ~~any other medical issues not covered by Section 4060 or 4061, the~~  
29 ~~objecting party shall notify the other party in writing of the~~  
30 ~~objection within 20 days of receipt of the report if the employee~~  
31 ~~is represented by an attorney or within 30 days of receipt of the~~  
32 ~~report if the employee is not represented by an attorney. These time~~  
33 ~~limits may be extended for good cause or by mutual agreement. If~~  
34 ~~the employee is represented by an attorney, the parties shall seek~~  
35 ~~agreement with the other party on a physician, who need not be a~~  
36 ~~qualified medical evaluator, to prepare a report resolving the~~  
37 ~~disputed issue. If no agreement is reached within 10 days, or any~~  
38 ~~additional time not to exceed 20 days agreed upon by the parties,~~  
39 ~~the parties may not later select an agreed medical evaluator.~~  
40 ~~Evaluations obtained prior to the period to reach agreement shall~~

1 ~~not be admissible in any proceeding before the appeals board.~~  
2 ~~After the period to reach agreement has expired, the objecting~~  
3 ~~party may select a qualified medical evaluator to conduct the~~  
4 ~~comprehensive medical evaluation. Neither party may obtain~~  
5 ~~more than one comprehensive medical-legal report, provided,~~  
6 ~~however, that any party may obtain additional reports at their own~~  
7 ~~expense. The nonobjecting party may continue to rely on the~~  
8 ~~treating physician's report or may select a qualified medical~~  
9 ~~evaluator to conduct an additional evaluation.~~

10 ~~(b) If the employee is not represented by an attorney, the~~  
11 ~~employer shall not seek agreement with the employee on a~~  
12 ~~physician to prepare the comprehensive medical evaluation. The~~  
13 ~~employer shall immediately provide the employee with a form~~  
14 ~~prescribed by the medical director with which to request~~  
15 ~~assignment of a panel of three qualified medical evaluators. The~~  
16 ~~employee shall select a physician from the panel to prepare a~~  
17 ~~comprehensive medical evaluation. The evaluation of the~~  
18 ~~qualified medical evaluator selected from a panel of three and the~~  
19 ~~reports of the treating physician or physicians shall be the only~~  
20 ~~admissible reports and shall be the only reports obtained by the~~  
21 ~~employee or employer on issues subject to this section in a case~~  
22 ~~involving an unrepresented employee.~~

23 ~~(c) Upon completing a determination of the disputed medical~~  
24 ~~issue, the physician selected under subdivision (a) or (b) to~~  
25 ~~perform the medical evaluation shall summarize the medical~~  
26 ~~findings on a form prescribed by the administrative director and~~  
27 ~~shall serve the formal medical evaluation and the summary form~~  
28 ~~on the employee and the employer. The medical evaluation shall~~  
29 ~~address all contested medical issues arising from all injuries~~  
30 ~~reported on one or more claim forms prior to the date of the~~  
31 ~~employee's initial appointment with the medical evaluator. If,~~  
32 ~~after a medical evaluation is prepared, the employer or the~~  
33 ~~employee subsequently objects to any new medical issue, the~~  
34 ~~parties, to the extent possible, shall utilize the same medical~~  
35 ~~evaluator who prepared the previous evaluation to resolve the~~  
36 ~~medical dispute.~~

37 ~~(d) No disputed medical issue specified in subdivision (a) may~~  
38 ~~be the subject of a declaration of readiness to proceed unless there~~  
39 ~~has first been an evaluation by the treating physician or an agreed~~  
40 ~~or qualified medical evaluator.~~

1 ~~(c) With the exception of a report or reports prepared by the~~  
2 ~~treating physician or physicians, no report determining disputed~~  
3 ~~medical issues set forth in subdivision (a) shall be obtained prior~~  
4 ~~to the expiration of the period to reach agreement on the selection~~  
5 ~~of an agreed medical evaluator under subdivision (a). Reports~~  
6 ~~obtained in violation of this prohibition shall not be admissible in~~  
7 ~~any proceeding before the appeals board. However, the testimony,~~  
8 ~~records, and reports offered by the treating physician or physicians~~  
9 ~~who treated the employee for the injury shall be admissible.~~

10 ~~(f) This section shall become operative on January 1, 2007.~~

11 *SEC. 16. Section 4062.1 of the Labor Code is amended to*  
12 *read:*

13 4062.1. (a) If an employee is not represented by an attorney,  
14 the employer shall not seek agreement with the employee on an  
15 agreed medical evaluator, nor shall an agreed medical evaluator  
16 prepare the formal medical evaluation on any issues in dispute.

17 (b) *If either party requests a medical evaluation pursuant to*  
18 *Section 4060, 4061, or 4062, either party may submit the form*  
19 *prescribed by the administrative director requesting the medical*  
20 *director to assign a panel of three qualified medical evaluators in*  
21 *accordance with Section 139.2. However, the employer may not*  
22 *submit the form unless the employee has not submitted the form*  
23 *within 10 days after the employer has furnished the form to the*  
24 *employee and requested the employee to submit the form. The*  
25 *party submitting the request form shall designate the specialty of*  
26 *the physicians that will be assigned to the panel.*

27 (c) *Within 10 days of the issuance of a panel of qualified*  
28 *medical evaluators, the employee shall select a physician from the*  
29 *panel to prepare a medical evaluation, the employee shall*  
30 *schedule the appointment, and the employee shall inform the*  
31 *employer of the selection and the appointment. If the employee*  
32 *does not inform the employer of the selection within 10 days of the*  
33 *assignment of a panel of qualified medical evaluators, then the*  
34 *employer may select the physician from the panel to prepare a*  
35 *medical evaluation. If the employee informs the employer of the*  
36 *selection within 10 days of the assignment of the panel but has not*  
37 *made the appointment, or if the employer selects the physician*  
38 *pursuant to this subdivision, then the employer shall arrange the*  
39 *appointment. Upon receipt of written notice of the appointment*  
40 *arrangements from the employee, or upon giving the employee*

1 notice of an appointment arranged by the employer; the employer  
2 shall furnish payment of estimated travel expense.

3 (d) The evaluator shall give the employee, at the appointment,  
4 a brief opportunity to ask questions concerning the evaluation  
5 process and the evaluator's background. The unrepresented  
6 employee shall then participate in the evaluation as requested by  
7 the evaluator unless the employee has good cause to discontinue  
8 the evaluation. For purposes of this subdivision, "good cause"  
9 shall include evidence that the evaluator is biased against the  
10 employee because of his or her race, sex, national origin, religion,  
11 or sexual preference or evidence that the evaluator has requested  
12 the employee to submit to an unnecessary medical examination or  
13 procedure. If the unrepresented employee declines to proceed with  
14 the evaluation, he or she shall have the right to a new panel of three  
15 qualified medical evaluators from which to select one to prepare  
16 a comprehensive medical evaluation. If the appeals board  
17 subsequently determines that the employee did not have good  
18 cause to not proceed with the evaluation, the cost of the evaluation  
19 shall be deducted from any award the employee obtains.

20 (e) If an employee has received a comprehensive medical-legal  
21 evaluation under this section, and he or she later becomes  
22 represented by an attorney, he or she shall not be entitled to an  
23 additional evaluation.

24 SEC. 17. Section 4062.2 of the Labor Code is repealed.

25 ~~4062.2. (a) As part of their agreement on an evaluator, the~~  
26 ~~parties shall agree what information is to be provided to the agreed~~  
27 ~~medical evaluator.~~

28 ~~(b) Any party may provide to the qualified medical evaluator~~  
29 ~~selected by an unrepresented worker from a three-member panel~~  
30 ~~any of the following information:~~

31 ~~(1) Records prepared or maintained by the employee's treating~~  
32 ~~physician or physicians.~~

33 ~~(2) Medical and nonmedical records relevant to determination~~  
34 ~~of the medical issue.~~

35 ~~(c) Information which a party proposes to provide to the~~  
36 ~~qualified medical evaluator selected by an unrepresented worker~~  
37 ~~from a three-member panel shall be served on the opposing party~~  
38 ~~20 days before the information is provided to the evaluator. If the~~  
39 ~~opposing party objects to consideration of nonmedical records~~  
40 ~~within 10 days thereafter, the records shall not be provided to the~~

1 evaluator. ~~Either party may use discovery to establish the accuracy~~  
2 ~~or authenticity of nonmedical records prior to the evaluation.~~

3 ~~(d) In any formal medical evaluation, the agreed or qualified~~  
4 ~~medical evaluator shall identify the following:~~

5 ~~(1) All information received from the parties.~~

6 ~~(2) All information reviewed in preparation of the report.~~

7 ~~(3) All information relied upon in the formulation of his or her~~  
8 ~~opinion.~~

9 ~~(e) All communications with an agreed medical evaluator or a~~  
10 ~~qualified medical evaluator selected by an unrepresented worker~~  
11 ~~from a three-member panel before a formal medical evaluation~~  
12 ~~shall be in writing and shall be served on the opposing party 20~~  
13 ~~days in advance of the evaluation. Any subsequent communication~~  
14 ~~with the medical evaluator shall be in writing and shall be served~~  
15 ~~on the opposing party when sent to the medical evaluator.~~

16 ~~(f) Ex parte communication with an agreed medical evaluator~~  
17 ~~or a qualified medical evaluator selected by an unrepresented~~  
18 ~~worker from a three-member panel is prohibited. If a party~~  
19 ~~communicates with the agreed medical evaluator or the qualified~~  
20 ~~medical evaluator selected by an unrepresented worker from a~~  
21 ~~three-member panel in violation of subdivision (d), the aggrieved~~  
22 ~~party may elect to terminate the formal medical evaluation and~~  
23 ~~seek a new evaluation from another qualified medical evaluator,~~  
24 ~~or proceed with the initial evaluation.~~

25 ~~(g) The party making the communication prohibited by this~~  
26 ~~section shall be subject to being charged with contempt before the~~  
27 ~~appeals board and shall be liable for the costs incurred by the~~  
28 ~~aggrieved party as a result of the prohibited communication,~~  
29 ~~including the cost of the formal medical evaluation, additional~~  
30 ~~discovery costs, and attorney's fees for related discovery.~~

31 ~~(h) This section shall not apply to oral communications by the~~  
32 ~~employee or, if the employee is deceased, the employee's~~  
33 ~~dependent, or to forms and documents requested by the evaluator~~  
34 ~~or provided by the evaluator to the employee or, if the employee~~  
35 ~~is deceased, the employee's dependent, pursuant to the~~  
36 ~~examination.~~

37 *SEC. 18. Section 4062.2 is added to the Labor Code, to read:*

38 *4062.2. (a) Whenever a comprehensive medical evaluation is*  
39 *required to resolve any dispute arising out of an injury or a claimed*  
40 *injury occurring on or after January 1, 2005, and the employee is*

1 *represented by an attorney, the evaluation shall be obtained only*  
2 *as provided in this section.*

3 *(b) If either party requests a medical evaluation pursuant to*  
4 *Section 4060, 4061, or 4062, either party may commence the*  
5 *selection process for an agreed medical evaluator by making a*  
6 *written request naming at least one proposed physician to be the*  
7 *evaluator. The parties shall seek agreement with the other party on*  
8 *the physician, who need not be a qualified medical evaluator, to*  
9 *prepare a report resolving the disputed issue. If no agreement is*  
10 *reached within 10 days of the first written proposal that names a*  
11 *proposed agreed medical evaluator, or any additional time not to*  
12 *exceed 20 days agreed to by the parties, either party may request*  
13 *the assignment of a three-member panel of qualified medical*  
14 *evaluators to conduct a comprehensive medical evaluation. The*  
15 *party submitting the request shall designate the specialty of the*  
16 *medical evaluator, the specialty of the medical evaluator requested*  
17 *by the other party if it has been made known to the party submitting*  
18 *the request, and the specialty of the treating physician. The party*  
19 *submitting the request form shall serve a copy of the request form*  
20 *on the other party.*

21 *(c) Within 10 days of assignment of the panel by the*  
22 *administrative director, the parties shall confer and attempt to*  
23 *agree upon an agreed medical evaluator selected from the panel.*  
24 *If the parties have not agreed on a medical evaluator from the*  
25 *panel by the 10th day after assignment of the panel, each party may*  
26 *then strike one name from the panel. The remaining qualified*  
27 *medical evaluator shall serve as the medical evaluator. If a party*  
28 *fails to exercise the right to strike a name from the panel within*  
29 *three working days of gaining the right to do so, the other party*  
30 *may select any physician who remains on the panel to serve as the*  
31 *medical evaluator. The administrative director may prescribe the*  
32 *form, the manner, or both, by which the parties shall conduct the*  
33 *selection process.*

34 *(d) The represented employee shall be responsible for*  
35 *arranging the appointment for the examination, but upon his or*  
36 *her failure to inform the employer of the appointment within 10*  
37 *days after the medical evaluator has been selected, the employer*  
38 *may arrange the appointment and notify the employee of the*  
39 *arrangements.*

1 (e) If an employee has received a comprehensive medical-legal  
2 evaluation under this section, and he or she later ceases to be  
3 represented, he or she shall not be entitled to an additional  
4 evaluation.

5 SEC. 19. Section 4062.3 is added to the Labor Code, to read:

6 4062.3. (a) Any party may provide to the qualified medical  
7 evaluator selected from a panel any of the following information:

8 (1) Records prepared or maintained by the employee's treating  
9 physician or physicians.

10 (2) Medical and nonmedical records relevant to determination  
11 of the medical issue.

12 (b) Information that a party proposes to provide to the qualified  
13 medical evaluator selected from a panel shall be served on the  
14 opposing party 20 days before the information is provided to the  
15 evaluator. If the opposing party objects to consideration of  
16 nonmedical records within 10 days thereafter, the records shall not  
17 be provided to the evaluator. Either party may use discovery to  
18 establish the accuracy or authenticity of nonmedical records prior  
19 to the evaluation.

20 (c) If an agreed medical evaluator is selected, as part of their  
21 agreement on an evaluator, the parties shall agree on what  
22 information is to be provided to the agreed medical evaluator.

23 (d) In any formal medical evaluation, the agreed or qualified  
24 medical evaluator shall identify the following:

25 (1) All information received from the parties.

26 (2) All information reviewed in preparation of the report.

27 (3) All information relied upon in the formulation of his or her  
28 opinion.

29 (e) All communications with an agreed medical evaluator or a  
30 qualified medical evaluator selected from a panel before a medical  
31 evaluation shall be in writing and shall be served on the opposing  
32 party 20 days in advance of the evaluation. Any subsequent  
33 communication with the medical evaluator shall be in writing and  
34 shall be served on the opposing party when sent to the medical  
35 evaluator.

36 (f) Ex parte communication with an agreed medical evaluator  
37 or a qualified medical evaluator selected from a panel is  
38 prohibited. If a party communicates with the agreed medical  
39 evaluator or the qualified medical evaluator in violation of  
40 subdivision (e), the aggrieved party may elect to terminate the

1 *medical evaluation and seek a new evaluation from another*  
2 *qualified medical evaluator to be selected according to Section*  
3 *4062.1 or 4062.2, as applicable, or proceed with the initial*  
4 *evaluation.*

5 (g) *The party making the communication prohibited by this*  
6 *section shall be subject to being charged with contempt before the*  
7 *appeals board and shall be liable for the costs incurred by the*  
8 *aggrieved party as a result of the prohibited communication,*  
9 *including the cost of the medical evaluation, additional discovery*  
10 *costs, and attorney's fees for related discovery.*

11 (h) *Subdivisions (e) and (f) shall not apply to oral or written*  
12 *communications by the employee or, if the employee is deceased,*  
13 *the employee's dependent, in the course of the examination or at*  
14 *the request of the evaluator in connection with the examination.*

15 (i) *Upon completing a determination of the disputed medical*  
16 *issue, the medical evaluator shall summarize the medical findings*  
17 *on a form prescribed by the administrative director and shall serve*  
18 *the formal medical evaluation and the summary form on the*  
19 *employee and the employer. The medical evaluation shall address*  
20 *all contested medical issues arising from all injuries reported on*  
21 *one or more claim forms prior to the date of the employee's initial*  
22 *appointment with the medical evaluator.*

23 (j) *If, after a medical evaluation is prepared, the employer or*  
24 *the employee subsequently objects to any new medical issue, the*  
25 *parties, to the extent possible, shall utilize the same medical*  
26 *evaluator who prepared the previous evaluation to resolve the*  
27 *medical dispute.*

28 (k) *No disputed medical issue specified in subdivision (a) may*  
29 *be the subject of declaration of readiness to proceed unless there*  
30 *has first been an evaluation by the treating physician or an agreed*  
31 *or qualified medical evaluator.*

32 SEC. 20. *Section 4062.5 of the Labor Code is amended to*  
33 *read:*

34 4062.5. ~~If a qualified medical evaluator selected by an~~  
35 ~~unrepresented employee from a three-member panel fails~~  
36 ~~to complete the formal medical evaluation within the timeframes~~  
37 ~~established by the administrative director pursuant to paragraph~~  
38 ~~(1) of subdivision (j) of Section 139.2, the employee shall have the~~  
39 ~~right to a new panel of three qualified medical evaluators from~~  
40 ~~which to select one to prepare a formal medical evaluation a new~~

1 *evaluation may be obtained upon the request of either party, as*  
2 *provided in Sections 4062.1 or 4062.2. Neither the employee nor*  
3 *the employer shall have any liability for payment for the formal*  
4 *medical evaluation which was not completed within the required*  
5 *timeframes unless the employee or employer, on a form forms*  
6 *prescribed by the administrative director, waives his or her each*  
7 *wave the right to a new evaluation and elects to accept the original*  
8 *evaluation even though it was not completed within the required*  
9 *timeframes.*

10 *SEC. 21. Section 4062.8 is added to the Labor Code, to read:*  
11 *4062.8. The administrative director shall develop, not later*  
12 *than January 1, 2004, and periodically revise as necessary*  
13 *thereafter, educational materials to be used to provide treating*  
14 *physicians, as described in Section 3209.3, or other providers, as*  
15 *described in Section 3209.5, with information and training in*  
16 *basic concepts of workers' compensation, the role of the treating*  
17 *physician, the conduct of permanent and stationary evaluations,*  
18 *and report writing, as appropriate.*

19 *SEC. 22. Section 4062.9 of the Labor Code is repealed.*  
20 ~~4062.9. (a) In cases where an additional comprehensive~~  
21 ~~medical evaluation is obtained under Section 4061 or 4062, if the~~  
22 ~~employee has been treated by his or her personal physician, or by~~  
23 ~~his or her personal chiropractor, as defined in Section 4601, who~~  
24 ~~was predesignated prior to the date of injury as provided under~~  
25 ~~Section 4600, the findings of the personal physician or personal~~  
26 ~~chiropractor are presumed to be correct. This presumption is~~  
27 ~~rebuttable and may be controverted by a preponderance of medical~~  
28 ~~opinion indicating a different level of disability. However, the~~  
29 ~~presumption shall not apply where both parties select qualified~~  
30 ~~medical examiners.~~

31 ~~(b) In all cases other than those specified in subdivision (a),~~  
32 ~~regardless of the date of injury, no presumption shall apply to the~~  
33 ~~opinion of any physician on the issue of extent and scope of~~  
34 ~~medical treatment, either prior or subsequent to the issuance of an~~  
35 ~~award.~~

36 ~~(c) The administrative director shall develop, not later than~~  
37 ~~January 1, 2004, and periodically revise as necessary thereafter,~~  
38 ~~educational materials to be used to provide treating physicians and~~  
39 ~~chiropractors with information and training in basic concepts of~~  
40 ~~workers' compensation, the role of the treating physician, the~~

1 ~~conduct of permanent and stationary evaluations, and report~~  
2 ~~writing.~~

3 ~~(d) The amendment made to this section by SB 228 of the~~  
4 ~~2003-04 Regular Session shall not constitute good cause to reopen~~  
5 ~~or rescind, alter, or amend any order, decision, or award of the~~  
6 ~~appeals board.~~

7 *SEC. 23. Section 4600 of the Labor Code is amended to read:*

8 4600. (a) Medical, surgical, chiropractic, acupuncture, and  
9 hospital treatment, including nursing, medicines, medical and  
10 surgical supplies, crutches, and apparatus, including orthotic and  
11 prosthetic devices and services, that is reasonably required to cure  
12 or relieve *the injured worker* from the effects of ~~the his or her~~  
13 injury shall be provided by the employer. In the case of his or her  
14 neglect or refusal ~~seasonably~~ *reasonably* to do so, the employer is  
15 liable for the reasonable expense incurred by or on behalf of the  
16 employee in providing treatment. ~~After~~

17 (b) *As used in this division and notwithstanding any other*  
18 *provision of law, medical treatment that is reasonably required to*  
19 *cure or relieve the injured worker from the effects of his or her*  
20 *injury means treatment that is based upon the guidelines adopted*  
21 *by the administrative director pursuant to Section 5307.27 or,*  
22 *prior to the adoption of those guidelines, the updated American*  
23 *College of Occupational and Environmental Medicine's*  
24 *Occupational Medicine Practice Guidelines.*

25 (c) *Unless the employer or the employer's insurer has*  
26 *established a medical provider network as provided for in Section*  
27 *4616, after 30 days from the date the injury is reported, the*  
28 *employee may be treated by a physician of his or her own choice*  
29 *or at a facility of his or her own choice within a reasonable*  
30 *geographic area. However, if an employee has notified his or her*  
31 *employer in writing prior to the date of injury that he or she has a*  
32 *personal physician, the employee shall have the right to be treated*  
33 *by that physician from the date of injury. If an employee requests*  
34 *a change of physician pursuant to Section 4601, the request may*  
35 *be made at any time after the injury, and the alternative physician,*  
36 *chiropractor, or acupuncturist shall be provided within five days*  
37 *of the request as required by Section 4601. For the purpose of this*  
38 *section, "personal physician" means the employee's regular*  
39 *physician and surgeon, licensed pursuant to Chapter 5*  
40 *(commencing with Section 2000) of Division 2 of the Business and*

1 ~~Professions Code, who has previously directed the medical~~  
2 ~~treatment of the employee, and who retains the employee's~~  
3 ~~medical records, including his or her medical history.~~

4 ~~Where~~

5 *(d) (1) If an employee has notified his or her employer in*  
6 *writing prior to the date of injury that he or she has a personal*  
7 *physician, the employee shall have the right to be treated by that*  
8 *physician from the date of injury if either of the following*  
9 *conditions exist:*

10 *(A) The employer provides nonoccupational group health*  
11 *coverage in a health care service plan, licensed pursuant to*  
12 *Chapter 2.2 (commencing with Section 1340) of Division 2 of the*  
13 *Health and Safety Code.*

14 *(B) The employer provides nonoccupational health coverage in*  
15 *a group health plan or a group health insurance policy as*  
16 *described in Section 4616.7.*

17 *(2) For purposes of paragraph (1), a personal physician shall*  
18 *meet all of the following conditions:*

19 *(A) The physician is the employee's regular physician and*  
20 *surgeon, licensed pursuant to Chapter 5 (commencing with*  
21 *Section 2000) of Division 2 of the Business and Professions Code.*

22 *(B) The physician is the employee's primary care physician and*  
23 *has previously directed the medical treatment of the employee, and*  
24 *who retains the employee's medical records, including his or her*  
25 *medical history.*

26 *(C) The physician agrees to be predesignated.*

27 *(3) If the employer provides nonoccupational health care*  
28 *pursuant to Chapter 2.2 (commencing with Section 1340) of*  
29 *Division 2 of the Health and Safety Code, and the employer is*  
30 *notified pursuant to paragraph (1), all medical treatment,*  
31 *utilization review of medical treatment, access to medical*  
32 *treatment, and other medical treatment issues shall be governed by*  
33 *Chapter 2.2 (commencing with Section 1340) of Division 2 of the*  
34 *Health and Safety Code. Disputes regarding the provision of*  
35 *medical treatment shall be resolved pursuant to Article 5.55*  
36 *(commencing with Section 1374.30) of Chapter 2.2 of Division 2*  
37 *of the Health and Safety Code.*

38 *(4) If the employer provides nonoccupational health care, as*  
39 *described in Section 4616.7, all medical treatment, utilization*  
40 *review of medical treatment, access to medical treatment, and*

1 *other medical treatment issues shall be governed by the applicable*  
2 *provisions of the Insurance Code.*

3 (5) *The insurer may require prior authorization of any*  
4 *nonemergency treatment or diagnostic service and may conduct*  
5 *reasonably necessary utilization review pursuant to Section 4610.*

6 (6) *The maximum percentage of all employees who are covered*  
7 *under paragraph (1) that may be predesignated at any time in the*  
8 *state is 7 percent.*

9 (7) *If any court finds that any portion of this subdivision is*  
10 *invalid or in violation of any state or federal law, then this*  
11 *subdivision shall be inoperative.*

12 (8) *The division shall conduct an evaluation of this program*  
13 *and present its findings to the Governor and the Legislature on or*  
14 *before March 1, 2006.*

15 (9) *This subdivision shall remain in effect only until April 30,*  
16 *2007, and as of that date is repealed, unless a later enacted statute,*  
17 *that is enacted before April 30, 2007, deletes or extends that date.*

18 (e) (1) *When at the request of the employer, the employer's*  
19 *insurer, the administrative director, the appeals board, or a*  
20 *workers' compensation administrative law judge, the employee*  
21 *submits to examination by a physician, he or she shall be entitled*  
22 *to receive, in addition to all other benefits herein provided, all*  
23 *reasonable expenses of transportation, meals, and lodging incident*  
24 *to reporting for the examination, together with one day of*  
25 *temporary disability indemnity for each day of wages lost in*  
26 *submitting to the examination. ~~Regardless~~*

27 (2) *Regardless of the date of injury, "reasonable expenses of*  
28 *transportation" includes mileage fees from the employee's home*  
29 *to the place of the examination and back at the rate of twenty-one*  
30 *cents (\$0.21) a mile or the mileage rate adopted by the Director of*  
31 *the Department of Personnel Administration pursuant to Section*  
32 *19820 of the Government Code, whichever is higher, plus any*  
33 *bridge tolls. The mileage and tolls shall be paid to the employee*  
34 *at the time he or she is given notification of the time and place of*  
35 *the examination.*

36 ~~Where~~

37 (f) *When at the request of the employer, the employer's insurer,*  
38 *the administrative director, the appeals board, or a workers'*  
39 *compensation administrative law judge, an employee submits to*  
40 *examination by a physician and the employee does not proficiently*

1 speak or understand the English language, he or she shall be  
2 entitled to the services of a qualified interpreter in accordance with  
3 conditions and a fee schedule prescribed by the administrative  
4 director. These services shall be provided by the employer. For  
5 purposes of this section, “qualified interpreter” means a language  
6 interpreter certified, or deemed certified, pursuant to Article 8  
7 (commencing with Section 11435.05) of Chapter 4.5 of Part 1 of  
8 Division 3 of Title 2 of, or Section 68566 of, the Government  
9 Code.

10 *SEC. 24. Section 4603.2 of the Labor Code is amended to*  
11 *read:*

12 4603.2. (a) Upon selecting a physician pursuant to Section  
13 4600, the employee or physician shall forthwith notify the  
14 employer of the name and address of the physician. The physician  
15 shall submit a report to the employer within five working days  
16 from the date of the initial examination and shall submit periodic  
17 reports at intervals that may be prescribed by rules and regulations  
18 adopted by the administrative director.

19 (b) (1) Except as provided in subdivision (d) of Section  
20 4603.4, *or under contracts authorized under Section 5307.11,*  
21 payment for medical treatment provided or authorized by the  
22 treating physician selected by the employee or designated by the  
23 employer shall be made *at reasonable maximum amounts in the*  
24 *official medical fee schedule, pursuant to Section 5307.1, in effect*  
25 *on the date of service. Payments shall be made by the employer*  
26 *within 45 working days after receipt of each separate, ~~itemized~~*  
27 *billing itemization of medical services provided, together with any*  
28 *required reports and any written authorization for services that*  
29 *may have been received by the physician. If the ~~billing itemization~~*  
30 *or a portion thereof is contested, denied, or considered incomplete,*  
31 *the physician shall be notified, in writing, that the ~~billing~~*  
32 *itemization is contested, denied, or considered incomplete, within*  
33 *30 working days after receipt of the ~~billing itemization~~ by the*  
34 *employer. A notice that a ~~billing an itemization~~ is incomplete shall*  
35 *state all additional information required to make a decision. Any*  
36 *properly documented ~~amount~~ list of services provided not paid at*  
37 *the rates then in effect under Section 5307.1 within the*  
38 *45-working-day period shall be increased by 15 percent, together*  
39 *with interest at the same rate as judgments in civil actions*

1 retroactive to the date of receipt of the ~~bill~~ *itemization*, unless the  
2 employer does both of the following:

3 (A) Pays the ~~uncontested amount~~ *provider at the rates in effect*  
4 within the 45-working-day period.

5 (B) Advises, in the manner prescribed by the administrative  
6 director, the physician, or another provider of the items being  
7 contested, the reasons for contesting these items, and the remedies  
8 available to the physician or the other provider if he or she  
9 disagrees. In the case of a ~~bill~~ *which an itemization that includes*  
10 ~~charges from services provided by~~ a hospital, outpatient surgery  
11 center, or independent diagnostic facility, advice that a request has  
12 been made for an audit of the ~~bill~~ *itemization* shall satisfy the  
13 requirements of this paragraph.

14 If an employer contests all or part of a ~~billing~~ *an itemization*, any  
15 amount determined payable by the appeals board shall carry  
16 interest from the date the amount was due until it is paid. If any  
17 contested ~~amount~~ *itemization* is determined payable by the appeals  
18 board, the defendant shall be ordered to reimburse the provider for  
19 any filing fees paid pursuant to Section 4903.05.

20 An employer's liability to a physician or another provider under  
21 this section for delayed payments shall not affect its liability to an  
22 employee under Section 5814 or any other provision of this  
23 division.

24 (2) Notwithstanding paragraph (1), if the employer is a  
25 governmental entity, payment for medical treatment provided or  
26 authorized by the treating physician selected by the employee or  
27 designated by the employer shall be made within 60 working days  
28 after receipt of each separate, ~~itemized billing~~ *itemization*,  
29 together with any required reports and any written authorization  
30 for services that may have been received by the physician.

31 (c) Any interest or increase in compensation paid by an insurer  
32 pursuant to this section shall be treated in the same manner as an  
33 increase in compensation under subdivision (d) of Section 4650  
34 for the purposes of any classification of risks and premium rates,  
35 and any system of merit rating approved or issued pursuant to  
36 Article 2 (commencing with Section 11730) of Chapter 3 of Part  
37 3 of Division 2 of the Insurance Code.

38 (d) (1) Whenever an employer or insurer employs an  
39 individual or contracts with an entity to conduct a review of a  
40 ~~billing~~ *an itemization* submitted by a physician or medical

1 provider, the employer or insurer shall make available to that  
2 individual or entity all documentation submitted together with that  
3 ~~billing itemization~~ by the physician or medical provider. When an  
4 individual or entity conducting a ~~bill~~ *itemization* review  
5 determines that additional information or documentation is  
6 necessary to review the ~~billing itemization~~, the individual or entity  
7 shall contact the claims administrator or insurer to obtain the  
8 necessary information or documentation that was submitted by the  
9 physician or medical provider pursuant to subdivision (b).

10 (2) An individual or entity reviewing a ~~bill~~ *an itemization of*  
11 *service* submitted by a physician or medical provider shall not alter  
12 the procedure codes ~~billed~~ *listed* or recommend reduction of the  
13 amount of the ~~bill~~ *payment* unless the documentation submitted by  
14 the physician or medical provider with the ~~bill~~ *itemization of*  
15 *service* has been reviewed by that individual or entity. If the  
16 reviewer does not recommend payment *for services* as ~~billed~~  
17 *itemized* by the physician or medical provider, the explanation of  
18 review shall provide the physician or medical provider with a  
19 specific explanation as to why the reviewer altered the procedure  
20 code or ~~amount billed~~ *changed other parts of the itemization* and  
21 the specific deficiency in the ~~billing~~ *itemization* or documentation  
22 that caused the reviewer to conclude that the altered procedure  
23 code or amount recommended for payment more accurately  
24 represents the service performed.

25 (3) The appeals board shall have jurisdiction over disputes  
26 arising out of this subdivision pursuant to Section 5304.

27 *SEC. 25. Section 4604.5 of the Labor Code is amended to*  
28 *read:*

29 4604.5. (a) Upon adoption by the administrative director of  
30 a medical treatment utilization schedule pursuant to Section  
31 5307.27, the recommended guidelines set forth in the schedule  
32 shall be presumptively correct on the issue of extent and scope of  
33 medical treatment. The presumption is rebuttable and may be  
34 controverted by a preponderance of the *scientific medical*  
35 evidence establishing that a variance from the guidelines is  
36 reasonably required to cure ~~and~~ *or* relieve the ~~employee injured~~  
37 *worker* from the effects of his or her injury. *The presumption*  
38 *created is one affecting the burden of proof.*

39 (b) The recommended guidelines set forth in the schedule  
40 adopted pursuant to subdivision (a) shall reflect practices ~~as~~

1 ~~generally accepted by the health care community, and shall apply~~  
2 ~~the current standards of care, including, but not limited to,~~  
3 ~~appropriate and inappropriate diagnostic techniques, treatment~~  
4 ~~modalities, adjustive modalities, length of treatment, and~~  
5 ~~appropriate specialty referrals. These guidelines shall be~~  
6 ~~educational and designed to assist providers by offering an~~  
7 ~~analytical framework for the evaluation and treatment of the more~~  
8 ~~common problems of injured workers, and shall assure~~  
9 ~~appropriate and necessary care for all injured workers diagnosed~~  
10 ~~with industrial conditions. that are evidence and scientifically~~  
11 ~~based, nationally recognized, and peer-reviewed. The guidelines~~  
12 ~~shall be designed to assist providers by offering an analytical~~  
13 ~~framework for the evaluation and treatment of injured workers,~~  
14 ~~and shall constitute care in accordance with Section 4600 for all~~  
15 ~~injured workers diagnosed with industrial conditions.~~

16 (c) Three months after the publication date of the updated  
17 American College of Occupational and Environmental ~~Medicine~~  
18 ~~Medicine's Occupational Medical Medicine Practice Guidelines,~~  
19 and continuing until the effective date of a medical treatment  
20 utilization schedule, pursuant to Section 5307.27, the  
21 recommended guidelines set forth in the American College of  
22 Occupational and Environmental ~~Medical Medicine's~~  
23 ~~Occupational Medicine Practice Guidelines~~ shall be  
24 presumptively correct on the issue of extent and scope of medical  
25 treatment, *regardless of date of injury*. The presumption is  
26 rebuttable and may be controverted by a preponderance of the  
27 evidence establishing that a variance from the guidelines is  
28 reasonably required to cure and relieve the employee from the  
29 effects of his or her injury, *in accordance with Section 4600. The*  
30 *presumption created is one affecting the burden of proof.*

31 (d) (1) Notwithstanding the medical treatment utilization  
32 schedule or the guidelines set forth in the American College of  
33 Occupational and Environmental ~~Medical Medicine's~~  
34 ~~Occupational Medicine Practice Guidelines~~, for injuries occurring  
35 on and after January 1, 2004, an employee shall be entitled to no  
36 more than 24 chiropractic, *24 occupational therapy*, and 24  
37 physical therapy visits per industrial injury.

38 ~~(e) The presumption afforded to the treating physician in~~  
39 ~~Section 4062.9 shall not be applicable to cases arising under this~~  
40 ~~section.~~

1 ~~(f)~~

2 (2) This ~~section~~ *subdivision* shall not apply when an ~~insurance~~  
3 ~~carrier~~ employer authorizes, in writing, additional visits to a health  
4 care practitioner for physical medicine services.

5 ~~(g)~~

6 (e) For all injuries not covered by the American College of  
7 Occupational and Environmental—~~Medicine~~ *Medicine's*  
8 Occupational Medicine Practice Guidelines or official utilization  
9 schedule after adoption pursuant to Section 5307.27, authorized  
10 treatment shall be in accordance with other evidence based  
11 medical treatment guidelines generally recognized by the *national*  
12 medical community *and that are scientifically based.*

13 *SEC. 27. Article 2.3 (commencing with Section 4616) is*  
14 *added to Chapter 2 of Part 2 of Division 4 of the Labor Code, to*  
15 *read:*

16  
17 *Article 2.3. Medical Provider Networks*

18  
19 *4616. (a) (1) On or after January 1, 2005, an insurer or*  
20 *employer may establish or modify a medical provider network for*  
21 *the provision of medical treatment to injured employees. The*  
22 *network shall include physicians primarily engaged in the*  
23 *treatment of occupational injuries and physicians primarily*  
24 *engaged in the treatment of nonoccupational injuries. The goal*  
25 *shall be at least 25 percent of physicians primarily engaged in the*  
26 *treatment of nonoccupational injuries. The administrative director*  
27 *shall encourage the integration of occupational and*  
28 *nonoccupational providers. The number of physicians in the*  
29 *medical provider network shall be sufficient to enable treatment*  
30 *for injuries or conditions to be provided in a timely manner. The*  
31 *provider network shall include an adequate number and type of*  
32 *physicians, as described in Section 3209.3, or other providers, as*  
33 *described in Section 3209.5, to treat common injuries experienced*  
34 *by injured employees based on the type of occupation or industry*  
35 *in which the employee is engaged, and the geographic area where*  
36 *the employees are employed.*

37 (2) *Medical treatment for injuries shall be readily available at*  
38 *reasonable times to all employees. To the extent feasible, all*  
39 *medical treatment for injuries shall be readily accessible to all*  
40 *employees. With respect to availability and accessibility of*

1 *treatment, the administrative director shall consider the needs of*  
2 *rural areas, specifically those in which health facilities are located*  
3 *at least 30 miles apart.*

4 *(b) The employer or insurer shall submit a plan for the medical*  
5 *provider network to the administrative director for approval. The*  
6 *administrative director shall approve the plan if he or she*  
7 *determines that the plan meets the requirements of this section. If*  
8 *the administrative director does not act on the plan within 60 days*  
9 *of submitting the plan, it shall be deemed approved.*

10 *(c) Physician compensation may not be structured in order to*  
11 *achieve the goal of reducing, delaying, or denying medical*  
12 *treatment or restricting access to medical treatment.*

13 *(d) If the employer or insurer meets the requirements of this*  
14 *section, the administrative director may not withhold approval or*  
15 *disapprove an employer's or insurer's medical provider network*  
16 *based solely on the selection of providers. In developing a medical*  
17 *provider network, an employer or insurer shall have the exclusive*  
18 *right to determine the members of their network.*

19 *(e) All treatment provided shall be provided in accordance with*  
20 *the medical treatment utilization schedule established pursuant to*  
21 *Section 5307.27 or the American College of Occupational*  
22 *Medicine's Occupational Medicine Practice Guidelines, as*  
23 *appropriate.*

24 *(f) No person other than a licensed physician who is competent*  
25 *to evaluate the specific clinical issues involved in the medical*  
26 *treatment services, when these services are within the scope of the*  
27 *physician's practice, may modify, delay, or deny requests for*  
28 *authorization of medical treatment.*

29 *(g) On or before November 1, 2004, the administrative director,*  
30 *in consultation with the Department of Managed Health Care,*  
31 *shall adopt regulations implementing this article. The*  
32 *administrative director shall develop regulations that establish*  
33 *procedures for purposes of making medical provider network*  
34 *modifications.*

35 *4616.1. (a) An insurer or employer that offers a medical*  
36 *provider network under this division and that uses economic*  
37 *profiling shall file with the administrative director a description of*  
38 *any policies and procedures related to economic profiling utilized*  
39 *by the insurer or employer. The filing shall describe how these*  
40 *policies and procedures are used in utilization review, peer review,*

1 *incentive and penalty programs, and in provider retention and*  
2 *termination decisions. The insurer or employer shall provide a*  
3 *copy of the filing to an individual physician, provider, medical*  
4 *group, or individual practice association.*

5 *(b) The administrative director shall make each insurer's or*  
6 *employer's filing available to the public upon request. The*  
7 *administrative director may not publicly disclose any information*  
8 *submitted pursuant to this section that is determined by the*  
9 *administrative director to be confidential pursuant to state or*  
10 *federal law.*

11 *(c) For the purposes of this article, "economic profiling" shall*  
12 *mean any evaluation of a particular physician, provider, medical*  
13 *group, or individual practice association based in whole or in part*  
14 *on the economic costs or utilization of services associated with*  
15 *medical care provided or authorized by the physician, provider,*  
16 *medical group, or individual practice association.*

17 4616.2. *(a) An insurer or employer that arranges for care for*  
18 *injured employees through a medical provider network shall file a*  
19 *written continuity of care policy with the administrative director.*

20 *(b) If approved by the administrative director, the provisions of*  
21 *the written continuity of care policy shall replace all prior*  
22 *continuity of care policies. The insurer or employer shall file a*  
23 *revision of the continuity of care policy with the administrative*  
24 *director if it makes a material change to the policy.*

25 *(c) The insurer or employer shall provide to all employees*  
26 *entering the workers' compensation system notice of its written*  
27 *continuity of care policy and information regarding the process for*  
28 *an employee to request a review under the policy and shall provide,*  
29 *upon request, a copy of the written policy to an employee.*

30 *(d) (1) An insurer or employer that offers a medical provider*  
31 *network shall, at the request of an injured employee, provide the*  
32 *completion of treatment as set forth in this section by a terminated*  
33 *provider.*

34 *(2) The completion of treatment shall be provided by a*  
35 *terminated provider to an injured employee who, at the time of the*  
36 *contract's termination, was receiving services from that provider*  
37 *for one of the conditions described in paragraph (3).*

38 *(3) The insurer or employer shall provide for the completion of*  
39 *treatment for the following conditions subject to coverage through*  
40 *the workers' compensation system:*

1 (A) *An acute condition. An acute condition is a medical*  
2 *condition that involves a sudden onset of symptoms due to an*  
3 *illness, injury, or other medical problem that requires prompt*  
4 *medical attention and that has a limited duration. Completion of*  
5 *treatment shall be provided for the duration of the acute condition.*

6 (B) *A serious chronic condition. A serious chronic condition is*  
7 *a medical condition due to a disease, illness, or other medical*  
8 *problem or medical disorder that is serious in nature and that*  
9 *persists without full cure or worsens over an extended period of*  
10 *time or requires ongoing treatment to maintain remission or*  
11 *prevent deterioration. Completion of treatment shall be provided*  
12 *for a period of time necessary to complete a course of treatment*  
13 *and to arrange for a safe transfer to another provider, as*  
14 *determined by the insurer or employer in consultation with the*  
15 *injured employee and the terminated provider and consistent with*  
16 *good professional practice. Completion of treatment under this*  
17 *paragraph shall not exceed 12 months from the contract*  
18 *termination date.*

19 (C) *A terminal illness. A terminal illness is an incurable or*  
20 *irreversible condition that has a high probability of causing death*  
21 *within one year or less. Completion of treatment shall be provided*  
22 *for the duration of a terminal illness.*

23 (D) *Performance of a surgery or other procedure that is*  
24 *authorized by the insurer or employer as part of a documented*  
25 *course of treatment and has been recommended and documented*  
26 *by the provider to occur within 180 days of the contract's*  
27 *termination date.*

28 (4) (A) *The insurer or employer may require the terminated*  
29 *provider whose services are continued beyond the contract*  
30 *termination date pursuant to this section to agree in writing to be*  
31 *subject to the same contractual terms and conditions that were*  
32 *imposed upon the provider prior to termination. If the terminated*  
33 *provider does not agree to comply or does not comply with these*  
34 *contractual terms and conditions, the insurer or employer is not*  
35 *required to continue the provider's services beyond the contract*  
36 *termination date.*

37 (B) *Unless otherwise agreed by the terminated provider and the*  
38 *insurer or employer, the services rendered pursuant to this section*  
39 *shall be compensated at rates and methods of payment similar to*  
40 *those used by the insurer or employer for currently contracting*

1 providers providing similar services who are practicing in the  
2 same or a similar geographic area as the terminated provider. The  
3 insurer or provider is not required to continue the services of a  
4 terminated provider if the provider does not accept the payment  
5 rates provided for in this paragraph.

6 (5) An insurer or employer shall ensure that the requirements  
7 of this section are met.

8 (6) This section shall not require an insurer or employer to  
9 provide for completion of treatment by a provider whose contract  
10 with the insurer or employer has been terminated or not renewed  
11 for reasons relating to a medical disciplinary cause or reason, as  
12 defined in paragraph (6) of subdivision (a) of Section 805 of the  
13 Business and Profession Code, or fraud or other criminal activity.

14 (7) Nothing in this section shall preclude an insurer or  
15 employer from providing continuity of care beyond the  
16 requirements of this section.

17 (e) The insurer or employer may require the terminated  
18 provider whose services are continued beyond the contract  
19 termination date pursuant to this section to agree in writing to be  
20 subject to the same contractual terms and conditions that were  
21 imposed upon the provider prior to termination. If the terminated  
22 provider does not agree to comply or does not comply with these  
23 contractual terms and conditions, the insurer or employer is not  
24 required to continue the provider's services beyond the contract  
25 termination date.

26 4616.3. (a) When the injured employee notifies the employer  
27 of the injury or files a claim for workers' compensation with the  
28 employer, the employer shall arrange an initial medical evaluation  
29 and begin treatment as required by Section 4600.

30 (b) The employer shall notify the employee of his or her right  
31 to be treated by a physician of his or her choice after the first visit  
32 from the medical provider network established pursuant to this  
33 article, and the method by which the list of participating providers  
34 may be accessed by the employee.

35 (c) If an injured employee disputes either the diagnosis or the  
36 treatment prescribed by the treating physician, the employee may  
37 seek the opinion of another physician in the medical provider  
38 network. If the injured employee disputes the diagnosis or  
39 treatment prescribed by the second physician, the employee may

1 *seek the opinion of a third physician in the medical provider*  
2 *network.*

3 *(d) (1) Selection by the injured employee of a treating*  
4 *physician and any subsequent physicians shall be based on the*  
5 *physician's specialty or recognized expertise in treating the*  
6 *particular injury or condition in question.*

7 *(2) Treatment by a specialist who is not a member of the*  
8 *medical provider network may be permitted on a case-by-case*  
9 *basis if the medical provider network does not contain a physician*  
10 *who can provide the approved treatment and the treatment is*  
11 *approved by the employer or the insurer.*

12 *4616.4. (a) (1) The administrative director shall contract*  
13 *with individual physicians, as described in paragraph (2), or an*  
14 *independent medical review organization to perform independent*  
15 *medical reviews pursuant to this section.*

16 *(2) Only physicians licensed pursuant to Chapter 5*  
17 *(commencing with Section 2000) of the Business and Professions*  
18 *Code may be independent medical reviewers.*

19 *(3) The administrative director shall ensure that the*  
20 *independent medical reviewers or those within the review*  
21 *organization shall do all of the following:*

22 *(A) Be appropriately credentialed and privileged.*

23 *(B) Ensure that the reviews provided by the medical*  
24 *professionals are timely, clear, and credible, and that reviews are*  
25 *monitored for quality on an ongoing basis.*

26 *(C) Ensure that the method of selecting medical professionals*  
27 *for individual cases achieves a fair and impartial panel of medical*  
28 *professionals who are qualified to render recommendations*  
29 *regarding the clinical conditions consistent with the medical*  
30 *utilization schedule established pursuant to Section 5307.27, or*  
31 *the American College of Occupational and Environmental*  
32 *Medicine's Occupational Medicine Practice Guidelines.*

33 *(D) Ensure that confidentiality of medical records and the*  
34 *review materials, consistent with the requirements of this section*  
35 *and applicable state and federal law.*

36 *(E) Ensure the independence of the medical professionals*  
37 *retained to perform the reviews through conflict-of-interest*  
38 *policies and prohibitions, and ensure adequate screening for*  
39 *conflicts of interest.*

1 (4) Medical professionals selected by the administrative  
2 director or the independent medical review organizations to review  
3 medical treatment decisions shall be physicians, as specified in  
4 paragraph (2) of subdivision (a), who meet the following minimum  
5 requirements:

6 (A) The medical professional shall be a clinician  
7 knowledgeable in the treatment of the employee's medical  
8 condition, knowledgeable about the proposed treatment, and  
9 familiar with guidelines and protocols in the area of treatment  
10 under review.

11 (B) Notwithstanding any other provision of law, the medical  
12 professional shall hold a nonrestricted license in any state of the  
13 United States, and for physicians, a current certification by a  
14 recognized American medical specialty board in the area or areas  
15 appropriate to the condition or treatment under review.

16 (C) The medical professional shall have no history of  
17 disciplinary action or sanctions, including, but not limited to, loss  
18 of staff privileges or participation restrictions taken or pending by  
19 any hospital, government, or regulatory body.

20 (b) If, after the third physician's opinion, the treatment or  
21 diagnostic service remains disputed, the injured employee may  
22 request independent medical review regarding the disputed  
23 treatment or diagnostic service still in dispute after the third  
24 physician's opinion in accordance with Section 4616.3. The  
25 standard to be utilized for independent medical review is identical  
26 to that contained in the medical treatment utilization schedule  
27 established in Section 5307.27, or the American College of  
28 Occupational and Environmental Medicine's Occupational  
29 Medicine Practice Guidelines, as appropriate.

30 (c) Applications for independent medical review shall be  
31 submitted to the administrative director on a one-page form  
32 provided by the administrative director entitled "Independent  
33 Medical Review Application." The form shall contain a signed  
34 release from the injured employee, or a person authorized  
35 pursuant to law to act on behalf of the injured employee,  
36 authorizing the release of medical and treatment information. The  
37 injured employee may provide any relevant material or  
38 documentation with the application. The administrative director  
39 or the independent medical review organization shall assign the  
40 independent medical reviewer.

1 (d) Following receipt of the application for independent  
2 medical review, the employer or insurer shall provide the  
3 independent medical reviewer, assigned pursuant to subdivision  
4 (c), with all information that was considered in relation to the  
5 disputed treatment or diagnostic service, including both of the  
6 following:

7 (1) A copy of all correspondence from, and received by, any  
8 treating physician who provided a treatment or diagnostic service  
9 to the injured employee in connection with the injury.

10 (2) A complete and legible copy of all medical records and  
11 other information used by the physicians in making a decision  
12 regarding the disputed treatment or diagnostic service.

13 (e) Upon receipt of information and documents related to the  
14 application for independent medical review, the independent  
15 medical reviewer shall conduct a physical examination of the  
16 injured employee at the employee's discretion. The reviewer may  
17 order any diagnostic tests necessary to make his or her  
18 determination regarding medical treatment. Utilizing the medical  
19 treatment utilization schedule established pursuant to Section  
20 5307.27, or the American College of Occupational and  
21 Environmental Medicine's Occupational Medicine Practice  
22 Guidelines, as appropriate, and taking into account any reports  
23 and information provided, the reviewer shall determine whether  
24 the disputed health care service was consistent with Section  
25 5307.27 or the American College of Occupational and  
26 Environmental Medicine's Occupational Medicine Practice  
27 Guidelines based on the specific medical needs of the injured  
28 employee.

29 (f) The independent medical reviewer shall issue a report to the  
30 administrative director, in writing, and in layperson's terms to the  
31 maximum extent practicable, containing his or her analysis and  
32 determination whether the disputed health care service was  
33 consistent with the medical treatment utilization schedule  
34 established pursuant to Section 5307.27, or the American College  
35 of Occupational and Environmental Medicine's Occupational  
36 Medicine Practice Guidelines, as appropriate, within 30 days of  
37 the examination of the injured employee, or within less time as  
38 prescribed by the administrative director. If the disputed health  
39 care service has not been provided and the independent medical  
40 reviewer certifies in writing that an imminent and serious threat to

1 *the health of the injured employee may exist, including, but not*  
2 *limited to, serious pain, the potential loss of life, limb, or major*  
3 *bodily function, or the immediate and serious deterioration of the*  
4 *injured employee, the report shall be expedited and rendered*  
5 *within three days of the examination by the independent medical*  
6 *reviewer. Subject to the approval of the administrative director, the*  
7 *deadlines for analyses and determinations involving both regular*  
8 *and expedited reviews may be extended by the administrative*  
9 *director for up to three days in extraordinary circumstances or for*  
10 *good cause.*

11 *(g) The independent medical reviewer's analysis shall cite the*  
12 *injured employee's medical condition, the relevant documents in*  
13 *the record, and the relevant findings associated with the*  
14 *documents or any other information submitted to the reviewer in*  
15 *order to support the determination.*

16 *(h) The administrative director shall immediately adopt the*  
17 *determination of the independent medical reviewer, and shall*  
18 *promptly issue a written decision to the parties.*

19 *(i) If the determination of the independent medical reviewer*  
20 *finds that the disputed treatment or diagnostic service is consistent*  
21 *with Section 5307.27 or the American College of Occupational*  
22 *and Environmental Medicine's Occupational Medicine Practice*  
23 *Guidelines, the injured employee may seek the disputed treatment*  
24 *or diagnostic service from a physician of his or her choice from*  
25 *within or outside the medical provider network. Treatment outside*  
26 *the medical provider network shall be provided consistent with*  
27 *Section 5307.27 or the American College of Occupational and*  
28 *Environmental Medicine's Occupational Practice Guidelines. The*  
29 *employer shall be liable for the cost of any approved medical*  
30 *treatment in accordance with Section 5307.1 or 5307.11.*

31 *4616.5. For purposes of this article, "employer" means a*  
32 *self-insured employer, joint powers authority, or the state.*

33 *4616.6. No additional examinations shall be ordered by the*  
34 *appeals board and no other reports shall be admissible to resolve*  
35 *any controversy arising out of this article.*

36 *4616.7. (a) A health care organization certified pursuant to*  
37 *Section 4600.5 shall be deemed approved pursuant to this article*  
38 *if it meets the percentage required for physicians primarily*  
39 *engaged in nonoccupational medicine specified in subdivision (a)*

1 of Section 4616 and all the other requirements of this article are  
2 met, as determined by the administrative director.

3 (b) A health care service plan, licensed pursuant to Chapter 2.2  
4 (commencing with Section 1340) of Division 2 of the Health and  
5 Safety Code, shall be deemed approved for purposes of this article  
6 if it has a reasonable number of physicians with competency in  
7 occupational medicine, as determined by the administrative  
8 director.

9 (c) A group disability insurance policy, as defined in  
10 subdivision (b) of Section 106 of the Insurance Code, that covers  
11 hospital, surgical, and medical care expenses shall be deemed  
12 approved for purposes of this article if it has a reasonable number  
13 of physicians with competency in occupational medicine, as  
14 determined by the administrative director. For the purposes of this  
15 section, a group disability insurance policy shall not include  
16 Medicare supplement, vision-only, dental-only, and  
17 Champus-supplement insurance. For purposes of this section, a  
18 group disability insurance policy shall not include hospital  
19 indemnity, accident-only, and specified disease insurance that  
20 pays benefits on a fixed benefit, cash-payment-only basis.

21 (d) Any Taft-Hartley health and welfare fund shall be deemed  
22 approved for purposes of this article if it has a reasonable number  
23 of physicians with competency in occupational medicine, as  
24 determined by the administrative director.

25 SEC. 28. Section 4650 of the Labor Code is amended to read:

26 4650. (a) If an injury causes temporary disability, the first  
27 payment of temporary disability indemnity shall be made not later  
28 than 14 days after knowledge of the injury and disability, on which  
29 date all indemnity then due shall be paid, unless liability for the  
30 injury is earlier denied.

31 (b) If the injury causes permanent disability, the first payment  
32 shall be made within 14 days after the date of last payment of  
33 temporary disability indemnity. ~~Where~~ When the last payment of  
34 temporary disability indemnity has been made pursuant to  
35 subdivision (c) of Section 4656, and regardless of whether the  
36 extent of permanent disability ~~cannot~~ can be determined at the that  
37 date of last payment of temporary disability indemnity, the  
38 employer nevertheless shall commence the timely payment  
39 required by this subdivision and shall continue to make these  
40 payments until the employer's reasonable estimate of permanent

1 disability indemnity due has been paid, and if the amount of  
2 permanent disability indemnity due has been determined, until  
3 that amount has been paid.

4 (c) Payment of temporary or permanent disability indemnity  
5 subsequent to the first payment shall be made as due every two  
6 weeks on the day designated with the first payment.

7 (d) If any indemnity payment is not made timely as required by  
8 this section, the amount of the late payment shall be increased 10  
9 percent and shall be paid, without application, to the employee,  
10 unless the employer continues the employee's wages under a  
11 salary continuation plan, as defined in subdivision (g). No increase  
12 shall apply to any payment due prior to or within 14 days after the  
13 date the claim form was submitted to the employer under Section  
14 5401. No increase shall apply when, within the 14-day period  
15 specified under subdivision (a), the employer is unable to  
16 determine whether temporary disability indemnity payments are  
17 owed and advises the employee, in the manner prescribed in rules  
18 and regulations adopted pursuant to Section 138.4, why payments  
19 cannot be made within the 14-day period, what additional  
20 information is required to make the decision whether temporary  
21 disability indemnity payments are owed, and when the employer  
22 expects to have the information required to make the decision.

23 (e) If the employer is insured for its obligation to provide  
24 compensation, the employer shall be obligated to reimburse the  
25 insurer for the amount of increase in indemnity payments, made  
26 pursuant to subdivision (d), if the late payment which gives rise to  
27 the increase in indemnity payments, is due less than seven days  
28 after the insurer receives the completed claim form from the  
29 employer. Except as specified in this subdivision, an employer  
30 shall not be obligated to reimburse an insurer nor shall an insurer  
31 be permitted to seek reimbursement, directly or indirectly, for the  
32 amount of increase in indemnity payments specified in this  
33 section.

34 (f) If an employer is obligated under subdivision (e) to  
35 reimburse the insurer for the amount of increase in indemnity  
36 payments, the insurer shall notify the employer in writing, within  
37 30 days of the payment, that the employer is obligated to reimburse  
38 the insurer and shall bill and collect the amount of the payment no  
39 later than at final audit. However, the insurer shall not be obligated  
40 to collect, and the employer shall not be obligated to reimburse,

1 amounts paid pursuant to subdivision (d) unless the aggregate total  
2 paid in a policy year exceeds one hundred dollars (\$100). The  
3 employer shall have 60 days, following notice of the obligation to  
4 reimburse, to appeal the decision of the insurer to the Department  
5 of Insurance. The notice of the obligation to reimburse shall  
6 specify that the employer has the right to appeal the decision of the  
7 insurer as provided in this subdivision.

8 (g) For purposes of this section, “salary continuation plan”  
9 means a plan ~~which~~ *that* meets both of the following requirements:

10 (1) The plan is paid for by the employer pursuant to statute,  
11 collective bargaining agreement, memorandum of understanding,  
12 or established employer policy.

13 (2) The plan provides the employee on his or her regular  
14 payday with salary not less than the employee is entitled to receive  
15 pursuant to statute, collective bargaining agreement,  
16 memorandum of understanding, or established employer policy  
17 and not less than the employee would otherwise receive in  
18 indemnity payments.

19 *SEC. 29. Section 4656 of the Labor Code is amended to read:*

20 4656. (a) Aggregate disability payments for a single injury  
21 occurring prior to January 1, 1979, causing temporary disability  
22 shall not extend for more than 240 compensable weeks within a  
23 period of five years from the date of the injury.

24 ~~Aggregate~~

25 (b) *Aggregate* disability payments for a single injury occurring  
26 on or after January 1, 1979, *and prior to the effective date of*  
27 *subdivision (c)*, causing temporary partial disability shall not  
28 extend for more than 240 compensable weeks within a period of  
29 five years from the date of the injury.

30 (c) (1) *Aggregate disability payments for a single injury*  
31 *occurring on or after the effective date of this subdivision, causing*  
32 *temporary disability shall not extend for more than 104*  
33 *compensable weeks within a period of two years from the date of*  
34 *commencement of temporary disability payment.*

35 (2) *Notwithstanding paragraph (1), for an employee who*  
36 *suffers from the following injuries or conditions, aggregate*  
37 *disability payments for a single injury occurring on or after the*  
38 *effective date of this subdivision, causing temporary disability*  
39 *shall not extend for more than 240 compensable weeks within a*  
40 *period of five years from the date of the injury:*

- 1 (A) *Acute and chronic hepatitis B.*
- 2 (B) *Acute and chronic hepatitis C.*
- 3 (C) *Amputations.*
- 4 (D) *Severe burns.*
- 5 (E) *Human immunodeficiency virus (HIV).*
- 6 (F) *High-velocity eye injuries.*
- 7 (G) *Chemical burns to the eyes.*
- 8 (H) *Pulmonary fibrosis.*
- 9 (I) *Chronic lung disease.*

10 *SEC. 30. Section 4658 of the Labor Code is amended to read:*  
 11 4658. (a) For injuries occurring prior to January 1, 1992, if  
 12 the injury causes permanent disability, the percentage of disability  
 13 to total disability shall be determined, and the disability payment  
 14 computed and allowed, according to paragraph (1). However, in  
 15 no event shall the disability payment allowed be less than the  
 16 disability payment computed according to paragraph (2).

17 (1)

24	disability incurred:	within percentage range:
25	Under 10 .....	3
26	10–19.75 .....	4
27	20–29.75 .....	5
28	30–49.75 .....	6
29	50–69.75 .....	7
30	70–99.75 .....	8

31  
 32 The number of weeks for which payments shall be allowed set  
 33 forth in column 2 above based upon the percentage of permanent  
 34 disability set forth in column 1 above shall be cumulative, and the  
 35 number of benefit weeks shall increase with the severity of the  
 36 disability. The following schedule is illustrative of the  
 37 computation of the number of benefit weeks:  
 38

1 Column 1—		Column 2—
2 Percentage		Cumulative
3 of permanent		number of
4 disability		benefit weeks:
5 incurred:		
6 5 .....		15.00
7 10 .....		30.25
8 15 .....		50.25
9 20 .....		70.50
10 25 .....		95.50
11 30 .....		120.75
12 35 .....		150.75
13 40 .....		180.75
14 45 .....		210.75
15 50 .....		241.00
16 55 .....		276.00
17 60 .....		311.00
18 65 .....		346.00
19 70 .....		381.25
20 75 .....		421.25
21 80 .....		461.25
22 85 .....		501.25
23 90 .....		541.25
24 95 .....		581.25
25 100 .....		for life

26  
 27 (2) Two-thirds of the average weekly earnings for four weeks  
 28 for each 1 percent of disability, where, for the purposes of this  
 29 subdivision, the average weekly earnings shall be taken at not  
 30 more than seventy-eight dollars and seventy-five cents (\$78.75).

31 (b) This subdivision shall apply to injuries occurring on or after  
 32 January 1, 1992. If the injury causes permanent disability, the  
 33 percentage of disability to total disability shall be determined, and  
 34 the disability payment computed and allowed, according to  
 35 paragraph (1). However, in no event shall the disability payment  
 36 allowed be less than the disability payment computed according to  
 37 paragraph (2).

38 (1)

Column 1—Range of percentage of permanent disability incurred:	Column 2—Number of weeks for which two-thirds of average weekly earnings allowed for each 1 percent of permanent disability within percentage range:
Under 10 .....	3
10–19.75 .....	4
20–24.75 .....	5
25–29.75 .....	6
30–49.75 .....	7
50–69.75 .....	8
70–99.75 .....	9

The numbers set forth in column 2 above are based upon the percentage of permanent disability set forth in column 1 above and shall be cumulative, and shall increase with the severity of the disability in the manner illustrated in subdivision (a).

(2) Two-thirds of the average weekly earnings for four weeks for each 1 percent of disability, where, for the purposes of this subdivision, the average weekly earnings shall be taken at not more than seventy-eight dollars and seventy-five cents (\$78.75).

(c) This subdivision shall apply to injuries occurring on or after January 1, 2004. If the injury causes permanent disability, the percentage of disability to total disability shall be determined, and the disability payment computed and allowed as follows:

Column 1—Range of percentage of permanent disability incurred:	Column 2—Number of weeks for which two-thirds of average weekly earnings allowed for each 1 percent of permanent disability within percentage range:
Under 10 .....	4
10–19.75 .....	5
20–24.75 .....	5
25–29.75 .....	6
30–49.75 .....	7

1	50–69.75 .....	8
2	70–99.75 .....	9
3		

4 The numbers set forth in column 2 above are based upon the  
 5 percentage of permanent disability set forth in column 1 above and  
 6 shall be cumulative, and shall increase with the severity of the  
 7 disability in the manner illustrated in subdivision (a).

8 *(d) (1) This subdivision shall apply to injuries occurring on or*  
 9 *after the effective date of the revised permanent disability schedule*  
 10 *adopted by the administrative director pursuant to Section 4660.*  
 11 *If the injury causes permanent disability, the percentage of*  
 12 *disability to total disability shall be determined, and the basic*  
 13 *disability payment computed as follows:*

15	Column 2—Number of weeks
16	for which two-thirds of
17	average weekly earnings
18	allowed for each 1 percent
19	of permanent disability
20	within percentage range:
21	Column 1—Range
22	of percentage
23	of permanent
24	disability incurred:
21	0.25–9.75 ..... 3
22	10–14.75 ..... 4
23	15–24.75 ..... 5
24	25–29.75 ..... 6
25	30–49.75 ..... 7
26	50–69.75 ..... 8
27	70–99.75 ..... 16

28  
 29 *The numbers set forth in column 2 above are based upon the*  
 30 *percentage of permanent disability set forth in column 1 above and*  
 31 *shall be cumulative, and shall increase with the severity of the*  
 32 *disability in the manner illustrated in subdivision (a).*

33 *(2) If, within 60 days of a disability becoming permanent and*  
 34 *stationary, an employer does not offer the injured employee*  
 35 *regular work, modified work, or alternative work, in the form and*  
 36 *manner prescribed by the administrative director, for a period of*  
 37 *at least 12 months, each disability payment remaining to be paid*  
 38 *to the injured employee from the date of the end of the 60-day*  
 39 *period shall be paid in accordance with paragraph (1) and*

1 *increased by 15 percent. This paragraph shall not apply to an*  
2 *employer that employs fewer than 50 employees.*

3 (3) (A) *If, within 60 days of a disability becoming permanent*  
4 *and stationary, an employer offers the injured employee regular*  
5 *work, modified work, or alternative work, in the form and manner*  
6 *prescribed by the administrative director, for a period of at least*  
7 *12 months, and regardless of whether the injured employee accepts*  
8 *or rejects the offer, each disability payment remaining to be paid*  
9 *to the injured employee from the date the offer was made shall be*  
10 *paid in accordance with paragraph (1) and decreased by 15*  
11 *percent.*

12 (B) *If the regular work, modified work, or alternative work is*  
13 *terminated by the employer before the end of the period for which*  
14 *disability payments are due the injured employee, the amount of*  
15 *each of the remaining disability payments shall be paid in*  
16 *accordance with paragraph (1) and increased by 15 percent. An*  
17 *employee who voluntarily terminates employment shall not be*  
18 *eligible for payment under this subparagraph. This paragraph*  
19 *shall not apply to an employer that employs fewer than 50*  
20 *employees.*

21 (4) *For compensable claims arising before April 30, 2004, the*  
22 *schedule provided in this subdivision shall not apply to the*  
23 *determination of permanent disabilities when there has been either*  
24 *a comprehensive medical-legal report or a report by a treating*  
25 *physician, indicating the existence of permanent disability, or*  
26 *when the employer is required to provide the notice required by*  
27 *Section 4061 to the injured worker.*

28 SEC. 31. *Section 4658.1 is added to the Labor Code, to read:*  
29 *4658.1. As used in this article, the following definitions apply:*

30 (a) *“Regular work” means the employee’s usual occupation or*  
31 *the position in which the employee was engaged at the time of*  
32 *injury and that offers wages and compensation equivalent to those*  
33 *paid to the employee at the time of injury, and located within a*  
34 *reasonable commuting distance of the employee’s residence at the*  
35 *time of injury.*

36 (b) *“Modified work” means regular work modified so that the*  
37 *employee has the ability to perform all the functions of the job and*  
38 *that offers wages and compensation that are at least 85 percent of*  
39 *those paid to the employee at the time of injury, and located within*

1 a reasonable commuting distance of the employee's residence at  
2 the time of injury.

3 (c) "Alternative work" means work that the employee has the  
4 ability to perform, that offers wages and compensation that are at  
5 least 85 percent of those paid to the employee at the time of injury,  
6 and that is located within reasonable commuting distance of the  
7 employee's residence at the time of injury.

8 (d) For the purpose of determining whether wages and  
9 compensation are equivalent to those paid at the time of injury, the  
10 wages and compensation for any increase in working hours over  
11 the average hours worked at the time of injury shall not be  
12 considered.

13 (e) For the purpose of determining whether wages and  
14 compensation are equivalent to those paid at the time of injury,  
15 actual wages and compensation shall be determined without  
16 regard to the minimums and maximums set forth in Chapter 1  
17 (commencing with Section 4451).

18 (f) The condition that regular work, modified work, or  
19 alternative work be located within a reasonable distance of the  
20 employee's residence at the time of injury may be waived by the  
21 employee. The condition shall be deemed to be waived if the  
22 employee accepts the regular work, modified work, or alternative  
23 work and does not object to the location within 20 days of being  
24 informed of the right to object. The condition shall be conclusively  
25 deemed to be satisfied if the offered work is at the same location  
26 and the same shift as the employment at the time of injury.

27 SEC. 32. Section 4660 of the Labor Code is amended to read:

28 4660. (a) In determining the percentages of permanent  
29 disability, account shall be taken of the nature of the physical  
30 injury or disfigurement, the occupation of the injured employee,  
31 and his or her age at the time of ~~such~~ the injury, consideration  
32 being given to ~~the~~ an employee's diminished ability of ~~such injured~~  
33 ~~employee to compete in an open labor market~~ future earning  
34 capacity.

35 (b) (1) For purposes of this section, the "nature of the physical  
36 injury or disfigurement" shall incorporate the descriptions and  
37 measurements of physical impairments and the corresponding  
38 percentages of impairments published in the American Medical  
39 Association (AMA) Guides to the Evaluation of Permanent  
40 Impairment (5th Edition).

1 (2) *For purposes of this section, an employee's diminished*  
2 *future earning capacity shall be a numeric formula based on*  
3 *empirical data and findings that aggregate the average percentage*  
4 *of long-term loss of income resulting from each type of injury for*  
5 *similarly situated employees. The administrative director shall*  
6 *formulate the adjusted rating schedule based on empirical data*  
7 *and findings from the Evaluation of California's Permanent*  
8 *Disability Rating Schedule, Interim Report (December 2003),*  
9 *prepared by the RAND Institute for Civil Justice, and upon data*  
10 *from additional empirical studies.*

11 (c) ~~The administrative director may prepare, adopt, and from~~  
12 ~~time to time shall amend, a~~ the schedule for the determination of  
13 the percentage of permanent ~~disabilities~~ disability in accordance  
14 with this section ~~at least once every five years. Such~~ This schedule  
15 shall be available for public inspection; and, without formal  
16 introduction in evidence, shall be prima facie evidence of the  
17 percentage of permanent disability to be attributed to each injury  
18 covered by the schedule.

19 ~~(e) Any such~~

20 (d) *The schedule shall promote consistency, uniformity, and*  
21 *objectivity. The schedule and any amendment thereto or revision*  
22 *thereof shall apply prospectively and shall apply to and govern*  
23 *only those permanent disabilities—~~which~~ that result from*  
24 *compensable injuries received or occurring on and after the*  
25 *effective date of the adoption of ~~such~~ the schedule, amendment or*  
26 *revision, as the fact may ~~be~~ be. For compensable claims arising*  
27 *before January 1, 2005, the schedule as revised pursuant to*  
28 *changes made in legislation enacted during the 2003–04 Regular*  
29 *and Extraordinary Sessions shall apply to the determination of*  
30 *permanent disabilities when there has been either no*  
31 *comprehensive medical-legal report or no report by a treating*  
32 *physician indicating the existence of permanent disability, or when*  
33 *the employer is not required to provide the notice required by*  
34 *Section 4061 to the injured worker.*

35 ~~(d) On or before January 1, 1995, the administrative director~~  
36 ~~shall review and revise the schedule for the determination of the~~  
37 ~~percentage of permanent disabilities. The revision shall include,~~  
38 ~~but not be limited to, an updating of the standard disability ratings~~  
39 ~~and occupations to reflect the current labor market. However, no~~  
40 ~~change in standard disability ratings shall be adopted without the~~

1 ~~approval of the Commission of Health and Safety and Workers'~~  
2 ~~Compensation. A proposed revision shall be submitted to the~~  
3 ~~commission on or before July 1, 1994.~~

4 *(e) On or before January 1, 2005, the administrative director*  
5 *shall adopt regulations to implement the changes made to this*  
6 *section by the act that added this subdivision.*

7 *SEC. 33. Section 4663 of the Labor Code is repealed.*

8 ~~4663. In case of aggravation of any disease existing prior to~~  
9 ~~a compensable injury, compensation shall be allowed only for the~~  
10 ~~proportion of the disability due to the aggravation of such prior~~  
11 ~~disease which is reasonably attributed to the injury.~~

12 *SEC. 34. Section 4663 is added to the Labor Code, to read:*

13 *4663. (a) Apportionment of permanent disability shall be*  
14 *based on causation.*

15 *(b) Any physician who prepares a report addressing the issue*  
16 *of permanent disability due to a claimed industrial injury shall in*  
17 *that report address the issue of causation of the permanent*  
18 *disability.*

19 *(c) In order for a physician's report to be considered complete*  
20 *on the issue of permanent disability, it must include an*  
21 *apportionment determination. A physician shall make an*  
22 *apportionment determination by finding what approximate*  
23 *percentage of the permanent disability was caused by the direct*  
24 *result of injury arising out of and occurring in the course of*  
25 *employment and what approximate percentage of the permanent*  
26 *disability was caused by other factors both before and subsequent*  
27 *to the industrial injury, including prior industrial injuries. If the*  
28 *physician is unable to include an apportionment determination in*  
29 *his or her report, the physician shall state the specific reasons why*  
30 *the physician could not make a determination of the effect of that*  
31 *prior condition on the permanent disability arising from the injury.*  
32 *The physician shall then consult with other physicians or refer the*  
33 *employee to another physician from whom the employee is*  
34 *authorized to seek treatment or evaluation in accordance with this*  
35 *division in order to make the final determination.*

36 *(d) An employee who claims an industrial injury shall, upon*  
37 *request, disclose all previous permanent disabilities or physical*  
38 *impairments.*

39 *SEC. 35. Section 4664 is added to the Labor Code, to read:*

1 4664. (a) *The employer shall only be liable for the*  
2 *percentage of permanent disability directly caused by the injury*  
3 *arising out of and occurring in the course of employment.*

4 (b) *If the applicant has received a prior award of permanent*  
5 *disability, it shall be conclusively presumed that the prior*  
6 *permanent disability exists at the time of any subsequent industrial*  
7 *injury. This presumption is a presumption affecting the burden of*  
8 *proof.*

9 (c) (1) *The accumulation of all permanent disability awards*  
10 *issued with respect to any one region of the body in favor of one*  
11 *individual employee shall not exceed 100 percent over the*  
12 *employee's lifetime unless the employee's injury or illness is*  
13 *conclusively presumed to be total in character pursuant to Section*  
14 *4662. As used in this section, the regions of the body are the*  
15 *following:*

16 (A) *Hearing.*

17 (B) *Vision.*

18 (C) *Mental and behavioral disorders.*

19 (D) *The spine.*

20 (E) *The upper extremities, including the shoulders.*

21 (F) *The lower extremities, including the hip joints.*

22 (G) *The head, face, cardiovascular system, respiratory system,*  
23 *and all other systems or regions of the body not listed in*  
24 *subparagraphs (A) to (F), inclusive.*

25 (2) *Nothing in this section shall be construed to permit the*  
26 *permanent disability rating for each individual injury sustained by*  
27 *an employee arising from the same industrial accident, when*  
28 *added together, from exceeding 100 percent.*

29 SEC. 36. *Section 4706.5 of the Labor Code is amended to*  
30 *read:*

31 4706.5. (a) *Whenever any fatal injury is suffered by an*  
32 *employee under such circumstances as to that would entitle the*  
33 *employee to compensation benefits, but for his or her death, and*  
34 *the employee does not leave surviving any person entitled to a*  
35 *dependency death benefit, the employer shall pay a sum to the*  
36 *Department of Industrial Relations equal to the total dependency*  
37 *death benefit that would be payable to a surviving spouse with no*  
38 *dependent minor children.*

39 (b) ~~Where~~ *When the deceased employee leaves no surviving*  
40 *dependent, personal representative, heir, or other person entitled*

1 to the accrued and unpaid compensation referred to in Section  
2 4700, the accrued and unpaid compensation shall be paid by the  
3 employer to the Department of Industrial Relations.

4 (c) The payments to be made to the Department of Industrial  
5 Relations, as required by subdivisions (a) and (b), shall be  
6 deposited in the General Fund and shall be credited, as a  
7 reimbursement, to any appropriation to the Department of  
8 Industrial Relations for payment of the additional compensation  
9 for subsequent injury provided in Article 5 (commencing with  
10 Section ~~4750~~ 4751), in the fiscal year in which the Controller's  
11 receipt is issued.

12 (d) The payments to be made to the Department of Industrial  
13 Relations, as required by subdivision (a), shall be paid to the  
14 department in a lump sum in the manner provided in subdivision  
15 (b) of Section 5101.

16 (e) The Department of Industrial Relations shall keep a record  
17 of all payments due the state under this section, and shall take ~~such~~  
18 *any* steps as may be necessary to collect those amounts.

19 (f) Each employer, or the employer's insurance carrier, shall  
20 notify the administrative director, in ~~such~~ *any* form as the  
21 administrative director may prescribe, of each employee death,  
22 except when the employer has actual knowledge or notice that the  
23 deceased employee left a surviving dependent.

24 (g) When, after a reasonable search, the employer concludes  
25 that the deceased employee left no one surviving who is entitled  
26 to a dependency death benefit, and concludes that the death was  
27 under ~~such~~ circumstances ~~as to that would~~ entitle the employee to  
28 compensation benefits, the employer may voluntarily make the  
29 payment referred to in subdivision (a). Payments so made shall be  
30 construed as payments made pursuant to an appeals board findings  
31 and award. Thereafter, if the appeals board finds that the deceased  
32 employee did in fact leave a person surviving who is entitled to a  
33 dependency death benefit, upon that finding, all payments referred  
34 to in subdivision (a) ~~which that~~ have been made shall be forthwith  
35 returned to the employer, or if insured, to the employer's workers'  
36 compensation carrier that indemnified the employer for the loss.

37 *SEC. 37. Section 4750 of the Labor Code is repealed.*

38 ~~4750. An employee who is suffering from a previous~~  
39 ~~permanent disability or physical impairment and sustains~~  
40 ~~permanent injury thereafter shall not receive from the employer~~

1 ~~compensation for the later injury in excess of the compensation~~  
2 ~~allowed for such injury when considered by itself and not in~~  
3 ~~conjunction with or in relation to the previous disability or~~  
4 ~~impairment.~~

5 ~~The employer shall not be liable for compensation to such an~~  
6 ~~employee for the combined disability, but only for that portion due~~  
7 ~~to the later injury as though no prior disability or impairment had~~  
8 ~~existed.~~

9 *SEC. 38. Section 4750.5 of the Labor Code is repealed.*

10 ~~4750.5. An employee who has sustained a compensable~~  
11 ~~injury and who subsequently sustains an unrelated~~  
12 ~~noncompensable injury, shall not receive permanent disability~~  
13 ~~indemnity for any permanent disability caused solely by the~~  
14 ~~subsequent noncompensable injury.~~

15 ~~The purpose of this section is to overrule the decision in Jensen~~  
16 ~~v. WCAB, 136 Cal. App. 3d 1042.~~

17 *SEC. 39. Section 4903.05 of the Labor Code is amended to*  
18 *read:*

19 4903.05. (a) A filing fee of one hundred dollars (\$100) shall  
20 be charged for each initial lien filed by providers, *or on behalf of*  
21 *providers*, pursuant to subdivision (b) of Section 4903.

22 (b) No filing fee shall be required for liens filed by the Veterans  
23 Administration, the Medi-Cal program, or public hospitals.

24 (c) The filing fee shall be collected by the court administrator.  
25 All fees shall be deposited in the Workers' Compensation  
26 Administration Revolving Fund. Any fees collected from  
27 providers that have not been redistributed to providers pursuant to  
28 paragraph (2) of subdivision (b) of Section 4603.2, shall be used  
29 to offset the amount of fees assessed on employers under Section  
30 62.5.

31 (d) The court administrator shall adopt reasonable rules and  
32 regulations governing the procedures for the collection of the  
33 filing fee.

34 *SEC. 40. Section 5402 of the Labor Code is amended to read:*

35 5402. (a) Knowledge of an injury, obtained from any source,  
36 on the part of an employer, his or her managing agent,  
37 superintendent, foreman, or other person in authority, or  
38 knowledge of the assertion of a claim of injury sufficient to afford  
39 opportunity to the employer to make an investigation into the facts,  
40 is equivalent to service under Section 5400.

1 (b) If liability is not rejected within 90 days after the date the  
2 claim form is filed under Section 5401, the injury shall be  
3 presumed compensable under this division. The presumption of  
4 this subdivision is rebuttable only by evidence discovered  
5 subsequent to the 90-day period.

6 (c) *Within one working day after an employee files a claim form*  
7 *under Section 5401, the employer shall authorize the provision of*  
8 *all treatment, consistent with Section 5307.27 or the American*  
9 *College of Occupational and Environmental Medicine's*  
10 *Occupational Medicine Practice Guidelines, for the alleged injury*  
11 *and shall continue to provide the treatment until the date that*  
12 *liability for the claim is accepted or rejected. Until the date the*  
13 *claim is accepted or rejected, liability for medical treatment shall*  
14 *be limited to ten thousand dollars (\$10,000).*

15 (d) *Treatment provided under subdivision (c) shall not give rise*  
16 *to a presumption of liability on the part of the employer.*

17 SEC. 41. *Section 5703 of the Labor Code is amended to read:*

18 5703. The appeals board may receive as evidence either at or  
19 subsequent to a hearing, and use as proof of any fact in dispute, the  
20 following matters, in addition to sworn testimony presented in  
21 open hearing:

22 (a) Reports of attending or examining physicians.

23 (1) Statements concerning any bill for services are admissible  
24 only if made under penalty of perjury that they are true and correct  
25 to the best knowledge of the physician.

26 (2) In addition, reports are admissible under this subdivision  
27 only if the physician has further stated in the body of the report that  
28 there has not been a violation of Section 139.3 and that the contents  
29 of the report are true and correct to the best knowledge of the  
30 physician. The statement shall be made under penalty of perjury.

31 (b) Reports of special investigators appointed by the appeals  
32 board or a workers' compensation judge to investigate and report  
33 upon any scientific or medical question.

34 (c) Reports of employers, containing copies of timesheets,  
35 book accounts, reports, and other records properly authenticated.

36 (d) Properly authenticated copies of hospital records of the case  
37 of the injured employee.

38 (e) All publications of the Division of Workers' Compensation.

39 (f) All official publications of the State of California and  
40 United States governments.

1 (g) Excerpts from expert testimony received by the appeals  
2 board upon similar issues of scientific fact in other cases and the  
3 prior decisions of the appeals board upon similar issues.

4 (h) Relevant portions of medical treatment protocols published  
5 by medical specialty societies. To be admissible, the party offering  
6 such a protocol or portion of a protocol shall concurrently enter  
7 into evidence information regarding how the protocol was  
8 developed, and to what extent the protocol is evidence-based,  
9 peer-reviewed, and nationally recognized, ~~as required by~~  
10 ~~regulations adopted by the appeals board.~~ If a party offers into  
11 evidence a portion of a treatment protocol, any other party may  
12 offer into evidence additional portions of the protocol. The party  
13 offering a protocol, or portion thereof, into evidence shall either  
14 make a printed copy of the full protocol available for review and  
15 copying, or shall provide an Internet address at which the entire  
16 protocol may be accessed without charge.

17 (i) *The medical treatment utilization schedule in effect*  
18 *pursuant to Section 5307.27 or the guidelines in effect pursuant to*  
19 *Section 4604.5.*

20 SEC. 42. *Section 5814 of the Labor Code is amended to read:*

21 5814. (a) When payment of compensation has been  
22 unreasonably delayed or refused, either prior to or subsequent to  
23 the issuance of an award, the full amount of the order, decision, or  
24 award shall be increased by 10 percent. Multiple increases shall  
25 not be awarded for repeated delays in making a series of payments  
26 due for the same type or specie of benefit unless there has been a  
27 legally significant event between the delay and the subsequent  
28 delay in payments of the same type or specie of benefits. The  
29 question of delay and the reasonableness of the cause therefor shall  
30 be determined by the appeals board in accordance with the facts.  
31 This delay or refusal shall constitute good cause under Section  
32 5803 to rescind, alter, or amend the order, decision, or award for  
33 the purpose of making the increase provided for herein.

34 (b) *This section shall become inoperative on June 1, 2004, and,*  
35 *as of January 1, 2005, is repealed, unless a later enacted statute,*  
36 *that becomes operative on or before January 1, 2005, deletes or*  
37 *extends the dates on which it becomes inoperative and is repealed.*

38 SEC. 43. *Section 5814 is added to the Labor Code, to read:*

39 5814. (a) *When payment of compensation has been*  
40 *unreasonably delayed or refused, either prior to or subsequent to*

1 *the issuance of an award, the amount of the payment unreasonably*  
2 *delayed or refused shall be increased up to 25 percent or up to ten*  
3 *thousand dollars (\$10,000), whichever is less. In any proceeding*  
4 *under this section, the appeals board shall use its discretion to*  
5 *accomplish a fair balance and substantial justice between the*  
6 *parties.*

7 *(b) If a potential violation of this section is discovered by the*  
8 *employer prior to an employee claiming a penalty under this*  
9 *section, the employer, within 90 days of the date of the discovery,*  
10 *may pay a self-imposed penalty in the amount of 10 percent of the*  
11 *amount of the payment unreasonably delayed or refused, along*  
12 *with the amount of the payment delayed or refused. This*  
13 *self-imposed penalty shall be in lieu of the penalty in subdivision*  
14 *(a).*

15 *(c) Upon the approval of a compromise and release, findings*  
16 *and awards, or stipulations and orders by the appeals board, it*  
17 *shall be conclusively presumed that any accrued claims for penalty*  
18 *have been resolved, regardless of whether a petition for penalty*  
19 *has been filed, unless the claim for penalty is expressly excluded*  
20 *by the terms of the order or award. Upon the submission of any*  
21 *issue for determination at a regular trial hearing, it shall be*  
22 *conclusively presumed that any accrued claim for penalty in*  
23 *connection with the benefit at issue has been resolved, regardless*  
24 *of whether a petition for penalty has been filed, unless the issue of*  
25 *penalty is also submitted or is expressly excluded in the statement*  
26 *of issues being submitted.*

27 *(d) The payment of any increased award pursuant to*  
28 *subdivision (a) shall be reduced by any amount paid under*  
29 *subdivision (d) of Section 4650 on the same unreasonably delayed*  
30 *or refused benefit payment.*

31 *(e) No unreasonable delay in the provision of medical*  
32 *treatment shall be found when the treatment has been authorized*  
33 *by the employer in a timely manner and the only dispute concerns*  
34 *payment of a billing submitted by a physician or medical provider*  
35 *as provided in Section 4603.2.*

36 *(f) Nothing in this section shall be construed to create a civil*  
37 *cause of action.*

38 *(g) Notwithstanding any other provision of law, no action may*  
39 *be brought to recover penalties that may be awarded under this*

1 *section more than two years from the date the payment of*  
2 *compensation was due.*

3 *(h) This section shall apply to all injuries, without regard to*  
4 *whether the injury occurs before, on, or after the operative date of*  
5 *this section.*

6 *(i) This section shall become operative on June 1, 2004.*

7 *SEC. 44. Section 5814.6 is added to the Labor Code, to read:*

8 *5814.6. (a) Any employer or insurer that knowingly violates*  
9 *Section 5814 with a frequency that indicates a general business*  
10 *practice is liable for administrative penalties of not to exceed four*  
11 *hundred thousand dollars (\$400,000). Penalty payments shall be*  
12 *imposed by the administrative director and deposited into the*  
13 *Return-to-Work Fund established pursuant to Section 139.48.*

14 *(b) The administrative director may impose a penalty under*  
15 *either this section or subdivision (e) of Section 129.5.*

16 *(c) This section shall become operative on June 1, 2004.*

17 *SEC. 45. Section 6401.7 of the Labor Code is amended to*  
18 *read:*

19 *6401.7. (a) Every employer shall establish, implement, and*  
20 *maintain an effective injury prevention program. The program*  
21 *shall be written, except as provided in subdivision (e), and shall*  
22 *include, but not be limited to, the following elements:*

23 *(1) Identification of the person or persons responsible for*  
24 *implementing the program.*

25 *(2) The employer's system for identifying and evaluating*  
26 *workplace hazards, including scheduled periodic inspections to*  
27 *identify unsafe conditions and work practices.*

28 *(3) The employer's methods and procedures for correcting*  
29 *unsafe or unhealthy conditions and work practices in a timely*  
30 *manner.*

31 *(4) An occupational health and safety training program*  
32 *designed to instruct employees in general safe and healthy work*  
33 *practices and to provide specific instruction with respect to*  
34 *hazards specific to each employee's job assignment.*

35 *(5) The employer's system for communicating with employees*  
36 *on occupational health and safety matters, including provisions*  
37 *designed to encourage employees to inform the employer of*  
38 *hazards at the worksite without fear of reprisal.*

1 (6) The employer's system for ensuring that employees comply  
2 with safe and healthy work practices, which may include  
3 disciplinary action.

4 (b) The employer shall correct unsafe and unhealthy conditions  
5 and work practices in a timely manner based on the severity of the  
6 hazard.

7 (c) The employer shall train all employees when the training  
8 program is first established, all new employees, and all employees  
9 given a new job assignment, and shall train employees whenever  
10 new substances, processes, procedures, or equipment are  
11 introduced to the workplace and represent a new hazard, and  
12 whenever the employer receives notification of a new or  
13 previously unrecognized hazard. Beginning January 1, 1994, an  
14 employer in the construction industry who is required to be  
15 licensed under Chapter 9 (commencing with Section 7000) of  
16 Division 3 of the Business and Professions Code may use  
17 employee training provided to the employer's employees under a  
18 construction industry occupational safety and health training  
19 program approved by the division to comply with the requirements  
20 of subdivision (a) relating to employee training, and shall only be  
21 required to provide training on hazards specific to an employee's  
22 job duties.

23 (d) The employer shall keep appropriate records of steps taken  
24 to implement and maintain the program. Beginning January 1,  
25 1994, an employer in the construction industry who is required to  
26 be licensed under Chapter 9 (commencing with Section 7000) of  
27 Division 3 of the Business and Professions Code may use records  
28 relating to employee training provided to the employer in  
29 connection with an occupational safety and health training  
30 program approved by the division to comply with the requirements  
31 of this subdivision, and shall only be required to keep records of  
32 those steps taken to implement and maintain the program with  
33 respect to hazards specific to an employee's job duties.

34 (e) (1) The standards board shall adopt a standard setting forth  
35 the employer's duties under this section, on or before January 1,  
36 1991, consistent with the requirements specified in subdivisions  
37 (a), (b), (c), and (d). The standards board, in adopting the standard,  
38 shall include substantial compliance criteria for use in evaluating  
39 an employer's injury prevention program. The board may adopt  
40 less stringent criteria for employers with few employees and for

1 employers in industries with insignificant occupational safety or  
2 health hazards.

3 (2) Notwithstanding subdivision (a), for employers with fewer  
4 than 20 employees who are in industries that are not on a  
5 designated list of high hazard industries and who have a workers'  
6 compensation experience modification rate of 1.1 or less, and for  
7 any employers with fewer than 20 employees who are in industries  
8 that are on a designated list of low hazard industries, the board  
9 shall adopt a standard setting forth the employer's duties under this  
10 section consistent with the requirements specified in subdivisions  
11 (a), (b), and (c), except that the standard shall only require written  
12 documentation to the extent of documenting the person or persons  
13 responsible for implementing the program pursuant to paragraph  
14 (1) of subdivision (a), keeping a record of periodic inspections  
15 pursuant to paragraph (2) of subdivision (a), and keeping a record  
16 of employee training pursuant to paragraph (4) of subdivision (a).  
17 To any extent beyond the specifications of this subdivision, the  
18 standard shall not require the employer to keep the records  
19 specified in subdivision (d).

20 (3) The division shall establish a list of high hazard industries  
21 using the methods prescribed in Section 6314.1 for identifying and  
22 targeting employers in high hazard industries. For purposes of this  
23 subdivision, the "designated list of high hazard industries" shall  
24 be the list established pursuant to this paragraph.

25 For the purpose of implementing this subdivision, the  
26 Department of Industrial Relations shall periodically review, and  
27 as necessary revise, the list.

28 (4) For the purpose of implementing this subdivision, the  
29 Department of Industrial Relations shall also establish a list of low  
30 hazard industries, and shall periodically review, and as necessary  
31 revise, that list.

32 (f) The standard adopted pursuant to subdivision (e) shall  
33 specifically permit employer and employee occupational safety  
34 and health committees to be included in the employer's injury  
35 prevention program. The board shall establish criteria for use in  
36 evaluating employer and employee occupational safety and health  
37 committees. The criteria shall include minimum duties, including  
38 the following:

39 (1) Review of the employer's (A) periodic, scheduled worksite  
40 inspections, (B) investigation of causes of incidents resulting in

1 injury, illness, or exposure to hazardous substances, and (C)  
2 investigation of any alleged hazardous condition brought to the  
3 attention of any committee member. When determined necessary  
4 by the committee, the committee may conduct its own inspections  
5 and investigations.

6 (2) Upon request from the division, verification of abatement  
7 action taken by the employer as specified in division citations.

8 If an employer's occupational safety and health committee  
9 meets the criteria established by the board, it shall be presumed to  
10 be in substantial compliance with paragraph (5) of subdivision (a).

11 (g) The division shall adopt regulations specifying the  
12 procedures for selecting employee representatives for  
13 employer-employee occupational health and safety committees  
14 when these procedures are not specified in an applicable collective  
15 bargaining agreement. No employee or employee organization  
16 shall be held liable for any act or omission in connection with a  
17 health and safety committee.

18 (h) The employer's injury prevention program, as required by  
19 this section, shall cover all of the employer's employees and all  
20 other workers who the employer controls or directs and directly  
21 supervises on the job to the extent these workers are exposed to  
22 worksite and job assignment specific hazards. Nothing in this  
23 subdivision shall affect the obligations of a contractor or other  
24 employer ~~which~~ that controls or directs and directly supervises its  
25 own employees on the job.

26 (i) ~~Where~~ When a contractor supplies its employee to a state  
27 agency employer on a temporary basis, the state agency employer  
28 may assess a fee upon the contractor to reimburse the state agency  
29 for the additional costs, if any, of including the contract employee  
30 within the state agency's injury prevention program.

31 (j) (1) The division shall prepare a Model Injury and Illness  
32 Prevention Program for Non-High-Hazard Employment, and shall  
33 make copies of the model program prepared pursuant to this  
34 subdivision available to employers, upon request, for posting in  
35 the workplace. An employer who adopts and implements the  
36 model program prepared by the division pursuant to this paragraph  
37 in good faith shall not be assessed a civil penalty for the first  
38 citation for a violation of this section issued after the employer's  
39 adoption and implementation of the model program.

1 (2) For purposes of this subdivision, the division shall establish  
2 a list of non-high-hazard industries in California, ~~that may include~~  
3 ~~the industries that, pursuant to Section 14316 of Title 8 of the~~  
4 ~~California Code of Regulations, are not currently required to keep~~  
5 ~~records of occupational injuries and illnesses under Article 2~~  
6 ~~(commencing with Section 14301) of Subchapter 1 of Chapter 7~~  
7 ~~of Division 1 of Title 8 of the California Code of Regulations.~~  
8 These industries, identified by their Standard Industrial  
9 Classification Codes, as published by the United States Office of  
10 Management and Budget in the Manual of Standard Industrial  
11 Classification Codes, 1987 Edition, are apparel and accessory  
12 stores (Code 56), eating and drinking places (Code 58),  
13 miscellaneous retail (Code 59), finance, insurance, and real estate  
14 (Codes 60–67), personal services (Code 72), business services  
15 (Code 73), motion pictures (Code 78) except motion picture  
16 production and allied services (Code 781), legal services (Code  
17 81), educational services (Code 82), social services (Code 83),  
18 museums, art galleries, and botanical and zoological gardens  
19 (Code 84), membership organizations (Code 86), engineering,  
20 accounting, research, management, and related services (Code  
21 87), private households (Code 88), and miscellaneous services  
22 (Code 89). To further identify industries that may be included on  
23 the list, the division shall also consider data from a rating  
24 organization, as defined in Section 11750.1 of the Insurance Code,  
25 the Division of Labor Statistics and Research, ~~including the logs~~  
26 ~~of occupational injuries and illnesses maintained by employers on~~  
27 ~~Form CAL/OSHA No. 200, or its equivalent, as required by~~  
28 ~~Section 14301 of Title 8 of the California Code of Regulations, and~~  
29 all other appropriate information. The list shall be established by  
30 June 30, 1994, and shall be reviewed, and as necessary revised,  
31 biennially.

32 (3) The division shall prepare a Model Injury and Illness  
33 Prevention Program for Employers in Industries with Intermittent  
34 Employment, and shall determine which industries have  
35 historically utilized seasonal or intermittent employees. An  
36 employer in an industry determined by the division to have  
37 historically utilized seasonal or intermittent employees shall be  
38 deemed to have complied with the requirements of subdivision (a)  
39 with respect to a written injury prevention program if the employer

1 adopts the model program prepared by the division pursuant to this  
2 paragraph and complies with any instructions relating thereto.

3 (k) With respect to any county, city, city and county, or district,  
4 or any public or quasi-public corporation or public agency therein,  
5 including any public entity, other than a state agency, that is a  
6 member of, or created by, a joint powers agreement, subdivision  
7 (d) shall not apply.

8 (l) Every workers' compensation insurer shall conduct a  
9 review, including a written report as specified below, of the injury  
10 and illness prevention program (IIPP) of each of its insureds *with*  
11 *an experience modification of 2.0 or greater* within ~~four~~ six months  
12 of the commencement of the initial insurance policy term. The  
13 review shall determine whether the insured has implemented all of  
14 the required components of the IIPP, and evaluate their  
15 effectiveness. The training component of the IIPP shall be  
16 evaluated to determine whether training is provided to line  
17 employees, supervisors, and upper level management, and  
18 effectively imparts the information and skills each of these groups  
19 needs to ensure that all of the insured's specific health and safety  
20 issues are fully addressed by the insured. The reviewer shall  
21 prepare a detailed written report specifying the findings of the  
22 review and all recommended changes deemed necessary to make  
23 the IIPP effective. The reviewer shall be ~~an independent~~ or work  
24 *under the direction of a licensed California professional engineer,*  
25 *certified safety professional, or a certified industrial hygienist.*

26 *SEC. 46. The repeal of the personal physician's or*  
27 *chiropractor's presumption of correctness contained in Section*  
28 *4062.9 of the Labor Code made by this act shall apply to all cases,*  
29 *regardless of the date of injury, but shall not constitute good cause*  
30 *to reopen or rescind, alter, or amend any existing order, decision,*  
31 *or award of the Workers' Compensation Appeals Board.*

32 *SEC. 47. The amendment, addition, or repeal of, any*  
33 *provision of law made by this act shall apply prospectively from the*  
34 *date of enactment of this act, regardless of the date of injury, unless*  
35 *otherwise specified, but shall not constitute good cause to reopen*  
36 *or rescind, alter, or amend any existing order, decision, or award*  
37 *of the Workers' Compensation Appeals Board.*

38 *SEC. 48. The provisions of this act are severable. If any*  
39 *provision of this act or its application is held invalid, that*

1 *invalidity shall not affect other provisions or applications that can*  
2 *be given effect without the invalid provision or application.*

3 *SEC. 49. This act is an urgency statute necessary for the*  
4 *immediate preservation of the public peace, health, or safety*  
5 *within the meaning of Article IV of the Constitution and shall go*  
6 *into immediate effect. The facts constituting the necessity are:*

7 *In order to provide relief to the state from the effects of the*  
8 *current workers' compensation crisis at the earliest possible time,*  
9 *it is necessary for this act to take effect immediately.*

10 ~~*workers' compensation system by promoting the efficient delivery*~~  
11 ~~*of high quality appropriate medical care.*~~
